TURN HAIR DARK WITH SAGE TEA

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

The Editor Hears

That wise women are taking advantage of the sales in the Kingston shops to lay in a stock of ready-to-wear garments and material for their own dresses and their children's frocks and coats.

That a writer in the Winnipeg Free Press describes the dancing at the Old-Timers Annual Ball in this wise: "The orchestra was playing 'Garry Owen,' and then the fiddles shrilled and pleaded as they swung into a square dance near the door.

Then Rafael said to Balthazar, "In a country west from here a lord is born in lowliness in love without a peer. Take grievances and gifts to him And prove his kingship clear."

And Gabriel said to Melchior "My comrade I will send My star to go before you That ye may comprehend Where leads your mystic learning If a humaner trend."

And Michael said to Gaspar, "Thou rural builder, go With tribute of thy riches! Though time shall overthrow Thy kingdom, no undoing His gentle might shall know."

THE SENDING OF THE MAGI

In a far Eastern country It happened long of yore Where a lone and level sunrise Flashes the desert floor.

Gaspar whose wealth was counted By city and caravan; By Melchior, the seer Who read the starry plan; And Balthazar the blameless Who loved his fellowman.

There while they talked a sudden Strange rushing sound arose And as with startled faces They thought upon their foes, Three figures stood before them In imperial repose.

One in flame-gold and one in blue And one in scarlet clear, With the slightest portent Of sunrise they startle near! And the kings made obeisance With hand on breast in fear.

"Arise," they said, "we bring you Good tidings of great peace! To-day a power is wakened Whose workings must increase Till fear and greed and malice And violence shall cease."

The messengers were Michael, By whom all things are wrought To shape and hue; and Gabriel Who is the lord of thought; And Rafael without whose love All toil must come to naught.

Then Rafael said to Balthazar, "In a country west from here A lord is born in lowliness in love without a peer. Take grievances and gifts to him And prove his kingship clear."

And Gabriel said to Melchior "My comrade I will send My star to go before you That ye may comprehend Where leads your mystic learning If a humaner trend."

And Michael said to Gaspar, "Thou rural builder, go With tribute of thy riches! Though time shall overthrow Thy kingdom, no undoing His gentle might shall know."

Then while the kings' hearts great-ened And all the chamber shone, As when the hills at sundown Take a new glory on And the air thrill with purple

Easy To Gain Weight With Yeast and Iron

Thin, run-down and underweight men, women and children can improve their health, increase their energy and put on from five to twenty pounds of good solid flesh in three weeks.

A new combination of yeast vitamins with vegetable iron, renews the action of sluggish blood cells, drives out dangerous body poisons, increases energy and endurance and supplies the system with the vitamins that build up weight.

For years yeast has been known as a rich vitamin food, but not until we perfected "ironized yeast"—which comes in concentrated tablet form, was it possible to take yeast and iron in the right proportions to build up weight.

Vegetable "Iron" when combined with yeast is quite easy to digest, therefore better for the system. And "yeast" when ironized, becomes just twice as beneficial as ordinary fresh or cake yeast.

Ironized Yeast tablets are composed of concentrated food elements, therefore they are pleasant to take and free from drug-like effects. It makes no difference how old you are—or how young you are—how long you have been underweight—or how much underweight you are, "ironized yeast" tablets are positively guaranteed to pick you right up, and add from five to twenty pounds of good firm flesh in three weeks' time. If they fail get your money back.

Sold by druggists, at \$1.00 for a large 60-tablet package. Harold F. Ritchie & Co., Ltd., Toronto.

Children's Colds

Are quickly, pleasantly relieved by Dr. Chase's Syrup of Linsed and Turpentine

If children's colds are got rid of promptly there will be less tendency to pneumonia and consumption in later life. It is the neglected, hanging-on cold that weakens the lungs and develops into serious trouble.

No treatment for coughs and colds was ever so popular with the children as Dr. Chase's Syrup of Linsed and Turpentine. It is so pleasant to the taste, so delightfully soothing and healing and affords relief so quickly that children soon turn to it instinctively when choked up with a cold or annoyed by coughing.

It is mother's favorite treatment for croup and bronchitis, for she knows it will bring relief when the midnight coughing spasms set in. It is wise to always have a bottle at hand for prompt use in emergency.
