A VESTRY MEETING HELD AT LANSDOWNE

St. John's Church Affairs in Excellent Shape—The Organizations Active.

Lansdowne, Jan. 7.—The annual vestry meeting of St. John's church was held on Wednesday evening in the Chosen Friends Hall, kindly lent for the occasion by Erastus E. Johnston. The rector, Rev. Cecil Winter, presided. George W. Steacy acted as secretary in the absence of the vestry clerk, A. E. Mooney. The warden, E. E. Johnston, presented a very fine statement of the finances which revealed a splendid balance on the right side. The rector's stipend was paid in full as was also the missionary apportionment. The rector asked E. E. Johnston to be his warden for 1926 and Mr. Johnston consented, stating that it was a real pleasure for him to do so as the parishioners had always willingly met their obligations.

The rector paid a well-deserved tribute to Fred Mitchell for the services he had given to the church in the capacity of people's warden. On motion of George Potter, seconded by Thomas H. S. Munn, to the delight of everyone Mr. Mitchell was re-elected. The following sidesmen were appointed: Messrs. William Senn, George W. Steacy, S. E. Johnston, Harry Nunn, Ford Johnston, Kenneth Steacy. Other appointments made were: Lay delegates to Synod, George F. Johnston; vestry clerk, A. E. Mooney; auditors, John G. Mitchell and William G. Johnston; sexton, James Funnell.

Reports were received from the Women's Guild, Sunday school, W. A. Little Helpers, W.A. Extra Cent-a-day and the Women's Auxiliary. All the organizations were in a healthy condition financially. It was decided to have the grounds around the church filled in and levelled in the spring. The rector thanked Mrs. G. F. Deane for the handsome oak altar she recently presented to the church in loving memory of G. F. Deane and Emma, his wife. Votes of thanks were passed to the following: Mrs. E. E. Johnston and Mrs. Winter for honorary services at the organ, the Women's Guild, the W.A., the Sunday school teachers, the wardens and the rector. The meeting was brought to a close with prayer and the benediction.

The regular monthly meeting of the St. John's branch of the Women's Auxiliary was held at the home of Mrs. George F. Johnston, Miss R. Webster presiding; on Wednesday evening. It was decided to hold a quilting party at the home of Miss Susie Truesdell on Saturday. The Warburton branch of the Women's Auxiliary met at the home of Mrs. Gordon Summers, Rockfield, on Thursday evening, with the president, Mrs. R. G. Steacy, in the chair. Rev. Cecil Winter gave a short talk on home and foreign missions emphasizing the importance of supporting the same.

TO THE MOTHERS OF ALL PALE GIRLS

If Your Daughter Shows Signs of Anemia a Tonic is Needed.

Anemia is simply a lack of blood. It is one of the most common and at the same time most dangerous troubles from which growing girls suffer. It is common because the blood so often becomes impoverished during development, when girls often overwork and overstudy. It is dangerous because of the stealthiness of its approach and because of its tendency to grow steadily worse. Every growing girl should occasionally take a tonic to ward off this insidious trouble. It is because of their powerful action in rebuilding the blood that Dr. Williams' Pink Pills have made a world-wide reputation. The case of Miss Claire Sullivan, Pincher Creek, Alta., amply proves the value of this medicine. Miss Sullivan says: "During my school days I suffered a great deal from thin and watery blood. I was continually weak and tired; my appetite was poor, my sleep unrefreshing and I was troubled with backaches. To make matters worse I was attacked with acute appendicitis and the operation left me in a very weakened state. My mother, learning of the value of Dr. Williams' Pink Pills, had me take them and after using them for some time I can say the result was simply wonderful, as they completely restored my health, and now when opportunity occurs I always recommend these pills to weak, pale girls suffering as I did."

You can get the pills from your druggist, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Lunch was served and then Mr. and Mrs. McKnight were presented with a lovely carrying set from the Sunday school, by Mrs. Deane and an address by Mr. Shultz, superintendent, thanking them for their interest and work in the Sunday school and wishing them every happiness in their new home at Sydenham. Mr. McKnight thanked the people in a few well chosen words and Rev. Mr. Mills closed in prayer.

Recent Election Was the Most Exciting in Many Years.

Stella, Jan. 9.—The township election was held here on Monday. Those up for reeve were Samuel Miller and George T. Howard; for councilmen, W. J. Glenn, D. H. Filson, Thomas Smith, A. N. Hitchins and J. R. Gibson. Excitement was rife in the village from morning until after 6 p.m., when the returns were given out. Those going down to defeat were George T. Howard and J. R. Gibson. More interest was shown in this election than in years past. The members of Quinte Lodge L.O.B.A. held their annual card party and dance in Victoria hall on Monday evening, Dec. 28th. It was well patronized. Music was furnished by Glenn's orchestra. Lunch was provided by the members. About 150 were realized. Court Stella, No. 53 C.O.F. held their annual dance in Victoria hall on New Year's Eve. It was well attended. Over \$100 was realized. Music was provided by Glenn's three-piece orchestra. The schools have all reopened after the Christmas holidays with the same staff of teachers, with the exception of the Continuation school, Miss A. Sylvester having retired. She has been succeeded by Mr. McCannan, Ottawa, as assistant. Clarence Stevison, who recently moved to the island from Kingston, gave a house dance recently at his home, "Eastview." About fifty guests were present. Music was provided by Glenn's orchestra. Mr. and Mrs. William Cochran are spending a month with their sons in Buffalo, N.Y. The congregation of the United Church of Canada held their Sunday school entertainment in Victoria hall on Wednesday evening last. A pleasant time was spent. There has been no service held in St. Paul's Presbyterian church for the past three Sundays owing to the dangerous condition of the crossing. Just as soon as the ice is considered safe service will be continued. Among the sailors who have returned from the Upper Lakes are William Marshall, Capt. Alexander Glenn, W. D. Sanders, William Cochran, Jr., R. McGivern, A. and E. Taylor, W. Miller. Among the Christmas visitors were Mr. and Mrs. John Miller, Buffalo, N.Y., at St. Miller's. Pringle's; Miss Dorothy Wemp, nurse-in-training Kingston General Hospital and Miss Chown, Kingston, at Alexander Reid's; Mr. and Mrs. Ray Baker and son, Cataragui, at H. S. Patterson's. F. Martin, of "A" Battery, R.C.H.A., Kingston, at D. Caughey's.

A VERY LIKELY CONTEST.

The Majority of Old Council Were Returned. Malloytown, Jan. 7.—Never was there a municipal election that aroused so much excitement in the Front of Yonge as the one of this year. An attempt was made to usher in a completely new council so there were two contestants for every position. Of course the reevehip was a special source of interest. The contest was between two former contestants, Reeve G. R. Root and David Clow. Eight nominations for council. All the old council ran and all were returned with one exception, David Harris, Yonge's Mills, is the new member on the council. Reeve Root was sustained by a majority of 60. The following former members of the council were elected: James Guild, Mr. Leager, Peter Purvis. The school teachers are back at their work again with no changes on the staff. At a congregational meeting of the United Church, on Tuesday evening, it was decided to have the anniversary on Jan. 31st, and Feb 1st. Rev. T. P. Perry, Gananogue, will be the preacher. On Sunday evening a song service was given in the United Church. The histories of and incidents relating to the hymns were given by the pastor. Besides the hymns a male quartette by Messrs. Frank and Ernest Doughty, H. M. Mallory and Lawrence Guild; a duet by Ernest and Frank Doughty and solos by Mrs. C. O. Guild and R. Calvert were given. Special interest was manifested in the poem read from "Rough Rhymes of a Padre," by Woodbine Willie. Our sleighing is spoiled.

RECITAL AT ATHENS.

Mrs. V. O. Boyle Presented With a Silver Hand Mirror. Athens, Jan. 8.—On Wednesday evening, Dec. 30th, a large number of people gathered in the town hall, Athens, to hear the pupils of Mrs. V. O. Boyle in a farewell concert recital, before her departure for Gouverneur, N.Y. The pupils excelled themselves in the excellence of their technical work and played with skill and interpretation which won for them well merited applause. An interesting feature of the programme was that each pupil was dressed in a picturesque costume representing the name of a song, and the audience was engaged in a contest to guess the names of the songs so represented. The comedy "Courtship Under Difficulty" and the quartette "Afternoon Callers" added a humorous touch to the programme, while the several selections of the "Charleston Juvenators" orchestra were heartily enjoyed. This orchestra, composed of Hubert and Albert Beale, Lawrence Taylor and Raymond Steele, rendered excellent melody, and exhibited a skill and artistry which would be difficult to reproduce in a large city. At the conclusion of the programme Mrs. Boyle was presented with a handsome sterling silver hand mirror, Patricia design, as a token of esteem from her pupils. Miss Hazel Burns reading the address and Miss Catherine Whaley, making the presentation. Mrs. Boyle heartily thanked her pupils for such a beautiful and useful gift and said she would never forget their kindness.
