SALMON SNACKS

32c. lb.

Cooked ready to serve
—a Fish delicacy.

LIFE'S SOCIAL SIDE.

(Continued from Page 4)
On Friday evening the Inverary
Agricultural Hall was the scene of a
card party and dance at which at
least three hundred people were pres-
ent, many Kingstons joining in
the fun. Mr. and Mrs. Douglas
Darling and Mrs. George Cranston
received the visitors with a hearty
welcome. Progressive euchre was
played, Miss Helen Harte of Oates
carrying off the prize. Dancing was
enjoyed to the strains of music made
by an orchestra. Old time dances
were played and the older people
present greatly enjoyed hearing
their old time favorites. At midnight
supper was served and dancing went
on for several hours. This was one
of the most successful entertain-
ments held in Inverary for some
time and hearty praise went to those
in charge of the arrangements.

Miss Vida Malone, Garrett street,
left for Bowmanville to-day to be
with her sister, Mrs. John Moorcraft.

Radio Troubles.

Mr. F. J. C. Dunn, radio inspector
of Kingston, wishes to deny the pre-
valent rumor that an amateur opera-
tor has been apprehended with a
spark coil which he is disturbing
radio fans in Kingston. No one has
been caught yet with a spark coil,
and the inspector thinks that this is
not the cause of the trouble, but at-
tributes it to a faulty transformer,
which he has located between Pine
and Division streets. The moisture
of the last few days getting into the
transformers is sufficient to cause
them to send out a buzzing sound
and annoy the radio fans.

Mary Jane McCrimmon, wife of
W. S. Grilla, reeve of Seymour town-
ship, died Friday at the family home
on the English Line, after a few
days' illness of pneumonia. The
late Mrs. Grilla was born in Prince
Edward County sixty-five years ago.
At Renfrew the public library cir-
culated books at the rate of nine per
capita of the population, or 45,000
books a year.

Mrs. James E. Story died on Mon-
day, at the home of her son, Wal-
lace Grant, Lyn road, near Brock-
ville.

CLEAN YOUR CHIMNEY.

During 1927 the Kingston
fire department responded to
158 alarms, and of this number
63 were for chimneys and
stove pipes.
During the year the firemen
answered 12 false alarms.

City and District

Inspection Tour.
C. H. Towle, assistant superintend-
ent of the Trenton division C.P.R.,
was in Kingston on Tuesday, inspect-
ing the local offices.

Fire Equipment.
Following out the instructions
given him at the inaugural meeting
of the Fire and Light Committee,
Fire Chief Armstrong on Tuesday
afternoon, submitted to the commit-
tee an inventory of the property and
material in the care of the fire de-
partment, up till January 29th of
this year.

Address-Serson Wedding.
The marriage of Miss Mildred A.
Serson, daughter of Elgin Serson, of
The Outlet, to Elmer P. Address, of
Escott, took place on Monday, Jan.
18th, at the home of Mr. and Mrs.
Robert Dickie. The ceremony was
performed by Rev. Alfred Bishop.
Mr. and Mrs. Address will reside at
Escott.

Revisits Kingston.
Mr. Richard Bartlett Gage, late of
Spokane, Wash., now of Toronto, has
returned home after a pleasant visit
with his father and brother, D. B.
Gage, Pine street. As it was over
thirty-two years since Mr. Gage has
been in Kingston, he noticed many
changes and improvements in his
old home town. He met many old
friends who were pleased to welcome
him back.

To Rebuild Quebec Chateau.
The Anglin-Norcross Company,
Montreal, which built the Queen's
University library, will rebuild the
portion of the Chateau Frontenac,
Quebec, destroyed by fire last Thurs-
day night. Mr. Penrose Anglin, head
of this company, was born and lived
in Kingston till he branched out so
successfully in building contract
work.

Frederick Heath.
Kingston residents whose vacations
have taken them to camps on the
Rideau Lakes, will learn with regret
of the death of Frederick C. Heath,
general storekeeper and postmaster
at Portland. Mr. Heath was well
known to all who had occasion to
pass through Portland during the
summer months, and he was a high-
ly respected resident of the locality.
The late Mr. Heath was in his sev-
enty-third year.

Rotary Club.
A special speaker is being ar-
ranged for this week's luncheon of
the Kingston Rotary Club, which will
be held on Thursday at 12.30, in the
British-American Hotel. It was de-
cided to hold the meetings of the
club on Thursday instead of Friday.
Rotarian "Bill" McCallum has
been appointed a director to fill out
the term of Leman A. Guild. The
latter has been made an honorary
member, in recognition of his work
with the club, he being one of the
charter members.
It has been decided to hold next
week's meeting at 6 o'clock on
Thursday evening. This will be a
business session.

Euchre and Dance.
A very successful and largely at-
tended euchre and dance was held
in the Orange Hall on Tuesday
night under the auspices of the
Loyal Traps Blue Lodge. Sixteen
tables were in play. The first prize
for the ladies was won by Mrs. Mc-
Ilroy and gentlemen's first prize by
Mr. P. Dee. The ladies' consolation
prize was won by Mrs. W. Holtham
and the gentlemen's consolation
prize by Mr. Driscoll. Following the
games, refreshments were served, at
the conclusion of which a few hours
of dancing were enjoyed, music be-
ing provided by Salisbury's orches-
tra. The floor was in charge of Mr.
Portis.

While cutting down a tree for
Edward Post, Marmora, T. Storing
found a coon in the tree which was
partly hollow. He killed the coon
as it came from the opening. It is
a large pelt and in first class condi-
tion.

J. S. Panter and William Rogers
were re-appointed for three years to
Belleville's Park Commission.

DAILY MEMORANDUM.
