City and District

Wild Ducks Stay Around.
Large flocks of wild ducks are seen daily in the Prescott, section of the St. Lawrence River.

Walks Slippery.
The walks about the city were very slippery on Thursday morning, and the light snow fall made the walking more dangerous. The roads were in a dangerous condition for cars.

St. Andrew's Society.
An executive meeting of St. Andrew's Society was held on Wednesday night, and various business matters were discussed. It was decided to hold the quarterly meeting on February 4th and arrangements are being made by the secretary.

Held 'Social Evening.'
The business girls' gymnasium class and their boy friends held a "social evening" and indoor picnic on Wednesday night, and the girls engaged the boys of the Five-Nine Club in a handicap game of basketball. The play was fast from the start, the girls being determined that they would win. The boys lagged for a while, and the final score was 35-34 for the girls.

To Open A Stand.
The Canadian National Institute for the Blind has come to the rescue of a local man who is nearly blind and is erecting a building for him at the corner of Clergy and Princess streets where he will carry on a newstand and tobacco business. The Bank of Commerce, which owns the lot at this corner, has granted the use of the lot to the local man free of charge.

Hotel Dieu Euchre.
About fifteen tables were in play at the euchre party held by the ladies' auxiliary of the Hotel Dieu Wednesday evening. The winners of the first prizes were Mrs. M. Muchmore and Mr. J. Scanlan, and the consolation Miss K. Gallivan and Mr. S. Ward. The special door prize was won by Miss K. Gallivan. At the conclusion of the games, refreshments were served by the ladies. The convenors were Mrs. W. Logue and Mrs. W. G. Bailey.

New Boats Put On.
The Canadian Steamship Lines package freighters, the City of Kingston and City of Toronto, launched last autumn from the yards of the Davis Shipbuilding and Repairing Company, Levis, will be ready for service at the opening of navigation this year. There were three express package freighters, the City of Hamilton, City of Montreal and City of Ottawa, in the Montreal-Toronto-Hamilton service last summer, one of which will be laid off and the two new boats put on.

Salvation Band Entertained.
The Salvation Army band was entertained at tea on Wednesday night at the Army hall as a mark of appreciation for the work they did during the Christmas season. The room was prettily decorated in pink and white, and arrangements were in charge of Mrs. Macdonald and Mrs. Goodrich. Speeches were made by Treasurer G. Pickering, Bandmaster Otten, Deputy Bandmaster Kinch, Song Leader Torrance, Band Secretary Murray and Mr. Fred Walker. Following the tea, games were enjoyed.

Old and New Fashioned Hymns.
Judge H. A. Lavell, Kingston, who has for many years been connected with and leader of church choirs, and whose singing has stirred so many hearts, does not think much of some of the present-day Sunday School music, says the Winchester Press. In this jazz age it is really refreshing to hear of a protest against some of the modern "Gospel" hymns from so able and reliable an authority. The old hymns, the old anthems, are not old-fashioned, and no music today will stir the hearts of the people and bring tears to the eyes like the good old hymns that our great-grand mothers so much loved.

AT MOWAT SANATORIUM.

A Very Pleasant Entertainment Was Given on Wednesday Evening.
A very pleasant two-hours' entertainment was given at the Mowat Sanatorium on Wednesday evening, by a concert party arranged by Mr. J. Saunders, under the auspices of the Y.M.C.A. The Temple male quartette, composed of Messrs. W. Era, T. Donnelly, W. J. Christmas and J. Saunders, gave several excellent selections. A newcomer to the concert platform at the Mowat was Master Willie Christmas in two cornet numbers. This young boy gives promise of developing into a finished performer on his instrument, and took the audience by storm. Miss Ora Christmas played his accompaniments.

"Bobby" Howarth's face is now quite familiar in his comic roles, and in several new numbers caused much merriment. Realistic monologues were given by Mr. Thomas Kelly, who was especially good in one of Branahy Williams' selections.

Messrs. W. J. Christmas, Thomas Donnelly and J. Saunders, besides their ensemble work in the quartette, sang pleasing solos.

The orchestra secured for the occasion was that of the F.W.O.B., which rounded out the programme by playing several popular numbers.

"Pure Cod Liver Oil," Gibson's, Ripe Pineapples at Carnovsky's.

DAILY MEMORANDUM.

SUNDAY SCHOOL WORKERS ENJOYED A SUPPER

Interesting Gathering Held at Queen Street United Church.

A very interesting meeting of the teachers and officers of Queen Street United Church Sunday School was held on Tuesday, when the teachers of the senior and intermediate departments and the officers were the guests of the teachers of the children's division.

At 6.15 p.m. all sat down to a bountiful supper, after which the Sunday School orchestra played a number of selections. Then followed a "sing-song," with Miss Vics Reich at the piano, and although the words of the songs were new, they were set to good old tunes that went with a fine swing, and everyone joined in heartily. A march was then played by the orchestra, and everyone was marched around, headed by the chairman of the evening, Mr. F. T. Payne, who finally led them to seats facing the platform.

Responsive reading and prayer was given by Mr. T. N. Williamson, followed by a sketch entitled "Out Calling." The parts were taken by Mrs. W. H. Cockburn, Mrs. G. N. Williamson and Miss Jessie Bruce. There was a short talk on "The Teachers' Rainbow" by Miss Hoppin. Then all repeated together "New Year's Resolutions." A report of the convention in Hamilton was given by Mr. Ebenezer. After more singing and repeating the teachers' prayer, the meeting was handed over to Dr. Nash, superintendent of the Sunday School, for general business.
