Piles Go Quick

Without Salves or Cutting

Thousands who have piles have not
learned that quick and permanent re-
lief can only be accomplished with in-
ternal medicine. Neither cutting nor
any amount of treatment with oint-
ments and suppositories will remove the
cause.

Bad circulation causes piles. There
is a complete stagnation of blood in
the lower bowel and a weakening of
the parts. Dr. J. S. Leonard was first
to find the remedy and called his pre-
scription HEM-ROID. Dr. Leonard
tried it in 1,000 cases with the mar-
vellous record of success in 85 per cent,
and then decided it should be sold by
druggists everywhere under a right
money-back guarantee.

Don't waste any more time with out-
side application. Get a package of
HEM-ROID from Jas. B. McLeod to-
day. It has given safe and lasting re-
lief to thousands and will do the same
for you.

DIED AT PLUNKETT, SASK.

The Late Mrs. Bella Rodgers Form-
erly of Lanark County.
Lanark Station, Jan. 20—Word
has been received here of the death
of Mrs. Bella Rodgers at her home
at Plunkett, Sask., on Thursday,
December 24th. Mrs. Rodgers,
whose maiden name was Isabella
MacDonald, was born sixty-four
years ago at Drummond Centre, Lan-
ark County, the daughter of the late
Thomas R. MacDonald and Mrs.
MacDonald of that place. Educated
at Drummond Public School and Ren-
frew high school, she taught for
nearly twenty years, mainly in
Frontenac County, and was account-
ed a most successful teacher much
beloved by her pupils. Some years
ago the Great Reaper took from her
her only son Willis, and although
she bravely took up the burden of
life again yet to her life was never
the same. Four years ago she be-
came seriously ill while in Kingston,
with heart trouble and rheumatism,
and for two long years was a con-
stant sufferer, bearing it all with
wonderful patience and Christian
fortitude. In August, 1923, she was
able to go west to be near her only
daughter, (Marry), Mrs. William H.
Mundell, of Plunkett.

She always took a keen interest
in school, and in the work of the
Presbyterian Church of which she
was a member from early life. She
was a teacher of the Bible class in
the village school at Plunkett. "The
Viscount Sun" of Viscount, Sask.,
says of her in part:
"An aged and highly respected
resident of Plunkett answered the
call to her last rest on Thursday,
December 24th, in the person of
Mrs. Isabella Rodgers. The deceased
had been in somewhat poor health
for some months, and had to take to
her bed about two weeks before her
demise. The funeral, conducted by
the Rev. S. B. Musselman, was held
from the residence to the Plunkett
cemetery on Saturday, December 26.
A memorial service was held in the
Plunkett United Church on Sunday,
December 27th, conducted by the
Rev. S. B. Musselman."

Besides her daughter, Mrs. Rod-
gers leaves to mourn her loss her
aged mother, Mrs. T. R. MacDonald,
Wm. L. of Deloraine, Man. Alex.
and T. S. of Smith's Falls, and three
sisters, Mrs. S. Bushaw, of Vermil-
ion, Alta. (who was with her in her
last illness), Annie of Brockville,
and Mrs. James Umpherson of Lan-
ark Station. Thus has passed one

whose life was spent in service for
others deeply regretted by her many
friends in this part.

MORE SNOW NEEDED.

For the Hauling of Pulpwood Out
at Vennachar.

Vennachar, Jan. 20—Stanley
Gregg has a gang of men taking out
pulpwood from James Breen's
swamp to Brasley Lake. All who
have pulp to draw are very anxious
for cold weather to freeze up the
swamps. Snow is also needed for
the bush roads. Simon Ball, Den-
bigh, has the contract for drawing
Messrs. Pottinger and Barnet's tim-
ber from James Jackson's swamp to
Hyde's creek. Mr. and Mrs. E. H.
Wensley, of Borden, Sask., are
visiting the latter's parents, Mr. and
Mrs. Charles Bebee. Rev. Nicholas
Isosko, Northbrook, preached in the
Free Methodist church here last
week to a large and attentive con-
gregation. Mrs. W. F. Thompson,
Miller, is visiting her daughter, Mrs.
Alexander Johnston. Born to Mr.
and Mrs. Alexander Johnston, a
daughter, also to Mr. and Mrs.
George Sallam, a daughter.

More than 50 years ago there origi-
nated in Lynn, Mass., from a recipe
of roots and herbs a medicine for the
alleviation of women's ills, now
known, the world over as Lydia E.
Pinkham's Vegetable Compound.
The young women of this generation,
their mothers and grandmothers,
have found it to be the most depend-
able remedy for such ailments as in-
dicated by backache, headaches, and
nervous troubles. If you are suffer-
ing from anything of this nature, it
will pay you to try it.

Truth is stranger than fiction, but
one seldom gets paid as much for it.
