Lansdowne, Feb. 3.—George W. Stacey has received the position of township clerk. J. D. W. Darling has held the position for forty-six years and been a most efficient clerk, being exceptionally well posted in municipal law and township affairs, accurate, painstaking and reliable in the discharge of his duties. His ability, and knowledge will be missed. In his successor, however, the township has been fortunate in securing Mr. Stacey, councillor and reeve for many years and who has a good grasp of township conditions.

Thomas Donevan shipped horses to Montreal on Tuesday.

John H. Donevan, of Fairfax, has reason to be proud of his flock of single comb white leghorns. At the winter fair held in Kingston last week, his birds made a great record. Of the twenty birds Mr. Donevan showed nineteen won prizes, and he also won a silver cup for the largest and best display, winning both in exhibition and utility.

MALLORYTOWN UNITED CHURCH ANNIVERSARY

Supper and Concert Also Held —The Caintown School Remains Closed.

Mallorytown, Feb. 3.—The anniversary of the United Church of Mallorytown took place on Sunday, Jan. 31st, and Monday, Feb. 1st. Rev. T. P. Perry, Gananoque, was the preacher for the day.

The anthems by the choir, both morning and evening, and the male quartette in the evening, were very well rendered. In spite of the bad weather, especially in the evening, the attendance at both services were very encouraging.

On Monday the annual supper and concert was held. The weather had filled the responsible ones with foreboding fears as the day was blustering and stormy but in spite of the heavy roads the attendance was large. The pastor of the church has charge of the programme. Opening choruses by the choir, three male quartettes were provided by Rev. J. Baron, Messrs. McElveen, Mooney and Graham, of Lansdowne; duets by Messrs. McElveen and Mooney and Messrs. Baron and Calvert. Mr. Ernest Grother contributed two songs for which he was vociferously cheered as usual. The solos of Rev. Mr. and Mrs. Baron were also well received. The elocutionist for the evening who delighted everybody was Mrs. Fred Greer, of Lyn. Rev. Alfred Bishop, of Escott, gave a splendid address. The officials of the church were well pleased at the financial results.

Mrs. Albert Jordan is visiting her daughters in Ottawa, Mr. and Mrs. John Hatle and wife and Mrs. A. H. Vetter were in Kingston on Saturday. Miss Muriel Chapman, of Seelye's Bay, is visiting her sister, Mrs. A. H. Vetter. Mrs. Dickey, of Rockport, spent the week-end with her sister, Mrs. Clarke Guld. Mrs. F. M. Purvis and Mrs. Ivan Howson are ill.

The Caintown school remains closed as more cases of measles and chicken-pox have broken out.

An attractive programme for the school commencement concert is out for Friday night in the Oddfellows' hall.

A number of friends gathered at the home of Mr. William Burnham, on Friday last to celebrate the birthday of Daniel Armstrong. A pleasant time was spent, the music being provided by Messrs. Edward Summels and William Burnham.

TELLS DYSPEPTICS WHAT TO EAT

Avoid Indigestion, Sour Acid Stomach, Heartburn, Gas on Stomach, Etc.

Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do either one of two things.

Either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little Bisurated Magnesia at their meals.

There is probably no better, safer or more reliable stomach antiacid than Bisurated Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is not a digestant. But a teaspoonful of the powder or a couple of five grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the whole cause of the trouble and the meal digests naturally and healthfully without need of peppin pills or artificial digestants.

Get a few ounces of Bisurated Magnesia from any reliable druggist. Ask for either powder or tablets, but never comes as a liquid, milk or citrate and in the bisurated form is not a laxative. Try this plan and eat what you want at your next meal and see if this isn't the best advice you ever had on "what to eat."

GANANOQUE

Gananoque, Feb. 4.—The two lots on Pine street, owned by St. John's Church, have been sold, one to Dr. Edward Bird and the other to F. V. Skinner, both of whom will erect homes on the bungalow order thereon.

The hall has been started rolling in automobile purchases. Yesterday W. T. Sampson placed an order for a new Model 48 McLaughlin, four-passenger coupe; Fred Mooney purchased Mr. Sampson's Oakland, and Jack Hampton bought Fred Mooney's McLaughlin.

Augustus John, the distinguished British portrait painter and associate of the British Royal Academy, whose painting of Gordon McGregor, Owen Sound, as the typical Canadian soldier, is now on exhibition at the Toronto Art Gallery, happens to be a very warm friend and associate professor of Dr. John Sampson, of Liverpool University, brother of W. T. and James H. Sampson, our esteemed townsmen.

Henry Cochran has disposed of his residence on First street to Blake Sliker.

Mrs. Charles Bryant entertained at the tea hour on Wednesday afternoon.

George A. Robinson, Calgary, who is attending a convention of The Mutual Life Assurance Company at Waterloo, is coming to Gananoque at the week-end to spend a few days.

The Carpenter residence on Ten-ner street has been disposed of to John Plunkett, Ellersville, who will move into town shortly.

James McMillan, Ottawa, is in town for a few days.

LETTERS To The Editor Of The Whig

Is Lansdowne Fireproof?

Sir.—Over a year ago a few of the more zealous enterprising citizens of Lansdowne realized the necessity of some kind of fire protection, and to this end accordingly got busy to see what could be done. They formed themselves into a committee and started out with a subscription list, and, although they met with objections, even from some of the biggest property holders, they finally succeeded in raising sufficient money to purchase a chemical tank of sixty gallons capacity, some pumps and a couple of ladders. Then complications began to arise, because the village is not incorporated, and when the township

unconcerned as though they are immune from any responsibility in the matter.

The time does not seem far distant when the insurance companies will refuse insurance absolutely to any municipality unless it provides fire protection of some kind fairly adequate to take care of fires in their incipency, and the Ontario Government should introduce legislation compelling all municipalities to provide necessary fire protection, so that the insurance companies could give reasonable insurance and protection to people without having to pay almost prohibitive premiums in order to be protected. Then the fireproof citizens of Lansdowne may be spared from a rude awakening.

NAPANEE CHAMBER OF COMMERCE OFFICERS

J. W. Robinson Elected President—Address by Dr. G. W. Morden.

Napanee, Feb. 3.—The annual meeting of the Napanee Chamber of Commerce was held in the Paisley House dining room on Tuesday evening and there was a large attendance of members, who, during the meal, were entertained by the Charlie Walters' orchestra. At the opening of the banquet Dr. G. W. Morden moved a motion, which was seconded by Mr. T. B. Wallace, that a nominating committee consisting of Messrs. W. A. Grange, E. J. Roy and J. M. Simpson, be appointed, as this was the meeting when new officers were to be elected. This committee later on recommended the following members as officers for the year 1925 and upon motion of Mr. T. B. Wallace they were unanimously elected: J. W. Robinson, president; Patrick Gleason, vice-president; W. J.

Wiggins, secretary-treasurer; Messrs. J. L. Boyes, G. W. Gibbard, W. H. Milling, C. A. Walters, F. J. Roblin, W. J. Dolter, Wilfred Wilson, and T. B. Wallace, executive committee.

The singing of the quartette, Caldwell, Waite, Shannon and Vandervoort was very much appreciated by the members. The auditor's report and reports from the chairman of the different committees were received, following which Dr. G. W. Morden, principal of the Napanee Collegiate Institute, gave a very interesting illustrated talk on "Political divisions in Europe before and after the war."
