### Protect Your CHEST

THE seeds of bronchial trouble are sown during the present trying weather. For both strong and weak-chested a few Peps tablets afford the best and surest defence.

Peps quickly soothes and heal raw, sore throats; they banish coughs, colds, and chills, and strengthen the whole of the bronchial tubes. As a Peps tablet dissolves in the mouth, certain healing and germicidal fumes are released which permeate the whole of the respiratory tract. Thus, the healing Peps medicine is breathed deep into lungs and to all the vital parts. It reaches sore and inflamed membranes never touched by mixtures and syrups swallowed into the stomach.

Peps are now obtainable at druggists and stores everywhere or from Peps Co., Toronto, Ont. 35c. box contains 10 tablets.
