## SCALE OF WAGES FOR THE BUILDING TRADES

Was Received at Meeting of the Board of Education Thursday Night.

The Board of Education, at its meeting on Thursday night, received a communication from the Kingston Building Trades Council, notifying the Board that the scale of wages for the various building trades on and after April 1st, would be as follows: Masons, plasterers and bricklayers—\$1 per hour. Stone cutters—\$1 per hour. Carpenters—85 cents per hour. Plumbers—80 cents per hour. Tinsmiths—80 cents per hour. Painters—70 cents per hour. The letter also stated that all trades would observe the 44-hour week, and added: "We hope that your body will endeavor to adhere to these conditions, and so help us to keep conditions fair to labor in this city."

### MR. GEORGE A. WALKER HELPED GEN. ALLENBY

Built Railways in Egypt and Palestine—Visiting Engineering Branches.

Mr. George A. Walker, recently elected president of the Engineering Institute of Canada and who addressed the Engineering Society at Queen's University on Tuesday night, has a very interesting war record. Mr. Walker, who is a nephew of Mr. J. B. Walker, K.C., of this city, went to England as a private citizen and enlisted with the Royal Engineers. He was drafted for service with Allenby in Egypt and Palestine and was in charge of the construction of a number of railroads in Egypt which were used during the war for military purposes but which since the war have been used by the British government to good advantage for commercial purposes. Mr. Walker had many interesting and hazardous adventures to relate to his friends in Kingston during his visit here.

Before paying Kingston a visit he was in Montreal and Ottawa where he addressed the Ottawa branch of the Society of Engineers. Mr. Walker while in the Capital was very pleased to meet an old Kingston boy, Mr. J. D. Craig, surveyor general of Canada, who was chairman of the meeting. On his way back to his home in Vancouver he will visit various branches of the Engineering Institute.

Annual Meeting. The annual meeting of the Public Library Board was held in Tweed in the council chambers. In the absence of the president, T. E. Moffatt, the chair was occupied by D. H. Morrison. The report of the treasurer, L. W. Martin, showed a balance of \$82. The receipts were \$219.36 in excess of 1924. 9,854 books and magazines were read during the year and 153 books and eleven magazines were added during the same period. The library has 83 junior readers. The officers were elected as follows: President, Thomas E. Moffatt; vice-president, Mrs. (Dr.) Bouly; treasurer, L. W. Martin; secretary, S. H. Connor, executive committee: Mrs. R. Paterson, Rev. Rogers, Rev. Webster, D. H. Morrison, Mrs. L. W. Martin and A. W. McGuire.

Findlay Station Notes. Rev. D. T. Lancaster preached in Woodburn church on Sunday afternoon. Prayer meeting and Bible study was held on Tuesday night at Frederick Wilson's. Leonard Marlow, Wolfe Island spent a couple of days at Wilfred Bennett's. Misses Grace Donaldson and Margaret Walker, Kingston, spent the week-end at their homes. Janet Walker unloaded a car of coal and is getting in his supply of fuel for his cheese factory.

An Illinois man has invented a propeller driven motorcycle.

On Attendance in Public Schools and the Collegiate Institute. At the meeting of the Board of Education on Thursday night, Inspector J. Russell Stuart reported on the attendance in the public schools in January. The total enrolment at the end of the month was 2,756, an increase of 13 over last year. The number of beginners applying for admission was small, the smallest on record. The fact that the beginning of the school year in September is the best time to initiate new pupils, both in their interest and that of the school, is becoming better known. The average daily attendance during January was 3,290, or about 200 below the normal, due to the prevalence of communicable diseases. Principal E. O. Sitter reported the enrolment at the Collegiate Institute for January was 759, a decrease for the year of 7; the average attendance was 701, a decrease of 3.

The best known oil for watches is extracted from the spongy fat in the jaw pans of porpoises.

### Dull-Unfit

Watch a sparkling drink change things in an hour

Often men and women rise in the morning feeling dull and unfit, because the system is clogged. The poisons and wastes depress them. There are long ways and short ways to a remedy, but the shortest and pleasantest is this: Drink a glass of water on rising, either hot or cold. Add a little Jad Salts. It will make a sparkling, pleasant drink. That will flush the intestines. Note the radical change in an hour. The results come from acids derived from lemons and grapes, plus lithia, etc. And they are at your command every hour of the day. Learn what Jad Salts mean to you. How soon they can change conditions. They may save you countless hours of depression. Ask your druggist for Jad Salts today.

## GANANOQUE

Gananoque, Feb. 12.—Miss Mabel Carpenter entertained her fellow-teachers of the public school staff at afternoon tea at Blinkbonnie Wednesday afternoon.

The Gananoque public library held their annual meeting last evening, when the reports of the different committees and librarians showed this institution to be in a flourishing condition, and no doubt as in the past will be advised from headquarters that it is in the front ranks of Ontario libraries. The same officers who served last year were reappointed, as follows: President, J. C. Linklater; secretary, Mrs. W. F. LaQue; treasurer, C. J. Wilson. The several committees are as follows: Finance, L. S. Barr, (Chairman), Dr. Stedman, Mrs. J. R. Johnson, Junior, C. J. Wilson; library committee, W. B. Mudie, (Chairman), Mrs. Johnson, Mr. Barr, Mrs. LaQue; property committee, Miss Fefferman, (Chairman), W. B. Mudie, Mrs. LaQue; librarian, Miss Mabel Carpenter; assistant, Mrs. George Whalley.

Mrs. L. R. Stedman entertained at afternoon tea on Wednesday. The winners of the prizes at the Golf Club bridge at Mrs. Ford Petch's on Wednesday afternoon were first, Mrs. W. H. Troper, second, Miss Fairbrother, and third, Mrs. J. O'Connor in Gananoque. Miss Fefferman has learned with deep regret of his serious illness, and expressed hope that his condition will show improvement.

Mrs. James Lattimore and a number of her friends at a tea on Tuesday last. W. T. Sampson went up to Gananoque yesterday. Mayor and Mrs. Wilson and LaQue were among friends of Fergus O'Connor who motored up to enquire for him at the Hotel Dieu yesterday afternoon.

## LETTERS To The Editor Of The Whig

Fostering Smuggling Evil. Sir: The country is aroused over smuggling. Our governments are fostering this evil by fostering bootlegging into Vermont and New York States. The Federal government will give clearance papers to cargoes of liquor consigned to Cuba. The return trip is made in less than a day—just long enough to reach some U.S. landing and return. Now the return trips of these dare-devil men—in many instances gun-men—are not made empty. Their consciences are good for the same kind of work both ways. Will the governments learn of yet another source of viciousness in the liquor traffic?

L. M. ENGLAND, Kingston, Feb. 11th.

### KINGSTON ROTARY CLUB.

A. H. Carr Spoke on Extensive Work at Queen's University. "Forty years ago Queen's University conceived the idea of helping people outside the University to get an education and at that time other Canadian Universities laughed at the idea and even treated it with open hostility," said A. H. Carr, Director of Extension Work of Queen's University, speaking at the regular luncheon of the Rotary Club, Thursday noon.

Mr. Carr said that since the war, there had been a tremendous increase in the extension movement, and many of the universities who laughed at Queen's in the early days, were now devoting considerable attention to the work. There were three departments in the extramural work at Queen's—Banking, Charted Accountancy, and Bachelor of Arts. In all 1,500 students outside the University were taking courses. All the work could not be carried on entirely without lectures, and therefore the Queen's Summer School had come into being to accommodate these students. Mr. Carr thought that some of the extension work at Queen's would be of great help to the businessmen of Kingston if they wished to avail themselves of it.

A vote of thanks was moved and seconded by Rotarians Bill Coyle and Ray Vanliven. Rotarian Coyle noted that some of the American Universities were broadcasting extension lectures over the radio and he thought that in time as the station at Queen's was improved, this would be a practical move here.

### REPORTS OF OFFICIALS.

On Attendance in Public Schools and the Collegiate Institute. At the meeting of the Board of Education on Thursday night, Inspector J. Russell Stuart reported on the attendance in the public schools in January.

The total enrolment at the end of the month was 2,756, an increase of 13 over last year. The number of beginners applying for admission was small, the smallest on record. The fact that the beginning of the school year in September is the best time to initiate new pupils, both in their interest and that of the school, is becoming better known. The average daily attendance during January was 3,290, or about 200 below the normal, due to the prevalence of communicable diseases. Principal E. O. Sitter reported the enrolment at the Collegiate Institute for January was 759, a decrease for the year of 7; the average attendance was 701, a decrease of 3.

## THREE OF NAPANEE'S HOMES ARE BURNED

The Owner of One, Mrs. Peterson, Has Been in Kingston General Hospital.

Napanee, Feb. 12.—On Tuesday night shortly after midnight fire was discovered in the home of Mrs. James Benn, Bridge street. The firemen were quickly on the scene and soon had the blaze under control. The kitchen and summer kitchen were badly burned. A strong north-east wind was blowing and many houses near by were in danger.

On Wednesday night about eleven o'clock fire was discovered in the home of Mrs. Fred Peterson, Mill street. The dwelling was a wooden structure, and before the firemen arrived, the fire gained great headway, and it was impossible to save the building. Mrs. Peterson is an elderly lady, and for the past two weeks has been in Kingston undergoing treatment. Her daughter, Mrs. Goulding, who lives with Mrs. Peterson had just left the house a short time before the fire was discovered, and was on her way to Kingston to visit her mother.

Wednesday afternoon, Isaac B. Taylor, Richmond, lost his residence by fire. The origin of the blaze is unknown. The loss is partly covered by insurance. It is only three or four years ago since Mr. Taylor lost his home by fire, and the brick residence now burned was practically a new one.

### VISITORS AT CROYDEN.

The Movements of People to and From Village. Croyden, Feb. 10.—Messrs. P. Nolan, W. McKeown and S. Close are busy drawing wood to Napanee. George Barragar spent Tuesday in Napanee. Little Iva Harten, Robin, is spending some time with her aunt, Mrs. Ross McGregor. Miss Agnes Nolan has returned home after an extended visit with friends at Toronto, Napanee and Selby. Mrs. A. Wilson called on Mrs. A.

## A Severe Illness Caused Constipation

Mrs. Wm. Hill, Wapella, Sask., writes: "Three years ago I had a very severe illness, and ever since I have suffered with constipation. A few months ago a friend advised me to use

which I did, although not expecting any results, but I am pleased to say that since using them I have had perfect use of my bowels without any trouble or pain, and have never had bleeding piles since. Now, I never fail to recommend 'Laxa-Liver Pills' to all my friends." Put up only by The T. Milburn Co., Limited, Toronto, Ont.

Satisfied with the price, satisfied with the quality. When you buy here you have the added comfort in knowing that you are protected from inferior goods.

## JAMES REID

THE LEADING FUNERAL SERVICE.

Phone 147 for Service.

Hughes last week. Mr. and Mrs. Rufus Lewis and Ronald Partington were Sunday guests at W. B. Close's. Miss Edna Doupe spent the week-end at her uncle's, Albert Hughes. Misses Agnes, Marguerite and Elizabeth Nolan had Sunday dinner with Mr. and Mrs. Vincent Powers.

Mrs. W. B. Close and Agnes Nolan spent Tuesday evening at Stewart Close's. Mrs. Stewart Young is with her father, David Barragar, who is seriously ill. Miss Marguerite Nolan is with her sister, Mrs. Joseph Murphy, Stratford. George Black, Camden East, had dinner with his daughter, Mrs. W. B. Close, on Saturday. Mrs. Stewart Close is in Kingston for a few days this week. Miss Helen Ames spent the week-end with her parents at Moscow.

### Passing of Mrs. C. M. Howe.

After an illness of four days Mrs. C. M. Howe passed peacefully away Friday night at the home of her son, Mr. W. M. Howe, Calgary. Deceased had resided in Calgary since 1912 with her son and daughter-in-law, going from Arnprior, where she had lived the greater part of her life. She was borne in the township of Kitley, Ont., on March 11th, 1859, and was in her eighty-seventh year at the time of her death. Deceased was a daughter of the late Samuel Graham who, for many years, was superintendent of the schools for the counties of Leeds and Grenville. She was a woman of remarkable memory and an hour before her death she repeated the 23rd Psalm and 14th chapter of the gospel of St. John.

Scotland Yard is protesting the "help yourself" fashion of wearing pearl and diamond necklaces with strings down the back, now the craze in London. Electric block signals, such as those used on railroads, have been placed on the principal toboggan slides in Germany.

## Piles Disappear

No Cutting or Salves Needed

External treatments seldom cure piles. Do not do surgical operations. The cause is inside—bad circulation. The blood is stagnant, the veins bulge. The bowel walls are weak, the parts almost dead. To quickly and safely rid yourself of piles you must first get the circulation—send a fresh current through stagnant pools. Internal treatment is the one safe method. Ointments and cutting won't do it. J. R. Leachford, M.D., a specialist, set at work some years ago to find a real internal remedy for piles. He succeeded. He named his prescription HEM-ROID, and tried it in 1899 cases before he was satisfied. Now HEM-ROID is sold by druggists everywhere under guarantee. It is a harmless tablet, easy to take, and can always be found at Jas. B. McClellan's, who will gladly refund the purchase price to any dissatisfied customer.

Money lost through theft of unregistered war savings stamps can not be recovered in the courts in suits against the United States.

Eighty per cent. of the population of India get their living out of the soil.

## Quick Relief For Rheumatics

Local Druggists Sell Rheum on Money-Back Plan.

If you suffer from torturing rheumatic pains, swollen, twisted joints, and suffer intensely because your system is full of that dangerous poison that makes thousands helpless and kills thousands more before their time, then you need Rheum, and need it now. Get taking it today. Rheum acts at once on kidneys, liver, stomach and blood, and you can sincerely exclaim: "Good ridance to bad rheum!" Many people, the most skeptical of skeptics right in this city and in the country hereabouts, bless the day when Jas. B. McClellan and other druggists offered Rheum to the afflicted at a small price and guaranteed recovery refunded if not satisfied. If you have rheumatism get a bottle of Rheum today.
