Authorities differ as to whether a poker room should be classed as an ante-room or a drawing room. Nova Scotia produces about 000,000 barrels of apples annually

We have endeavoured, to the best of our ability to supply our customers with Coke and Anthracite Coal during the last month or six weeks, and we feel sure that this combination has given better satisfaction than so-called Smokeless Coals or other mixtures. Now that try and get along with what we have to offer until such times as we can procure further supplies of Anthracite (Hard) Coal. Coke prices have advanced so in the last fortnight that we are remaining out of the market for the time being, as we feel sure that the public would the larger centres. To our many customers who have been using Welsh Coal we wish to intimate that we expect a cargo of this coal about March 10th.

Again, asking for your co-operation and indulgences until
