CITY AND DISTRICT

Preparing Estimates. The various committees of the City Council now have the big job of the year, that of preparing their estimates for the budget.

Had Special Music. Included in the special music of Princess Street Church on Sunday, was Mr. Bert Couper's anthem, "Rejoice! The Lord is King." Excellent congregations were present at both services.

To Visit the Old Land. Rev. E. Richardson Kelly, pastor of Western United Church, Ottawa, and formerly of Cataract, has been granted two months' leave of absence during July and August to enable him and Mrs. Kelly to take a trip to the Old Country.

Drank "Rubbing Alcohol." There was a very short session of the Police Court on Monday morning. One drunk was the only offender. He told the magistrate that he had been drinking "rubbing alcohol." A fine of \$10 and costs was imposed.

Level of Lake Still Lowering. Average levels of Lake Ontario for the month of January show that the lake was about three and one-quarter inches lower during the month than in December, although since 1860, the January level has averaged about .02 foot higher than the December level.

At Gospel Tabernacle. Mr. Robert Carter of Toronto delivered an interesting and forceful sermon at the Gospel Tabernacle at the evening service on Sunday. The attendance was very large at the service, and the Sunday School classes in the afternoon were also well attended.

Goes to Florida. Police Constable Arthur Booth, on the Belleville police force for five years, has tendered his resignation and will leave for St. Petersburg, Fla. He has secured a very lucrative position as superintendent of the United States Septic Tank Company, of which his uncle, Mr. George Detlor, is president and general manager.

The Late Thomas Henry Parslow. At his residence in Lyn on Thursday the death occurred of Mr. Thomas Henry Parslow, who retired from his farm, near the Tinicap, and moved to Lyn about a year ago. The late Mr. Parslow was born at Rockspring seventy-three years ago, son of the late Mr. and Mrs. John Parslow, and for fifty years followed farming near the Tinicap. He had been in poor health for a couple of years.

Deceased, who was a member of the United Church of Canada, was a

Mason and a member of the A.O. U.W. Besides his wife he is survived by three sons, Messrs. Horton Parslow, on the homestead; Clifford, in Watertown, N.Y.; Wilfred, at Lyn; two daughters, Mrs. William Haggerty, Kingston, and Miss Myrtle Parslow, Brockville.

A Helpful Sermon. Rev. Dr. W. T. G. Brown, in Sydenham street United Church on Sunday morning, preached a very helpful sermon on the subject "Father and Son," pointing out the close relations that should exist even in face of the complex character of modern life. Nothing was so helpful as the respect and veneration of the son for his father and the father's love and encouragement for the son. Good family training went a long way in making boys and girls safe from the world's temptations.

Local Union Elected. For the past two months negotiations have been going on between Knox (former Presbyterian) and Asbury (former Methodist) churches, Perth, with a view to local union. The basis drawn up by the negotiating committees, and passed by the boards of the respective churches, received the unanimous approval of the congregations. The new congregation will be known as the United Church of Canada, and the edifice to be used will be that formerly known as Knox Church. The union will be effected on April 1st.

St. George's Mission Event. The children of St. George's Mission Sunday School in charge of Miss L. Ryder, superintendent, held their annual sleigh drive on Friday last. It was thoroughly enjoyed by all present. Many thanks were given the president and ladies of the Sewing Circle who kindly arranged for the drive and refreshments also to the teachers and helpers who kindly gave their services. Following the children's party all were entertained who helped, Mrs. Beance played at the piano and pretty songs were rendered by Miss L. Ryder and Mrs. J. Rank.

Celebrated Ninetieth Birthday. On January 30th, Mrs. Susanna Noxon celebrated her ninetieth birthday at the home of Mr. W. D. Noxon, Pieton. The hostess, Mrs. W. D. Noxon, served a fowl dinner to the immediate relatives of Mrs. Noxon. The birthday cake centred the table and was the great attraction, as it was decorated with candles and figures of the age of celebration. Mrs. Susanna Noxon, despite her four-score years and ten, was able to cut the cake, and extinguish six of the candles. The rest were quickly extinguished by her great-grandson, Rexford, their being four generations present, and also Mrs. P. Pearsall and Mr. and Mrs. Bert Redner, of Rednersville.

OBITUARY

Late Mrs. Alice M. Gibson. A very well known and highly respected resident of the city passed away on Friday at her home, 81 Princess street, in the person of Alice Maud Gibson, widow of the late William H. Gibson, who predeceased her thirteen years ago. The late Mrs. Gibson was born at Collin's Bay and resided there with her family until after her marriage when she came to the city to take up residence. She was the daughter of the late John Ashley of Collin's Bay.

Deceased had attended Princess Street Methodist church until illness prevented her. She was a woman of very charming character and made a host of friends by her splendid qualities. She had been ill for some time past but had not been confined to her bed until the last two weeks. Her last illness resulted from a partial paralytic stroke. She was in her seventy-ninth year. She is survived by one daughter, Mrs. A. K. Routley of this city, and two brothers, J. E. Gibson of Oakland, Cal., and G. E. Gibson of this city. The funeral took place on Monday afternoon from her late residence to Cataract cemetery. The funeral service was conducted by Rev. G. A. Brown and Rev. J. K. Curtis.

Late Mrs. Mary A. Sears. Mrs. Mary Ann Sears, aged eighty-one years, passed away on Saturday at her late residence, 35 Sixth street. The deceased was born in Storrington but had lived in Kingston for some time. The funeral took place on Monday from her late residence to Cataract cemetery.

Late Mrs. Barbara Kennedy. The death of Mrs. Barbara Kennedy occurred on Monday morning at the residence of her son-in-law, Daniel M. Barr, 268 Queen street. The deceased was born in Scotland and had resided in Kingston for some time.

Death of Major Wright. Word has just been received by Mrs. Carr-Harris of the death of her brother, Major Arthur S. Wright, officer in command of the Royal Canadian Artillery at Esquimaux, B.C. Major Wright, one of the late E. V. Wright of Ottawa, received his training in Professor Glover's private residential school for boys at Hillcroft in this city, from which he entered the Royal Military College. Receiving a commission in the R.C.A. he was stationed as lieutenant at the Citadel, Quebec, until the war when he received his captaincy and was sent to the front. Gassed three times from which he never fully recovered and which led ultimately to his untimely death, and having received his majority, the D.S.O. and the M.C., he was promoted to the staff at the War Office where he rendered efficient service until the close of the war.

Major Wright leaves a widow, formerly Miss Dorothy Abern of Quebec, and two children to mourn his loss. The remains are being sent to Ottawa for interment.

The Late Gustave Prager. The death occurred in the Bellevue Hospital, New York City, of Gustave Prager, son-in-law of Mrs. Charles Smeaton, 69 Raglan Road. The deceased, 69 Raglan Road, some time, but his death came as a shock to his friends. He is survived by his wife (formerly Emma Smeaton), Rochester, N.Y.; two daughters, Annie and Kathryn, also of Rochester, and three sons, Karl and George, Windsor, and Fred, Rochester.

CABINET RE-ORGANIZATION. May Involve Only a Few Bye-Elections.

Ottawa, Feb. 15—Re-organization of the cabinet will, it is understood, involve only a few bye-elections. The process, it is expected, will be one of cutting down a number of portfolios by amalgamation of departments, rather than attempting to fill all vacancies now existing. The appointment of two ministers from Ontario and one from Saskatchewan may complete the re-organization as far as new appointments are concerned. It is rumored now.

The names of W. D. Euler, member for North Waterloo, and James Malcolm, member for North Brice, are mentioned in connection with the Ontario appointments. Premier Dunning has been mentioned repeatedly as the new man to be taken in from Saskatchewan.

The Hamilton Club of Queen's University held a meeting Monday afternoon. Several matters of interest to the members were discussed.

On Feb. 13th, 1843, Kingston was officially proclaimed the capital of Canada. For community good the public spirited man can get his field of operation too large.

DAILY MEMORANDUM. Read at Palace Hotel to-night. 12.15 concert, Tuesday, Feb. 15th, Orange Hall, in aid of True Blue Orphanage.
