## KINGSTON FINDS HARDER GOING

### Got Two-goal Lead Over Markham Team in First Game—Score 3-6.

(Special to the Whig).  
 Markham, Ont., Feb. 17.—In the first of home and home games in the third round played here last night the Kingston Junior O.H.A. team won from Markham by 3 to 6. The game was an hour and a half late in starting owing to the fact that the bus bringing the Kingston players from Toronto broke down on the way causing a long delay. The rink was packed by a record crowd which waited patiently and were well repaid after the game started under way. From the face-off Kingston scored one and the home boys came right back with another counter, shortly after notching a second one which was disputed but allowed and the goal umpire replaced. The game was very fast all the way, the visitors combining nicely for two more before the period closed.

After the rest they went into the fray again and the play moved up and down the rink with lightning speed keeping the crowd on edge all the time each team scoring alternately. The score at the end of the second frame being 5 to 3 for the visitors. The home boys usually come strong at the end and last night's game was no exception. Soon after the last period started they had the score tied at five all but the superior combination and speed of the visitors soon gave them three more goals. The Kingston forward line worked a beautiful three man combination, Markham lacking in that respect.

The players all worked hard and it would be difficult to pick any special stars. Both goalies put up a stellar performance making many wonderful stops. Underwood for the homesters showed some great speed and clever stick handling and with Stevenson and Lunau made a strong defence. As this is their first year in the O.H.A. the Markham

boys deserve great credit for the way they held the heavier and more experienced Kingston team to so close a score and the return match in Kingston on Friday night should provide some excellent hockey. There were few penalties the game being the fastest and best seen here for a long time.

The line ups:  
 Kingston—Goal, Taughter; defence, McKelvey, Vass; centre, Reid; wings, Hartley, Patterson; sub., Smith, McPherson.  
 Markham—Goal, Lunau; defence, Stevenson, Underwood; centre, Mason; wings, Clendenning, D. Crosby; sub., H. Crosby, Andrews. Referee—Harold Farlow, Toronto.

### PHILLIPS TALKS BUSINESS WITH MONTREAL PROS.

Sault Ste. Marie, Feb. 17.—Phillips, much sought after centre player, left for Montreal, where he will confer with George McNamara, former coach of the locals, and who handled the team for a part of this season. Phillips had received a very tempting offer from New York, but announced that he would remain with the Soo on condition that McNamara act as coach of the team. Phillips has remained with the Soo for four games in the absence of McNamara on business in the east, and says that he will come back from Montreal in time to join the Sault team in St. Paul.

According to reliable information Phillips has an offer of \$19,000 for a three-year contract with the Montreal Maroons. Early in the season Phillips had received offers from the New York team.

### "Cha" Making Bets.

Any time that Boston and New York meet, Dr. Stewart and "Red" Green have a friendly bet. "Doc" wagers that "Red" will not score a goal on him, and the sorrel-top has accomplished the feat but once this season. In the last game they played Green got in on top of Stewart on several occasions, but Charlie always managed to block him. The last shot Green made was caught by the former Tiger goalie, and he handed it to "Red" and told him to throw it in.—Hamilton Spectator.

## THE VIC-BOOHOOS TO MEET OLYMPICS

### Queen's Juniors Clash With the Alerts in the City League.

Another City Hockey League triple header featuring one senior and two fast junior games is the hockey schedule for tonight. The hockey displayed in Monday night's games was even faster than that shown in the first half of the League and it is likely that there will be a large crowd on hand to see how the teams perform tonight.

The Olympics and Victoria-Boo-hoos will open up the programme in a junior fixture and this will be followed by the senior clash between Queen's and Regiopolis. Alerts and Queen's will play the final game of the night and should bring the attraction to a close with a real fast game. The Queen's juniors have great hopes of collecting the honors in the second half and as they suffered a defeat in their first game at the hands of the Maroons, they will have to step some to jump into the lead. The Regiopolis Club, Queen's seniors, Olympics and Victoria-Boo-hoos will be playing their first game of the second half of the schedule and all intend making a strong bid to open up with a win.

### OSLERS PREPARING.

#### Enthusiastic Over Prospects for Coming Season.

Toronto, Feb. 17.—The Oslar Athletic Club held a very enthusiastic meeting recently when baseball was discussed from every angle.

Nearly all last year's players were on hand, with a few new faces, whose names, when revealed, will surprise the fans in the city. All the players are looking forward to a banner year, and their proposed trip this summer to Western Canada.

The following are the officers for 1926: Hon. patrons, W. A. Porter, D. H. Reid, Lou Marsh, J. Noble, Sr., R. W. Greer, Kim Downs, T. Westman, W. Cornack, W. Hamilton, William Marshall, S. Downard, Charles Gladwin, Thomas Ashton, Frank Young, Harvey Cann, Sr., and F. Cuthbert; president of Winnipeg A.B.A.; hon. president, S. H. Armstrong; hon. vice-president, E. P. Atkinson; president, Grant A. Edwards; vice-presidents, R. J. Espie, Stan Marshall, E. J. Blackley, F. Ibbotson; manager, Fred Hamilton; business manager, H. W. Bell; captain, Tom Burt; treasurer, Glad Calhoun; secretary, G. Cameron; trainer, Roy Howard; club physician, Dr. Dave Perlman.

### No Resin to Be Used in the International

New York, Feb. 17.—The International Baseball League adopted a 1926 playing schedule without inter-sectional closing dates and rejected the proposed use of resin by pitchers.

In its decision against the return of resin, the International joins the American League in fighting the restoration of the "foreign substance" which was banned several years ago by organized baseball as contributing to "freak deliveries."

The league also voted to reject revised sacrifice by rule, which the joint rules committee at a recent meeting here decided to make applicable in all cases where a runner advances a base. Hitherto a sacrifice has been credited only when runners scored from third base.

### SUZANNE LENGLEN STILL CHAMPION

Above is a picture of the French lady who has yet been unconquered on the world's tennis courts by women players. The second picture is that of Helen Wills, United States champion, whom Suzanne vanquished at Cannes, France, on Tuesday.

### SAYS MIKE IS O.K.

Montreal, Feb. 17.—Leo Dandurand of the Canadian Hockey Club has returned from Toronto where he attended the meeting of the N.H.L. at the week-end. The managing Director of the Canadiens expressed regret that the incident in connection with Referee Mike Rodden and a spectator at the arena recently had been taken to the courts and emphasized a statement that the Canadiens had absolutely nothing to do with Rodden's arrest.

In fact, Dandurand believes Mike Rodden to be a good referee, and states that he is willing at any time to have him handle games in which Canadiens play, even to being in charge of games in Toronto in which Canadiens meet the home team, the St. Patrick's.

### Jennings Must Rest.

Scranton, Pa., Feb. 17.—Hughy Jennings, assistant manager of the New York Giants, is at Asheville, N.C., resting from the strain of the 1925 season and from an attack of grip, which kept him in bed at his home here for a week last month. Dr. Martin T. O'Malley, his physician, announced in a statement, Dr. O'Malley denied reports that Jennings had been sent to Asheville because he was suffering from tuberculosis.

"About three or four weeks ago he suffered an attack of the grip, which sent him to bed," said Dr. O'Malley. "A complete rest was necessary to prevent any further breakdown. I recommended Asheville, and a week ago he left here. He departed from New York for Asheville last Sunday.

"Hughy can hardly hope to do anything for three months. We are satisfied that with a real rest for that period he'll be O.K., although we cannot expect him to do the work this season which he did in 1925. He has been instructed to rest."

## SPORTING NOTES AND COMMENT

The Ottawa football team, senior Dominion champions, are not only prominent on the gridiron; but can handle themselves very well on skates. A very fine hockey team could be produced from the Queen's senior football squad also. "Chicks" Mundell, Harry Batstone, "Bubs" Britton, "Gib" and "Red" McKelvey, Carl Voss and "Baldy" Baldwin, all are puch chasers of ability. Harry Batstone has not indulged in Canada's favorite game in some time and he might forget himself and kick or throw the puck around if he donned the blades again.

The Sydenham Maroons certainly put up a great battle against Queen's in the Junior City Hockey League Monday night. The Maroons were without the services of one of their star performers, who plays for the Kingston Junior O.H.A. team and was resting up for the game Tuesday night, and they had a hard time rounding up enough players for the game.

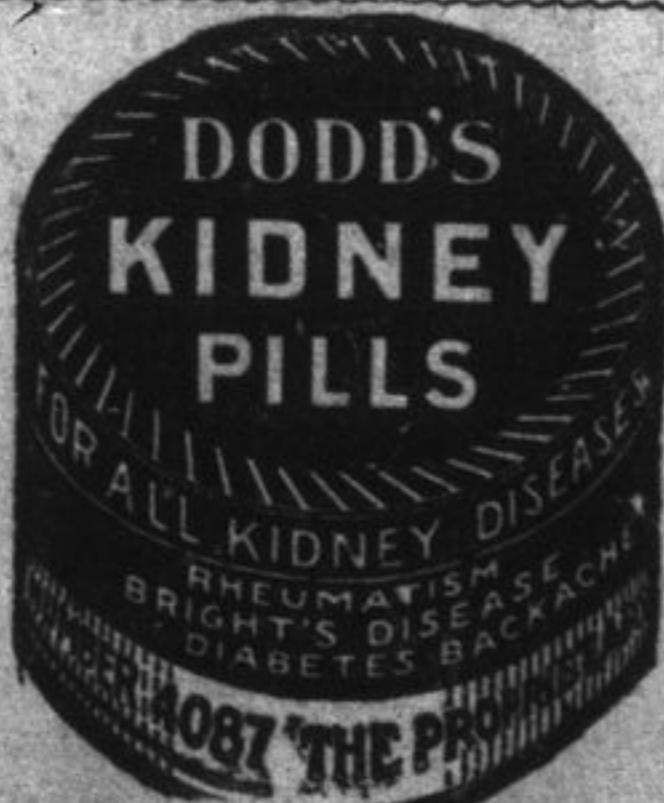

Three fast games are carded in the City Hockey League at the Arena to-night. That the brand of hockey has improved since the first half was shown in the games Monday night, and that is saying considerable. This season is about the most successful the local City Hockey League has ever experienced and much credit is due to the executive for the capable way in which things have been run.

West Point has yet to defeat R.M.C. in their annual hockey matches, but Coach Ray Marchand of this city has moulded a fast six this season and is confident that the boys from across the border will turn the trick when they meet the college team at the Arena Saturday night. They will meet opposition as strong, if not stronger, than ever in the cadets from Point Frederick.

There have been very few opportunities for ice boating on the harbor this winter and the followers of this winter sport are anxious for another thaw and then cold weather again. Ice boating has died down in Kingston in the past few years and now races are a thing of the past.

Oshawa plays at Cornwall to-night for the honors of Intermediate O.H.A. Group No. 1. The Motor City team has a two-goal lead, but this will not mean much when they stack up against Cornwall in the latter's home town. For the sake of Oshawa, it is hoped that the referee who handles the game will keep things in hand.

Although the R.C.A. senior City League hockey team was defeated by a large margin in the game with the Frontenac Regiment on Monday night, it showed much better form and the new players obtained from the Inter-Company League strengthened the team greatly. With more practice, the R.C.A. should step with the best in the City League.
