

INTERESTING REPORT UPON AGRICULTURE

Conditions in Ontario Are Good—Fine Winter Has Helped the Farmer.

The following report of agricultural conditions is made this week by the Ontario Department of Agriculture:

The weather really means a great deal to a farmer not only as it affects his personal comfort but more particularly as it influences farm operations, costs and profits.

vested under favourable conditions, particularly in dairy districts. All kinds of stock are doing well, with an indicated increase in the production of dairy and poultry products.

Extraordinary conditions of the County reports follow:—Dundas—Farmers are buying shorts and bran at \$30 and \$32 per ton.

Halifax—A large quantity of first cutting alfalfa is being sold at \$19 per ton F.O.B. Cayuga.

Lennox and Addington—Timothy and Red Clover are rapidly being replaced by alfalfa in this County.

Ontario—Ontario County Yorkshire breeders are finding a market for bred young sows in Wisconsin at attractive prices.

Peterboro—The quantity of milk being produced now is probably double what it was a few years ago.

Prince Edward—Increased interest is manifested in winter feeding of beef cattle.
