Remedy

Mrs. F. H. Miller, 1843-11th Ave. East, Vancouver, B.C., writes:— "Five years ago my husband suffered terribly with severe attacks of pal-pitation of the heart and smothering spells, and two doctors stated that he could not possibly live six months.

A friend recommended Milburn's H. and N. Pills, with the result that my husband is still enjoying life at the age of 84 years.

He has improved so wonderfully that he can now climb the stairs without having those awful pains in heart."

GREAT NEW MYSTERY SERIAL

By Ernest Lynn

Henry Rand, 55, a business man, is found murdered in a cheap hotel in Grafton. The only clews are a woman's handkerchief and a yellow ticket stub from a theatre.

Jimmy Rand, Henry's son, and Detective Mooney trace the ticket to a Thomas Fogarty, who says he gave it to a woman named Olga Maynard. Police search for her.

Jimmy meets and falls in love with Mary Lowell, and gets a job in her office. Later he accidentally encounters Olga Maynard. He meets her at night and confronts her with the evidence against her. She faints when he says she is suspected of murder. He is in the street holding her when he sees Mary Lowell and a man companion watching them.

The next day Jimmy learns Mary's companion was Samuel Church, a wealthy lawyer. Mary refuses to speak to Jimmy and later in the day he is discharged. He gets a phone call from Police Lieutenant O'Day to come down to headquarters.
