THE QUEEN'S ALUMNI ASSOCIATION MEETS

Kingston Branch Elects Officers—The Endowment Campaign Is Discussed.

The Endowment Campaign was the chief topic discussed at the fifth annual dinner of the Kingston Branch of the Queen's Alumni Association, held in the Queen's Cafe on Wednesday evening. Principal Taylor and Mr. S. Stafford, jr., campaign secretary, were the chief speakers, the former outlining the need for an increased endowment and the latter dealing with how it was to be raised. Prof. E. N. Graham, president of the Kingston Branch, presided and about fifty graduates were present. The election of officers resulted in returning Prof. Graham as president; Lt.-Col. W. P. Wilgar, vice-president; G. J. Smith, secretary-treasurer, and Allan McKiejohn, George C. Wright, G. S. Otto, Dr. Day, Prof. Neish, Fred Graves, Jack Hickey, A. C. Hanley, J. B. Cockrane and C. S. Kirkpatrick, executive committee.

That the University now cost \$500,000 a year to run; that the revenue just balanced the expenditure; that the expenses were rising rapidly, and that there was no likelihood of any increase in the revenue, were some of the reasons given by Dr. R. Bruce Taylor for the instituting of an Endowment Campaign for Queen's University just at this time.

Another point touched on by the principal was that the salaries of the professors were too low for them to be able to settle down to their work with the assurance that they could provide for old age. At the present time the scale of salaries is \$4,000 for the head of a department, \$3,100 to \$3,400 for a professor, \$2,500 to \$3,000 for an assistant professor, and \$2,000 and less for lecturers. Primarily the need was for money for salaries and not for new buildings, said Dr. Taylor.

Overhead was rapidly increasing owing to the fact that new buildings were being erected and the Government had in effect stated that the grant could not be increased, he continued. For these reasons the University would face a deficit this year.

The principal declared that the Campaign Committee was getting a great deal of assistance from members on the staff but it would be necessary for all the graduates to get enthusiastically into the effort if it was to be a success. He intimated that at the end of this week he would leave with Mr. Stafford to be absent about a month on the preliminary organization work in Canada and the United States.

Mr. Stafford briefly told the Alumni of the organization work and how it was proposed to raise the two and a half millions. He made an appeal for the graduates living in Kingston to aid as much as they were able the reunion to be held in this city in the fall.

Col. Wilgar declared that there was no question but what the objective could be reached if the graduates would get behind the proposition without criticism. He said that he did not think the University expected an exorbitant sum from each graduate but it did expect co-operation. Prof. Stanley Baker, A. E. Day and A. C. Hanley also spoke.

DIED AT WESTBROOK.

The Late Mrs. Henry Evans—Meeting of the U. F. O.

The death of Mrs. Henry Evans occurred at her home on Tuesday, 23rd. The funeral took place on Thursday afternoon from her late residence. Service was conducted by Rev. Dr. Cooper. The remains were laid in Cataract cemetery vault.

The recent snowstorm has put the highway in perfect condition. The monthly meeting of the Women's Institute was held at the home of Mrs. A. Hagadorn with a good attendance. Mr. and Mrs. J. D. Shibley of Harrowsmith were recent visitors at A. M. Smith's.

A number of the United Farmers from this place attended the banquet held in the Belmont cafe on Tuesday. Mrs. G. Cadott is spending a week with her daughter, Mrs. A. Babcock, Cataract. Mrs. A. N. Smith entertained the members of the Dramatic Club on Thursday night. Mrs. Shea of Kingston is spending a week the guest of Mrs. L. Ryland.

J. J. Morris held a meeting in the interest of the U.F.O. in the hall on Wednesday night. A large number attended.

TRANSGRESS LAWS OF GOD.

Evangelist Chapman's Message at Alfred Street Church.

"Jesus taught that many people brought disease upon themselves by transgressing the laws of God, and that health could be preserved only by obedience," declared Evangelist Chapman, at the new church on Alfred street last night.

"The physician should teach his patients that they are to co-operate with God, in the work of restoration. The physician has a continual increasing realization of the fact that disease is the result of sin. He then called attention to the poisons taken into the body through the use of tea, coffee, tobacco and alcoholic drinks, and also the irritating effects of strong spices, vinegar and rich unwholesome foods. Slides were used to impress these facts.

A machine has been designed that digs, cleans, grades and delivers potatoes in a single operation. Earthworms have no eyes. They "feel" light through their skin.

HUGO T. EWART
 Queen's Heccelegistia debater, who will uphold the negative on "Proportional Representation Being Adopted in Canada," in Convocation hall on Friday afternoon.

AGGRESSIVE CANVASS FOR STUDENTS' UNION

The Alma Mater Society of Queen's Takes Up the Matter.

At a meeting of the Alma Mater Society of Queen's University, held Wednesday night, it was decided to institute an aggressive canvass among the students to raise funds for the Students' Memorial Union. With \$100,000 promised from the Endowment Campaign, it is felt that it will be a comparatively easy task to raise the balance of the money necessary.

A special committee is considering a site for the new building and other matters of detail connected with starting actual building operations.

The New Dominion Loan.

The new Dominion of Canada \$45,000,000 issue of 4 1/2 per cent. bonds, due Feb. 1st, 1946, being offered at once by a strong Canadian syndicate composed of The Bank of Montreal, The Royal Bank of Canada, The Canadian Bank of Commerce, Wood, Gundy & Company Limited, Dominion Securities Corporation Limited, A. E. Ames & Company, Limited, and National City Company, Limited. The new issue is considered to be attractive, being offered at 97 and interest, yielding an interest return of 4.73 per cent.

The details of the bonds are similar to previous Victory Loan and Refunding Loan issues, in that interest is payable at any branch in Canada of any chartered bank. It is understood that the present financing completes the Dominion Government's requirements for the current year.

The proceeds of the issue are to be used for refunding purposes and will be applied toward retiring \$70,000,000 of short term notes, and \$25,000,000 of bonds, maturing April 1st. Both issues were payable in United States funds and the new issue is another step toward meeting the financial requirements of the Government by borrowing at home rather than abroad. In the present case, the interest coupons on the new bonds will be payable only in Canada, whereas the Notes and Bonds being refunded were payable in United States funds.

The bonds run for a longer term than any other direct Dominion bond available in the market. Dealers are urging clients to forward applications as quickly as possible, in order to ensure fulfillment of orders.

Sue School Board.

The Board of Education, Carleton Place, is being sued for \$3,630, according to a writ issued on behalf of Ernest Reynolds. The claim is for work done and material supplied in connection with alterations to Victoria School.
