LATE HENRY SHILLINGTON. A Resident of Odessa for About Nineteen Years. Odessa, Feb. 22.—There passed away at Odessa, on February 16th, Henry Shillington, in his seventy-second year, after several weeks' illness. Deceased was born in the County of Frontenac, having moved to this locality about nineteen years ago. The funeral was held from his late residence to the Free Methodist Church on Friday afternoon, and thence to Cataract cemetery. The service was conducted by Rev. W. Zurbriggen of Toronto, assisted by Mr. D. E. Smith of Odessa. The surviving family are his widow, Guy and Roy of Idaho, Mrs. John W. Lawler, Herbert, Robert, Bertha, Alice, Hylda and Floyd, all of Odessa, besides a number of grandchildren. He also leaves four brothers, James of Burridge, William of Kingston, Wesley of Idaho, Nathaniel of Bob's Lake, and two sisters, Mrs. Jane Quinn of Pennsylvania, Mrs. George Bradshaw of Saskatchewan, and a host of other relatives and friends. Mr. McGinnis, Methodist Conference evangelist, and two years later united with the Free Methodist Church.

HAVE DARK HAIR AND LOOK YOUNG. Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for only 75 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair. Well-known druggists say everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

BACKACHE GIVEN QUICK RELIEF. Tried simple home treatment and pain stops. An aching back is often the result of tired, over-strained muscles, and can be given quick and complete relief with a very simple home treatment. "I had such a backache I didn't know what to do," writes a New York woman. "I looked through my medicine cabinet to see if I could find something to help me—and there was a bottle of Sloan's Liniment. I used it, and in half an hour I was better. The next day I went to a big engagement party. Now, when anyone has a pain, I say 'use Sloan's.'" The marvelous effectiveness of Sloan's is due to the stimulating effect that it has upon the circulation. Straight to the sick, aching tissues, it sends a healing tide of fresh new blood—clears out the trouble—kills the pain. So pleasant and clean to use, too. You don't even have to rub. Just pat it on gently and you will get immediate results. All druggists—25 cents. A micro-micro-second, a millionth of a millionth of a second, can now be measured by a new invention.

No. 182, Stella, was held on Friday evening last to welcome to their midst the Most Worshipful Grand Master of Ontario East, Bro. Henry A. Graham of Kingston. Mr. Graham has made many visits to the island in past years, but this was the first in his official capacity of Grand Master. Bro. Graham addressed the brethren of the local lodge for about an hour. His address was very interesting and instructive. Short speeches were given by Bros. A. A. Finlay, Herman Finlay, Rev. R. G. Fry, W. D. Saunders and others. At the close of the meeting lunch was served. There was a special turnout of members. Brother Graham spent Saturday on the island and returned to the city on the evening train. A meeting of the officers, directors, subscribers and possible subscribers of the Amherst Island Telephone Company was held on Thursday afternoon, February 11th, in the town hall, to meet and hear Mr. F. Perry, president of the Perry Telephone system, of Napanee. Mr. Perry has entered into negotiations with the Island company for the purchase of the line here. It is Mr. Perry's desire to win the whole of the island and link it up with his extensive telephone system on the mainland. There is every possibility

that the deal will go through. Mr. Gralings, town clerk, Napanee, accompanied Mr. Perry to the island. The concert held under the auspices of the United Church in Victoria Hall on Monday evening last, was a decided success. Mr. Parrott, the Ramleigh retailer, has completed his rounds on the island and left for his home at Storms' Corners on Friday. The congregation of St. Paul's Presbyterian church held their annual event in Victoria hall on Saturday evening last. Each family brought along a good-sized basket of eatables and a very pleasant evening was spent. Rev. Mr. Hill of Kingston occupied the pulpit of St. Paul's on Sunday. John Miller, caretaker of Stella Point for several years, has purchased Capt. John Fleming's house in the village and will take possession about April 1st. Mrs. Hugh McCormick, who has been seriously ill for the past few days, is under the care of Dr. H. S. Northmore, Bath. Three more homes are quarantined here for measles, Hartley Fleming's, T. A. Glenn's and Robert Filson's. Messrs. Clement and Henderson, Selby, and J. Rutan, Bath, and William Patterson, Pittsburgh, purchased and took away a number of horses from here last week. Stanley Connors, who has been purchasing and shipping calves to the American market this winter, has gone into partnership with Royal Wemp. They will be known in future as Connors and Wemp, butchers and drovers. We wish them success in their new business. W. and Mrs. Randall, Napanee. The colt which made such a sensational get-away from the stable here on Wednesday morning last was located and brought back by the owner, Ross McKee, on the following day. It was caught at the rear of a farm just east of Coverdale's Point, on the Front Road. W. A. Scott, who recently underwent an operation in the Kingston General Hospital, is reported as doing fine. S. A. Pringle returned home on Saturday after a short visit with friends in Napanee. Mrs. R. P. Sanders has returned home after spending a week with her sister, Mrs. A. J. Asselstine, Kingston.
