SPORT

KINGSTON HOCKEY FANS ARE INCENSED

Over One of the Final Kingston-North Bay Games Not Being Played Here.

Despite the efforts put up by a deputation from Kingston to have the first game of the North Bay-Kingston playoff in Kingston, announcement is made that both games will be played in Toronto on Monday and Wednesday of next week.

After Kingston had defeated Owen Sound, they were to meet the winner of the North Bay-Iroquois Falls series. North Bay won that, defeating Iroquois Falls by 12-10 on the road. In the meantime the deputation from Kingston was fighting for a game in Kingston, but it was pointed out by the O.H.A. that there was a written agreement between the N. O.H.A. and the O.H.A. that their games would be played in Toronto. However, the O.H.A. declared that if North Bay had no objection, they could play in Kingston if they wanted. This is according to information received.

There has been a general mixup and entire dissatisfaction in the arrangements, and those connected with the doings of it are disgruntled. Mr. T. A. McGinnis, one of the members of the Ontario Athletic Commission, insisted that Kingston should have a game here. He pointed out that thousands of dollars was being expended on sport by the commission in this section of the country and it was only right and proper that one of these games should be played in Kingston, not taken to Toronto. His view was supported by Mr. J. S. McDonnell, Secretary of the Athletic Board of Control of Queen's, and also a member of the executive of the Kingston Hockey Club and it was supported by other members of the executive.

A meeting was held by members of the executive, and Mayor Angrove and Mr. McGinnis, and W. P. Hughes and Mayor Angrove were selected as a delegation to interview the O.H.A. with regard to having one of the games played here. From what can be learned, some of the members of the executive who had held up both hands for a game here, were evidently not so enthusiastic later on and apparently did not lend much support to having it here.

There has been considerable wrangling over the whole business, and the result is that Kingston is out of having a North Bay game here. The local fans are incensed over the high-handed action of somebody. The team here wins and then has to go to Toronto out of their district altogether to meet the Northern winners. Kingston are champions of the O.H.A., but not of Ontario and must play North Bay to get this title.

Local fans feel that there is an explanation coming from somebody as to why Kingston did not get one game. There is a strong feeling against the O.H.A., and Mr. Hewitt might do a wise thing to give an explanation with regard to the whole thing. There may be good reasons for having both games in Toronto, and then again there may not. No satisfactory explanation can be obtained.

It is entirely too bad that such conditions should arise at this time and it is to be hoped that some of the rumors that have been going the rounds are either very much exaggerated or entirely untrue.

What the Press Agents Say About Coming Attractions

CAPITOL TO SHOW "LADY WINDERMERE'S FAN"
"Lady Windermere's Fan," the Ernst Lubitsch production for Warner Bros. of Oscar Wilde's immortal dramatic classic, which is opening at the Capitol Theatre on Monday is a flashing story of England's fashionable aristocracy. Although the play is over a quarter of a century old, it is so in step with modern thought that its clever plot and witty characters are perennially fresh.

Mrs. Erylne, (played by Irene Rich), a woman of many indiscretions, has returned to England after many years sojourn abroad. Wishing to take her place in fashionable society, she hits upon the birthday party of Lady Windermere, her daughter, as a suitable occasion.

Lady Windermere (May McAvoy) is ignorant of the fact that Mrs. Erylne is her mother, and when Lord Windermere (Bert Lytell), under pressure from Mrs. Erylne, asks his wife to invite her, she refuses. By mistake Mrs. Erylne comes anyway and meets with a frigid reception. Her charm soon wins over the guests and she fascinates Lord Augustus (Edward Martindel) in spite of himself.

Later Lord Darlington, (Ronald Colman), a friend of the Windermere's in love with Lady Windermere, discovers that Lord Windermere has visited Mrs. Erylne. Darlington tells Lady Windermere her husband is unfaithful and persuades her to elope with him. She leaves for his apartment only to find there Mrs. Erylne, who had discovered her plans and wants to make her go home. They quarrel, but when Darlington, Windermere and a number of other gentlemen arrive unexpectedly, they both are driven to hiding.

Windermere sees his wife's fan and accuses Darlington of having his wife there. "He is about to search the place when Mrs. Erylne sacrifices her future by appearing and claiming the fan."

Still ignorant of their relationship, Lady Windermere appreciates the sacrifice and gladly returns to her husband. It is he who now condemns Mrs. Erylne and she who champions her cause.

Lord Augustus has been unable to forget the fascinating Mrs. Erylne, despite the disgrace of finding her in Darlington's apartment. She has also fallen in love with him and at last he proposes to her. Finally she finds happiness in his love and the knowledge that, without revealing her relationship, she has saved her daughter from the mistake that had ruined her own life.

One reason why money makes a good lobbyist is because it talks; it doesn't merely howl.

HELD A JOLLY DINNER AT FRONTENAC HOTEL
Event Under Auspices of Science '26 Was a Great Success.

The first annual year dinner of Science '26, was held in the Frontenac Hotel on Friday evening. There was a full attendance of members of the year, and the chair was occupied by H. Evans, president. Dick Law, pianist, led the gathering in popular songs, assisted by F. C. Hickman, the year soprano.

Following the toast to "The King," the toast to "The Faculty" was proposed by Mr. J. G. H. Stevenson. This toast was replied to by Dean Clark, honorary president. Dean Clark spoke briefly on the different courses in science.

The year quartette favored the gathering with a selection of their own composition.

The toast to "The Profession" was proposed by R. H. Boul, and replied to by A. C. Plewes.

The meeting was adjourned at the conclusion of the programme, and the picture at the Capitol Theatre, "Her Sister From Paris" was much enjoyed.

The committee in charge of the arrangements was composed of C. W. Nutt, W. F. Mainguy, and D. E. Angus.

If he's really a pretty man, he can stand a lot of mothering on the nights when he happens to be at home.

Among the influences that make a February day seem warm and nice is a new ensemble.

Dry books cannot always be depended upon to satisfy one's thirst for knowledge.

"She's an awful reader," usually means that she reads a lot of awful stuff.

PETERBORO WINS THE FIRST GAME
Scored a 4-2 Victory Over London at Toronto Last Night.

Toronto, March 6.—Peterboro seniors, winners of the local group of the senior O.H.A. series rose to unexpected heights last night when they obtained a two-goal margin over the London Ravens in the first of the home and home series for the senior title before the largest crowd of the winter here, winning 4-2.

Peterboro deserved the victory on the night's play. Taking the ice with Harold Parker, their regular left defence player out of action through a dislocated shoulder, received in the last game against Parkdale for the group title they had to play Rose who heretofore this season has sometimes occupied a sub role on defence. Mandan's gang were at full strength and entered the game with the reputation of being one of the best aggregations that has ever been assembled in the western part of the province. Despite this handicap they outplayed their opponents.

The game, which was the final of the senior O.H.A. season in this city, was a fitting climax to this season. Both teams had plenty of speed with

very good, though some long passes were intercepted on both sides. Lawson and "Juicy" Harper on the local's defence checked effectively if none too gently, while the former also contributed three baskets. Brunk led the parade in scoring with seven points, while H. Harper tossed the ball in three times for six points. Burdick, De Jordan and Moore worked hard for the Cape and obtained, most of their team's baskets. Hewitt Smith handled the game efficiently. The teams:

Y.M.C.A. 5-9—Forwards, Vince, Brunk; centre, H. Harper; defence, Lawrence; L. Harper; subs, Pollock, McMahon, Morris.

American Legion—Forwards, Burdick, De Jordan; centre, Montana; defence, Hollenbeck, Moore; subs, Willoughby.

Suzanne Is Rested.
Milan, Italy, March 6.—Already Suzanne Lenglen, who looked fagged out when she arrived in the region of Lake Como to recuperate from her breakdown on the Riviera, is showing the effects of her rest. She paid a visit to the Milan Tennis Club although she did not play, and took a long motor ride over the new automobile speedway along the shores of Lake Como and Lake Maggiore. She was accompanied by Lady Wavertree.

Former Canadian Goal-tender's Condition is Unchanged.
Montreal, March 6.—Leo Dandurand, managing director of Canadiens, said Thursday, he would immediately start things going in connection with some kind of a benefit for Georges Vezina, former Habitant goal-tender.

He said he had already received a telegram from Charles Adams, owner of the Boston Bruins, offering his team for a benefit match anywhere it might be decided to hold one.

The latest reports about the condition of George Vezina from Chicoutimi are to the effect that there is not much change for the better in his condition. He has been in the Chicoutimi Hospital since February 10th and his wife has but just partially recovered from a second serious operation.

She had been his constant attendant. Though not completely cured she is well enough at present, however, to go to the hospital occasionally, and spend a few minutes with her husband.

Georges reads the newspapers every day and follows every bit of hockey news. When he is too weak to do so his wife or someone else reads to him.

Canadian Nationals Enter Senior Rugby
Montreal, March 6.—Canadian National Rugby Club members have completed their organization for the 1926 season, and are preparing for entry into senior rugby after four consecutive years as intermediate champions of the province of Quebec and Eastern Canada, in two years of which they also advanced to Canadian intermediate championship honors. At the annual meeting of the club F. E. Godwin was elected president.

On March 13th A. F. Marcell, vice-president, will represent the Canadian National Rugby Club at a conference in Toronto, where it is expected the local team will be granted a franchise in the Senior Ontario Rugby Football Union. The promotion of Canadian National Railway to senior rank will give Montreal three major rugby clubs, McGill University in the Intercollegiate, Montreal Rugby Football Club in the Interprovincial Union, and the Canadian Nationals in the O.R.F.U.

Y.M.C.A. BASKET MEN DEFEAT AMERICAN LEGION
Won Basketball Match by a Score of 28 to 16 in Fast Exhibition.

Two exhibition basketball games were played Friday night at the local Y.M.C.A., and provided many exciting moments for the fair-sized audience present. The first game saw K.C.I. girls outplay a team of Queen's freshettes and win handily, 42-11. The score just about reflected the play, but the spectators enjoyed the exhibition, and applauded the girls heartily as they left the floor. Some remarkable shooting by Ollie Dugre was the feature of this contest.

The second game between the Y.M.C.A. 5-9 boys and the American Legion, quintette from Cape Vincent, was more exciting, play being fast and rough throughout. The locals started out to win, and soon piled up a formidable score, but the Cape lads never stopped trying and the half ended 20 to 8. After the rest, both teams returned to the fray, with renewed vigor, and the checking became so close that numerous fouls resulted. The Legion played strenuous basketball in this period, but were clearly unable to cope with the snappy combination plays of their antagonists. The 5-9 forward line was weakened to some extent by the use of substitutes, nevertheless, as the Cape players were seldom able to penetrate their opponents' defence, the "Y" maintained a good lead until the end. The final score was 28 to 16.

The brand of basketball displayed was not of the first class, for the Legion were woefully weak on their long shots, and the 5-9 missed a few easy ones from right under the basket. The team-play exhibited by the "Y" was
