Not a Sign of Backache Since

Saskatchewan Lady Took Dodd's Kidney Pills and Her Trouble of Three Years' Standing Disappeared.

Mrs. R. Kolasa Was Unsuccessful with All Other Remedies.
Willow Brook, Sask., Mar. 3 (Special)—"I have been troubled with backache for almost three years. I have tried all kinds of medicines but they didn't help me at all.
"I sent for some Dodd's Kidney Pills and they did me much good. I have not had a sign of backache since."
This statement comes from Mrs. R. Kolasa, a well known resident of this place. That Mrs. Kolasa's trouble was caused by the kidneys is evidenced by the immediate relief she got.
Weak kidneys are not confined to grown people only. They are too often found in children, sowing the seeds of future ill unless the kidneys are strengthened and put in condition to do their full work.
Dodd's Kidney Pills have been tried and found to be an excellent kidney remedy. They will do you good at once, and, better still, time will prove that the good they do is lasting.
