GANANOQUE'S TAX RATE IS 48 MILLS

Signs Are to be Placed at the Entrances to the Town.

Gananoque, March 18.—The Town Council held its regular meeting on Tuesday evening when the rate was struck for the year at 48 mills, as follows: Public and Separate Schools, 12.9 mills; High School, 5.95 mills; total for schools, 18.14 mills; general purposes, 29.86 mills; total, 48 mills. In view of the many improvements during the past year, this rate was really more of a pleasant surprise than otherwise, as the majority of ratepayers had been anticipating even a higher rate.

The Ladies' Orange Lodge were given permission to hold a tag day on the 12th July next, that being the occasion of the big Orange celebration here.

J. Pullaw advocated the placing of signs at the entrances to the town, which suggestion was very favorably received, and no doubt this season our visitors will be greeted with hearty and breezy welcomes and adios to and from our little burg.

On Monday afternoon last Major Gray, Provincial representative, was in town and had discussions with those interested in a couple of very important matters. One was a complaint in regard to too many licenses being granted for hook netting in the back lake, it being claimed that at present these numbered twenty-six between Marble Rock and Lyndhurst, and being much out of proportion with those granted on the St. Lawrence for this territory. Another important matter was in regard to a request from the town council that the Government take over the road from Maple street west to the western limits also from Herbert street to the eastern limits.

Mayor Wilson was unable to be present at the council meeting of this special meeting due to his severe cold. In his worship's absence, Councillor James Karr was in the chair on Tuesday evening.

Gananoque, March 18.—Mrs. W. H. Britton left on Tuesday for Ottawa to visit her daughter, Mrs. Harry Barnes. She was accompanied by her little grandchild, Mary Barnes, who has been spending the past few weeks here.

Mrs. Harold Valteau's dinner party given in honor of her guest, Mrs. Spellen, at the St. Lawrence Cafe, on Tuesday evening was a very jolly affair. Mrs. Valteau, always a charming hostess and full of novel ideas to add to the pleasure of her guests, had many and various ones for this occasion. The decorations, favors, flowers, etc., were symbolic of the 17th, and made a very attractive setting. The guests included Mrs. Spellen, Toronto, Miss Helen Bain, Mrs. George Gibson, Miss Violet Britton, Mrs. Arthur Smith, Miss Helen Bain, Miss Rachel Gordon, Miss Hefferman, Mrs. T. Sherrill, Miss Janet MacKellar, Mrs. Aubrey Lott, Mrs. J. Floyd Bernis, Toronto, Mrs. W. J. Wing, Miss Alma Sinclair, Mrs. W. F. LaQue. Three prizes were drawn for and won by Miss Jean Bain, Miss Hefferman and Mrs. Sherrill.

Dr. and Mrs. Graham and Miss Evelyn Bennett left yesterday for Brooklyn. It is understood that Miss Bennett will return shortly and continue to make her home in Gananoque.

Mrs. J. B. Smith, Odessa, entertained the Westbrooke Dramatic Club to an oyster supper, after the play which they presented in the town hall, Saturday evening, March 6th, in behalf of the Odessa baseball club. The table, set for twelve, looked real enticing, laden with delicacies and centered with white hyacinths and all did justice to the good things. Mrs. R. F. HORSE BREAKS LEG AND HAS TO BE SHOT

Caught Hoof in Street Car Tracks at King and Princess Streets.

A valuable horse owned by R. Harpell, of this city, fell and broke its right leg at the corner of King and Princess streets about five o'clock, Wednesday afternoon. The horse was teamed with another, and was drawing a load of grain on a sleigh, and as the road is bare at that corner, the strain on the horses was heavy. While crossing the street car tracks, the animal caught its hoof in the tracks, falling and breaking its leg. Dr. W. A. McGill, veterinarian, was called, and put the animal out of its misery by shooting it.

The street car service was held up for some time, but finally the sleigh was unloaded and pushed out of the way by a number of men and the horse was dragged off the tracks.
