

SUFFERS FRACTURE OF BOTH HIS LEGS

G. Maley Victim of Accident at General Hospital - R. Fletcher Also Injured.

G. Maley had both legs broken and R. Fletcher suffered severe bruises to the chest when a plank which supported a heavy piece of stone gave way at the General Hospital construction job Thursday evening about six o'clock.

These two men, along with two others, were getting some stone into position and had raised one stone onto a platform, when a new pine plank broke and caused the stone to slip, crushing Fletcher against the wall and striking Maley on the feet.

None of the men are able to account for the accident. The plank which broke was new and without any visible defects.

The men are doing as favorably as possible. Fletcher's injuries are not now believed to be as serious as was at first thought, but Maley suffered the compound fracture of one leg and the simple fracture of the other.

Sinclair Laird Issues Challenge.

Dean Sinclair Laird of MacDonal College has agreed to back up his recent statement to the press that persons desiring to make a comprehensive trip across Canada and back for no more than \$370 by chartering a special train for the purpose of accommodating all those who may be inclined to accept his challenge. He avers that the trip, which provides for stop-overs at all points of interest between Toronto and Victoria, westbound via the Canadian Lake and eastbound by the main line, including rail and water transportation, meals, accommodation and all other expenses can be made as comprehensive as could possibly be desired, and he is prepared to accept the amount stated, \$370, as a blanket charge for all expenses.

The Canadian Pacific Railway, which is interested in several all-expense tours this season, is acting as his booking agent. Dean Laird plans to leave Toronto July 19th. The route he has planned is via Port Arthur and Fort William, Winnipeg Beach, Winnipeg, Regina, Calgary, Banff, to Windermere across the Rockies by auto, to Kootenay Landing thence by steamer to Nelson and through the Doukabarou country to Hope and Vancouver. The return from Victoria will be made via the Selkirk and Rockies and stop-overs have been arranged, among other places, at Lake Louise and Devil's Gap Camp, Kenora. A trip across the Great Lakes to Port McNicoll, thence rail to Toronto will terminate the excursion.

Dean Laird contends that this trip will not be an experiment as he has made two previous trips of this nature as organizer of teachers tours. This trip he is throwing open to all and sundry, the only stipulation being that members of the special train party be chosen as being compatible with the whole.

Apply Dean Laird, MacDonal College, Ste. Anne de Bellevue, or any Canadian Pacific Agent.

OBITUARY

Mrs. W. J. Hoppins.

After a long illness, Elizabeth Hoppins, wife of William J. Hoppins, passed away at 821 Montreal street on March 5th in her seventy-sixth year. Ready of 171 Clergy street, and three sisters, Mrs. Allan Stewart, Mrs. Lily Harper and Mrs. Anne Molyneux, of Leamark. Her only son, Robert Allan Ferguson, of Cherry Valley, predeceased her about a year ago. The funeral service at her late residence was conducted by Rev. T. J. S. Ferguson on March 8th at 9 a.m. and the remains were conveyed from Kingston Junction to Picton, thence to the Cherry Valley vault, where friends were assembled from Milford, Cherry Valley and Salmon Point, Rev. PRICELESS MASONIC APRON.

Is Presented to Bay of Quinte Lodge, Toronto.

At the regular meeting in March, Bay of Quinte Lodge No. 624 A.F. and A.M., Toronto, was honored in having as a distinguished visitor R. W. Bro. George Anson Aylesworth, P.D.D.G.M., of Frontenac district, and a member of Prince of Wales Lodge, Newburgh. He is a brother of honorary member, Sir Allen Aylesworth of No. 620, and the father of the present junior warden. After being welcomed with the honors due to his rank, the R. W. brother told the interesting history of the apron which he wore, and then said that after some deliberation he had resolved to offer it as a gift to the lodge, which in his opinion was more representative of the whole Bay of Quinte district than any local lodge would be.

The face of the apron is silk and the back linen, and it was probably blue at one time, but is now yellow through age. The front is adorned with numerous printed Masonic emblems - pillars, working tools, etc. There it is recorded that the apron was bought in 1817, price given by Colman Bristol, a member of Addington Lodge, No. 760. Also it was written that Bro. Bristol, in his ninety-second year, in 1888, presented it to Charles L. Rogers, W.M., of Maple Leaf Lodge, No. 119, Bath. From the latter it came into the possession of R. W. Bro. Aylesworth who is the grandson, on his mother's side, of the original owner, Bro. Bristol, who, by the way, is a progenitor of the Hon. Edmund Bristol, M.P., Toronto.

ANGRY PROTEST BY CUSTOMS INSPECTOR

R. P. Clerk Challenges Stevens - Resents Dirt Being Thrown at Him.

Ottawa, March 19 - Shaking with rage and in a voice stifled by the fury he could ill repress, Robert P. Clerk, inspector of Customs and Excise at Montreal, this afternoon astounded the customs probe by accusing the Hon. H. H. Stevens of "throwing dirt in the face of an honest man," and daring him to repeat outside of the House of Commons the accusations he made in the speech which caused the parliamentary investigation.

While the Conservative M.P. for Vancouver sat mute and motionless in the committee room, the outraged Mr. Clerk protested that he had been unjustly accused of being a thief, a tool in the hands of politicians, and an incompetent officer. If only he could get the Hon. Mr. Stevens beyond the pale of privilege surrounding the green carpeted floor of the Commons, Mr. Clerk intimated, he would throw the matter into the courts and "give him something more than a rod to fish with." He even appealed to the committee for aid in his "humble petition," but all that the witness got was a statement from Paul Mercier, the chairman, that he would have British Justice.

The last sizzling moments of the session capped a couple of hours in which Mr. Clerk's appearance caused several very welcome bright moments. The witness branded as "absolutely false" the sworn statement of J. A. E. Bisillon that it was Mr. Clerk who secured the photographing of two cheques, found in a customs house file and a source of considerable mystery to the committee.

WOMEN'S MEETINGS

Victoria Home and School Club. In the absence of the president, Mrs. J. K. Robertson, Mr. H. Thompson presided at the meeting of the Victoria Home and School Club, held on Thursday evening in the school. After a short business meeting, Prof. Humphrey of Queen's University gave a lecture on "Fears of Children." A discussion followed, and refreshments were served by the social committee.

St. Andrew's W.M.S.

The regular meeting was held on Wednesday, March 17th. After the opening exercises conducted by the president, Mrs. Duncan Robertson, and the reading of the minutes, it was agreed to postpone all further business in order to listen to an account of our work among the Chinese in Canada. The speaker, Mr. Taylor of Queen's University, dwelt chiefly on the work in Ontario. He spoke briefly of the mission in Montreal, now under the United Church, telling of the kindergarten class on Sunday afternoon from 3 to 5 where the children are taught in English because they don't understand Chinese well enough. The chief centre in Ontario is at Toronto, where a great work is being carried on, and there are also workers in St. Thomas and Brockville. With the work in British Columbia Mr. Taylor is not familiar but the Chinese native churches having voted to remain Presbyterian, this work is under our W.M.S. Board.

Mr. Taylor showed great knowledge of his subject and spoke in an easy, earnest and most interesting manner. It is hoped that Miss Dickson, with whom he has worked, will be one of the speakers at the meeting of the Kingston Presbyterian here next Wednesday, March 24th. At the conclusion of Mr. Taylor's delightful address the committee in charge of the arrangements for the Presbyterian met and completed their work.
