**Piles Go Quick**

Without Selves or Cutting  
Thousands who have piles have not known that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Bad circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonhardt was first to find the remedy and called his prescription HEM-ROID. Dr. Leonhardt tried it in 1,000 cases with the marvelous record of success in 98 per cent. and then decided it should be sold by druggists everywhere under a right money-back guarantee.

Don't waste any more time with outside applications. Get a package of HEM-ROID from Jas. B. McLeod today. It has given safe and lasting relief to thousands and will do the same for you.

are the direct cause of much unhappiness in our homes; their condition irritates and wears upon the husband and often ruins a child's disposition. This condition of the mother is often due to some weakness which makes her entirely unfit to perform her household duties and bear the strain upon her nerves that governing children involves. Every woman who finds herself in this condition should rely upon Lydia E. Pinkham's Vegetable Compound, and lose no time in giving it a fair trial.
