MAJOR L. F. GOODWIN COMMANDS P.W.O.R.

Lieut.-Col. Sparks Retires—Major d'Esterre Second in Command.

Several changes and promotions in the Princess of Wales Own Regiment of Kingston are announced, to date March 17th, from which date Major L. F. Goodwin assumes command of the Battalion and Lieut.-Col. E. B. Sparks transfers to the Second Reserve Battalion, his tenure of office having expired.

seas with the First Canadian Contingent being one of the original Company Commanders of the Second Battalion on Salisbury Plains when he commanded "E" Company. Captain Goodwin, as he then was, left his company and battalion on December 1st, 1925, being detailed for special duty under the Director of Personal Services, and served under the direction of Lord Moulton's

MAJOR L. F. GOODWIN

With the relinquishing of his command, the Battalion loses in Lieut.-Col. Sparks one of the most popular and efficient Commanding Officers. Joining the ranks of the Battalion in 1909, when he served in No. 4 company of which W. Y. Mills was at that time color sergeant, Col. Sparks served as a private for two years when he was granted a commission as Lieutenant after qualifying at a Professional School of Infantry, and has been a member of the local unit ever since serving in the different commissioned ranks until he eventually succeeded to command of the Battalion.

Committee on High Explosives designing explosives and acid factories for munitions of war, the authorities recognizing that his knowledge of such subjects was invaluable. At the end of February, 1916, Major Goodwin was seconded to the General Staff of the War Office for a period of seven weeks during which he did special staff work, rejoining his battalion in France with reinforcements during the second battle of Ypres, taking part in the battles of Festubert and Givenchy, remaining with the second battalion until the autumn of the same year when he was detailed by special order of the Secretary of State for War to return to Canada to assist in the manufacture of munitions.

LIEUT.-COL. E. B. SPARKS

After his return to Canada, Major Goodwin, in the capacity of special adviser to the Government on the matter of explosives and ammunition, successfully carried out several important missions and also proved to be of the greatest assistance to the United States Government in connection with one or two problems which faced them at that time.

After his return to Canada, Major Goodwin, in the capacity of special adviser to the Government on the matter of explosives and ammunition, successfully carried out several important missions and also proved to be of the greatest assistance to the United States Government in connection with one or two problems which faced them at that time.

Since his return to Kingston, in addition to his close affiliation with and service in the P.W.O.R., Major Goodwin assisted in organizing the Great War Veterans Association, serving as president and member of the executive committee, while he also assisted in the organization of the Second Battalion Club being its first president.

After his return to Canada, Major Goodwin, in the capacity of special adviser to the Government on the matter of explosives and ammunition, successfully carried out several important missions and also proved to be of the greatest assistance to the United States Government in connection with one or two problems which faced them at that time.

MAJOR J. D'ESTERRE

Major J. d'Esterre, who has been second in command of the Battalion since 1922, is one of the most efficient officers that has ever served with the local unit.

Major J. d'Esterre wears the Long Service Medal, and is one of the most popular officers in the battalion.

Second in Command. With Major Goodwin assuming command of the battalion, Major J. d'Esterre, who heretofore has been in command of "C" Company, will be second in command of the battalion and will relinquish his appointment as company commander. Joining the P.W.O.R. in 1910, after four years previous service in the ranks of the Queen's Own Rifles of Canada, in Toronto, Major d'Esterre has served in the local unit ever since. Serving overseas during the Great War, Major d'Esterre volunteered for service in France with the 48th Highlanders, where he saw a great deal of fighting, being constantly in the line as second in command of a company.

"C" Company of the P.W.O.R. under the command of Major d'Esterre is recognized as one of the most efficient companies of infantry in Eastern Canada. For two years this com-

pany won the battalion shield for efficiency, while in 1925 the company was third for the prize offered by the Canadian Infantry Association, being only beaten by a narrow margin by a company of the Ottawa Highlanders.

Willowdale Dairy Limited will begin operations in the new plant in the old cereal building at the foot of Gore street about the end of this month. The new company is using the basement and first floor and there is a possibility that in time it will also find use for the second and third floors, but nothing definite has yet been arranged in this regard.

Portland Paragraphs.
Portland, March 15.—The farmers are very busy hauling logs to the saw mill. There were a great many logs drawn this winter. Herman Morris, who has been staying with his mother for the last month, has gone to Montreal where his wife is taking care of her aged father, who is not very well. The dance held in the Orange Hall on the 17th was well patronized.

Kiwanis Activities.
Hon. Dr. J. A. Amyot, Deputy Minister of Health, Ottawa, will address the Kiwanis Club at the regular meeting of the Club on Monday, at noon at the Frontenac Hotel. "The Handling of Milk and the Milk Question" is the subject which Dr. Amyot will deal with and the address should prove highly interesting. The members of the Board of Health have been invited to the meeting of the Club to hear this address. Roy Grimm will be the booster for the day, and some sweet prizes will be awarded. Dr. Howard Folger will be initiated at the meeting. Ambrose Shea has been appointed chairman of the visiting and sick committee, and R. J. Reid, chairman of the transportation committee.

Democrat Elected at Cape Vincent.
W. J. Flynn, Democrat, defeated J. S. Lowe, Republican, for president of Cape Vincent at the election on Tuesday by a vote of 122 to 127. R. S. Hohenbeck, Republican candidate for treasurer, was chosen over W. D. Laird, Democrat, by a vote of 194 to 122. Charles Armstrong was elected trustee without opposition and Marion Jerome, also a candidate on both tickets, was chosen collector. The proposition for band concerts was carried by a big majority, the vote being 139 for and 43 against.

Adolphe Menjou and Florence Vidor in "The Grand Duchess and the Waiter" at the Capitol, Monday, Tuesday and Wednesday.

The ice cream storage rooms will have a capacity for 7,000 gallons and the butter storage room also provides ample space. The building has been piped for both city and lake water, the latter to be used for cooling purposes only.
As soon as the concrete floors set, the machinery will be moved in from the present plant and it is expected that some new appliances will be added. In the new quarters it will be possible to take care of three or four times as large a volume of business as was formerly being done.
A staff of fourteen was employed last year and it is thought that it may be necessary to increase this number. Almost fifty horse power will also be consumed.
