**CAUSED A FLURRY IN THE LEGISLATURE**  
Power on Ottawa River Formerly Owned by Kingston Interests.  
Power on the Ottawa River, which was formerly owned by Kingston interests, caused a flurry in the Ontario Legislature, when A. H. Acres, Conservative member for Carleton, enquired why Hydro did not extend to the east and what was wrong with the development of the Ottawa River. Renewed applause from the Liberal benches drew Hon. J. R. Cooke to his feet to retort. "The reason is this: Years ago the Liberal Government sold the power site at Chat Falls to private interests for \$5,500 and when we entered into negotiations with them they asked \$5,000,000 for it." "Why didn't you appropriate?" asked H. Fisher (Liberal, West Ottawa). "We did start to," replied Hon. Mr. Cooke. The speaker put an end to further exchanges, reminding the members that Mr. Acres had the floor. Continuing, Mr. Acres said nineteen years had gone by since the Chat Falls interest was sold, but nothing had been done. "I think private capital should be invited to continue on the development," he commented, "or it will never be done in time. It is no use talking about development on the St. Lawrence until the water powers over which we have control is first used. I am opposed to public ownership. What is there to encourage young men if we are going to purchase and take over all the water powers, all the railways and everything else."

The fifteenth Legislature of Quebec province was prorogued on Wednesday by Lieutenant-Governor Percepsan.

The Kingston interests involved say that in 1911, the Ontario Government expropriated this site at Chat Falls, without any negotiations and that the Ontario Government it at liberty to start development at any time they see fit. In fact, the Kingston men do not know why they have not developed this property before. The price will have to be fixed by a Board of Arbitration. The figure of \$3,000,000 mentioned by Hon. Mr. Cooke, means nothing at all, they said.

**CHANEY IN DUAL ROLE.**  
Excels His Previous Good Work in "The Blackbird" at Capitol.  
As Quasimodo in "The Hunchback of Notre Dame," and in the title role of "The Phantom of the Opera," Lon Chaney showed himself as a master of pantomime; in "The Holy Three" and "The Tower of Lies" he went a step further, and freed from the burden of inches-deep make-up, he gave promise of becoming one of the screen's finest actors. It is possible that "The Blackbird," shown at the Capitol Theatre starting today, he has fulfilled that promise. The play itself, a grim and almost unrelieved melodrama of Limehouse life, offers him a splendid opportunity, and supported by an admirable cast with Owen Moore and Renee Adoree, Mr. Chaney gives a carefully studied performance that has both the virility born of real restraint and a gripping, powerful realism that attests his developed talent.

**"YPRES" COMING TO CAPITOL.**  
Epic scenes from the great world tragedy, in which the flower of British and Canadian manhood fought, conquered, lived and died, are enacted over again in the superb film drama, "Ypres," which opens at the Capitol on Monday. Although the war is happily receding into the shadowy past, it still has the power to call up poignant memories of sorrow and grief as the tales of heroism or great deeds of sacrifice are reviewed. A product of British film craft, "Ypres" depicts the high lights in the three-year death struggle on the Ypres salient, when the British fought in a never-ending welter of mud and blood to block the way to Calais. "Ypres" is not a tale of fiction, with a tinge of color obtained from some mimic battle front; it is an historical drama, presenting actual incidents, the majority of them scenes taken during the course of the fighting in Flanders, and pieced in with scenes taken subsequent to the war, and so cleverly interwoven that it is practically impossible to tell where the real scene begins or ends.

**HE WAS SELECTED AS EMPEROR OF ENGLAND**  
Statement of Man Who Called on Mayor Thomas Agnew.  
"Yes, sir, I would have been the first Emperor of England" if the Queen had had her way."  
Over seventy years of age, but as spry as many a man thirty years his junior, a man who would be regarded as among "the down and out," walked into Mayor Agnew's office at the city hall, on Thursday morning, and asked for a job. He said he had been tramping all over the country, but was willing to take on any kind of work.  
The old fellow stated that he was working his way to Montreal. The mayor had no job to give him, so helped him out with a few mail tickets.

**OLD RESIDENT PASSES, LATE WILLIAM DERRY**  
Was for Many Years Chief Engineer at the Portsmouth Penitentiary.

There passed to rest on Thursday afternoon one of Kingston's oldest residents, in the person of William Henry Derry, at his residence, 239 Alfred street, after a short attack of pneumonia. Deceased had been ailing for some time, but pneumonia set in a few days ago. Deceased was seventy-eight years of age.  
The late Mr. Derry was a son of the late James and Ann Derry, Kingston, and was born in Armagh, Ireland. When very young he came to Canada and had resided in Kingston all these years. For many years he was the chief engineer of the Thousand Island Steamboat Company, a position which he held until his appointment as chief engineer at the Portsmouth penitentiary. About seven years ago he retired from the government service and had been living a retired life. He was a keen follower of sport, and very seldom missed a baseball game played at the cricket field. An evidence of how interested he was in the success of the Kingston hockey team, was shown by continued enquiries as to how the boys were getting along. Deceased attended Chalmers United Church and was a staunch Liberal in politics. He was a member of Kingston Lodge No. 59, I.O.O.F., and a Forester.  
His wife pre-deceased him about four years ago. There are left to mourn, one sister, Mrs. M. Vince, Toronto; two daughters, Miss Harriett, Kingston, and Mrs. William Smith Ottawa; four sons, Allen, Renfrew, and George, Bert and Russell, Kingston.  
The funeral will take place from the family residence on Saturday afternoon at 2.30 o'clock, to Cataraqui cemetery.

**OBITUARY**  
James Francis Dawson.  
James Francis Dawson, a very well-known and popular resident of Wolfe Island, passed away at the Hotel Dieu Hospital on Wednesday after an illness of some time, in his fifty-fourth year. The deceased had been in ill-health over a year and taking sick on the street on Wolfe Island last week, was removed to the Hotel Dieu on Monday.  
The late Mr. Dawson was born on Wolfe Island and lived there for the greater part of his life, being a very prominent and active resident. He was a Roman Catholic in religion and a member of the Knights of Columbus. He is survived by two sisters, Miss Minnie Dawson, and Mrs. Duncan McRae, both of Wolfe Island, and one brother, Richard, of Bay City, Michigan. The deceased was a son of the late Mr. and Mrs. John Dawson, and a nephew of the ex-Sheriff Dawson.  
The funeral will take place on Friday from his late residence, Wolfe Island, to the Church of the Sacred Heart, where a solemn requiem mass will be sung.  
William Robinson.  
The death of William Robinson, a well-known and life-long resident of Kingston, occurred at his late residence, Division street, on Wednesday after a very short illness. The deceased was an employee of the Canadian Locomotive Works for over fifty years, and was very highly regarded. He was a devoted member of Princess Street Church.  
The deceased is survived by his widow, formerly Frances Henderson of this city; one daughter, Mrs. J. A. Waddell, Winchester, and two sons, William of Transcona, Manitoba, and Samuel of Welland. The funeral will take place on Friday afternoon from his late residence to Cataraqui cemetery.  
Terence E. O'Brien.  
Terence Edward O'Brien, aged seventy-four years, a former resident of Gananoque, passed away at his residence, 127 Union Street west, on Thursday morning. The deceased lived both in Gananoque and Kingston for a great many years, and was well known and greatly respected. The funeral will take place on Saturday morning from his late residence to St. Mary's Cathedral, where a solemn requiem mass will be sung.

**King Edward Souvenir is Offered to Canada**  
London, March 25.—His Majesty King George has offered Hon. F. C. Larkin, Canadian High Commissioner in London, for preservation in the Canadian Building in London as a permanent loan the handsome casket presented to King Edward by the survivors of the war of 1812-14 at Queenston Heights in 1860, when King Edward, as the Prince of Wales, was a visitor in the Dominion. The casket is of black walnut, Canadian oak and Canadian maple. It is of beautiful workmanship and is richly carved, and on it is a representation of the Prince of Wales' plume.  
Angora Skins for Royalty.  
Santa Clara, Cal., March 25.—Two Angora goat skins, destined to be a present to King George of England and the Prince of Wales, are on exhibition here. The skins were selected by the Prince on his Alberta ranch and have been undergoing a dyeing and tanning process here. They will be shipped to England next week.  
A woman who really adores children hardly ever thinks it necessary to say so.

**UNCERTAINTY YET IN CENTRAL LEAGUE**  
Kingston, Belleville and Peterboro Are the Teams to Enter.  
A meeting of the executive of the Kingston Baseball Club was held on Wednesday night but little progress was made owing to the uncertain condition of the Central Ontario Baseball League. It was brought out at the meeting that the local executive could do little towards making plans for the season until some definite action was taken by the Central Ontario League as to what it intended to do this season.  
Right at the present time it looks as though Kingston, Belleville and Peterboro would be the only three teams in the League. This, of course, would not be very acceptable if other arrangements could be made. It is just possible that Ottawa may enter the League in place of Ottawa, which club dropped out. Ottawa would be a good drawing card and though it might be a rather long jump for the Peterboro team, there is little doubt that the Peterboro team rather make that jump than play in a three-team league.  
President William Kennedy of the Central Ontario League is confined to his home through illness at the present time, and nothing definite as to what the League intends to do can be learned until Mr. Kennedy is able to call a meeting.  
**Port Arthur Took First Game by 1-0**  
Port Arthur took the first game of the Allan Cup finals against Varsity at Montreal on Wednesday night by the score of 1-0, the lone goal of the game being scored shortly after the game started on a random shot by Alex. Gray, Port Arthur's centre man. It was a great game and had thrills galore in the sixty minutes.  
Joe Sullivan, Varsity's goal-tender, was knocked unconscious in the second period by a terrific shot which he received on the head and Meuller, the sub-goaler, was called into action in the last period and turned in a great performance, handling the two hardest situations of the game. Varsity played their regular team. The players:  
Port Arthur—Goal Chabot, defence Bryde, Wilson; centre Gray, wings Pudas, L'Heureux; subs Chapman and Cox.  
Varsity—Goal Sullivan, (Meuller), defence Porter, Kirkpatrick, Wright; centre Plaxton, wings Trotter, Hudson; subs Wright, Richards.

**THREE GAME SERIES.**  
Montreal, March 25.—During the meeting of the Canadian Amateur Hockey Association yesterday, it was announced that the series between Port Arthur and University of Toronto for the Allan Cup, emblematic of the C.A.H.A., senior championship, would be best two of three games. The third game will likely be played here on Monday night. Efforts are being made to have the third game played at Ottawa or Toronto.  
**C.A.H.A. ANNUAL.**  
The annual meeting of the Canadian Amateur Hockey Association was opened at Montreal on Wednesday.

**SPORT**  
**KINGSTON JUNIORS READY FOR FINAL**  
Are Not Over Confident, But Are Prepared to Do Their Utmost.

(Special to The Whig).  
Winnipeg, Man., March 25.—The Kingston hockey boys were royally entertained at the Manitoba Club last night by Mr. Jack Richardson and Messrs. Smith and Bole of Winnipeg, the latter two being former Kingstonians.  
Everybody got to bed early and this morning all room telephones have been cut off so that no chance of disturbance might arise. All seem to be in good condition for tonight's battle, and will take the ice with a spirit of determination to make a heroic effort to win out. There is not the slightest spirit of over-confidence in any quarter. Each and every player realizes that the blue ribbon junior hockey honors, is at stake and each one is prepared to do his utmost to attain success. Should a third game be necessary it will likely have to be played on Friday night, as the rink here is booked for Saturday and Monday. The team will entrain for home via Toronto at four o'clock on the afternoon following the final verdict.  
There has been a very cordial amount of support given our lads here from former Kingstonians and old R.C.H.A. officers, all of which is greatly appreciated by the boys.  
The lads all realize that Kingston expects that this night each man must do his duty. The writer sincerely trusts that it will be good news that will go over the wire to the old Limestone City to-night for it has been a long long grind and the boys are the most deserving lads that any city has ever had to represent it.  
The Whig's message to the boys has just been received, and is much appreciate.  
—JAMES T. SUTHERLAND

**THE QUEBEC HOCKEY MIX-UP**  
concerning the St. Francois Club was taken up and President Silver Quilty was backed up in the action he took. The St. Francois Club still wanted to play for the Allan Cup, but this could not be granted.  
W. A. Hewitt, registrar of the C.A.H.A., announced that there had been sixty-six transfers during the year. The registration in the C. A. H. A. last year was 6,855, but this year decreased to 6,834. Of this number 2,860 are from Ontario.

**BOWLING**  
Games for Prizes.  
At the Frontenac Bowling Academy on Wednesday night, the bowling for prizes offered by the academy were awarded as follows:  
T. Donohue, 515; A. Hearst, 635; J. E. Turner, 673; R. Roddick, 667. The prizes were 100, 75 and 50 cigarettes respectively for places 1, 2 and 3. Donohue waived his right to the first prize as he had won the box of cigars on Saturday.  
In the ladies' bowling Turner bowled 535, Miss Ida Winston bowled 549 and Miss Stuchen 484. The prizes were three, two and one pound boxes of chocolates, awarded respectively for places.  
Prize bowling is becoming very popular at the Frontenac alleys and keen competition is shown in the games.

**CASE IN COURT OVER REMOVAL OF A DAM**  
Judge Lavell Decided That Chet McKnight is Not Entitled to Amount Asked For.  
On Wednesday, Judge H. A. Lavell presided at a sitting of the Division Court at Sharbot Lake, when the townships of Olden and Oso were both involved.  
Chet McKnight brought action against the township of Olden to collect the sum of \$75 and costs. Mr. McKnight, who was road overseer for the township, removed a dam from the property of a man named Sly some time ago. Sly contended that the road overseer had moved the dam and for this reason brought action against McKnight for the sum of \$75. When that case was heard the judge gave judgment for \$75 against McKnight, the plaintiff, in the second action for the sum which he had been taxed, Judge H. A. Lavell decided that the plaintiff was not entitled to the amount which he sued, in view of the fact that there was no motion or by-law on the books of the township ordering him to remove the dam in question. It was brought out that an informal order had been given to remove a dam, but not the one which the road overseer had moved away.  
J. C. Reynolds acted for the township of Olden and W. H. Herrington appeared for the plaintiff.  
There was also a very interesting case which arose over a transaction which took place between the councils for the townships of Olden and Oso. Oso township brought action against the adjoining township of Olden for the return of a cheque amounting to about \$47 which had been paid by mistake.  
It was brought out in evidence that a piece of work had been done on the boundary road between the two townships. When the work was completed Oso township paid the bill in full, which amounted to about \$94. In turn a bill was sent to the township of Olden for half the amount of the bill. The Olden township council passed an order in favor of the treasurer of the township cashing the order; he issued a cheque in favor of the township of Olden for the amount which the township of Olden owed the township of Oso.  
The judge found that the cheque had been issued by the treasurer of Oso by mistake, and ordered the township of Olden to return the amount.  
J. C. Reynolds acted for the township of Olden, and Oso township was not represented by a solicitor.

**Knights Templar Social Event.**  
The Hugh de Payens Perceptory Knights Templar held an enjoyable informal social evening in the Masonic Temple Wednesday, the atmosphere being very large. Progressive cards were enjoyed till nine o'clock, when dancing was held, the music being rendered by Sid Fox's orchestra and each number was interspersed with selections from the Silver Star troupe, which were very much enjoyed. Refreshments were served and the evening was very successful.  
**A Lenten Service.**  
A well-attended Lenten service was held in St. Luke's church on Wednesday evening, a choir of forty voices providing excellent music. The special preacher for the occasion was Rev. Hilyard Smith, chaplain of the penitentiary, who spoke on "Christian Workers." He stressed the importance of knowledge, which made the position of the Christian worker who possessed it all the more responsible. Knowledge must be put into execution, and it was only useful as far as it was applied.
