Entertainment Under Auspices of United Church—Sunday School Convention.

Wellington, March 24.—An entertainment was held in the community hall on Thursday evening, under the auspices of the United Church W.M.S. Mrs. H. M. VanAlstine, of Port Hope, was the soloist, and Miss Greta Madden, of Belleville, was the elocutionist. The church choir, assisted in the programme, and the ladies' quartette and Mr. Garnet Taylor each contributed a musical item. Mrs. VanAlstine was presented with a beautiful bouquet of flowers after her last song. Mrs. B. A. Fanning played a violin accompaniment to Mrs. VanAlstine's songs. Miss Winifred Pearce was at the piano.

The Sunday evening service in the United Church was in the interests of the Women's Missionary Society. A women's choir led the singing, and a sermon on "Stewardship," was given by the pastor.

Special meetings are being held each evening this week and next at the United Church. Different ministers in the county are the preachers.

Mr. Sandy, of Omemoos, spent the week-end with Rev. W. J. H. Smyth. Mr. Benjamin Burley returned last week from a visit to Brighton. Miss Bessie Dorland had charge of the topic at the Friends' Christian Endeavor last week. As the subject was "Cross-bearing," the story of St. Christopher, which was read by Miss Marjorie Hunt, was appropriate.

At the meeting of the Women's Institute held last week, Mrs. Ida McPaul read a paper on "What we all ought to know about ourselves."

Rev. W. J. H. Smyth gave an address. And Mr. N. J. Armour, manager of the Standard Bank, gave a talk on banking, which was much appreciated. Mrs. J. L. Ross, Mrs. Sangar Harris, Mrs. George Green, and Mrs. G. Haight served refreshments, assisted by Mrs. Chislett and Mrs. Dayton Murphy. Dr. Heather, dentist, is leaving to settle in the United States. Dr. Bartley, who was here before Dr. Heather, will return from Smith's Falls. Mrs. Cox, of Picton, recently visited her parents, Mr. and Mrs. Charles Fritz. Mr. Fritz is on the sick list.

A meeting of farmers in this district was held at the community hall, Gilead, to consider the question of co-operative live stock shipping. After much discussion, it was decided to appoint Seburn Cronk shipper for this district and farmers are getting enthusiastic about the new organization, as it will be to their interests.

Her Face Was Covered With Large, Red Pimples

Miss Greta Carlisle, 23 Leonard St., Brantford, Ont., writes:—"A short while ago, my face was completely covered with large red pimples, and it seemed that it was almost impossible for me to get rid of them, as nothing I took seemed to do me any good. One day I noticed an advertisement of Burdock Blood Bitters."

Sunday School Convention.

The Hillier township Sunday school annual convention was held at Wellington United Church on Friday, March 19th. At the afternoon session, James Wild conducted the worship service, and this was followed by an address by Hilton McCartney, president. He spoke of the six or seven hundred children we have in this township Sunday schools, and urged all who are engaged in Sunday school work to do their best for the boys and girls while they are with us.

Morris Huff then gave a temperance address, wherein he gave good reasons why he is a temperance worker, also why all who are interested in this great question should not slack their efforts in these days when temperance sentiment is not as strong as it was years ago.

Rev. W. J. H. Smyth conducted the round table conference, and dealt with various problems sent in by the Sunday schools. The problems of attendance, grading, promotion, graded lessons, music, missionary and temperance instruction were some of the problems ably handled by Rev. Mr. Smyth, and he also secured the opinions of others on these matters.

The question as to whether promotion should be according to age and size or intelligence and ability created much interest. All aspects of the subject were discussed. The graded lesson system, which regards the needs of the pupil, found much favor.

At the conclusion of the round table conference, Rev. W. J. H. Smyth gave an address on "Christian Leadership." He touched on many points regarding this high calling for the life of the world. As the rural community supplies leaders for the cities, rural Sunday schools are important.

Lunch was served in the basement and this provided further opportunity for exchange of views and fellowship.

The evening session opened with a song service, led by Thomas Fillingham. The report of the Nominating Committee was then given, and the officers for the ensuing year were installed. President, Hilton McCartney; first vice-president, A. W. Morden; second vice-president, Mrs. Seburn Cronk; secretary-treasurer, Andrew Pettigill. Superintendents—Children's department, Miss Annetta McPaul; girl's department, Mrs. A. W. Morden; boys' department, Rev. F. G. McTavish; young people's department, Mrs. Robert Graham; adult department, Mrs. W. A. Foster; home department, Charles Peterson; missionary department, Mrs. Fox; temperance department, Mrs. E. Terry.

It was decided to hold the convention next year at Rose Hall. The Wellington C.G.I.T. group then conducted an impressive worship service, the theme being "Leadership in the Kingdom."

Two addresses were given, the first by Rev. H. C. Wolfraim on "The Old Book in a changing world" and this was followed by Rev. C. S. Reddick on "The Place of the Old Book in the Modern Sunday School." Miss Winifred Pearce and Thomas Fillingham sang a duet. Miss Pearce was organist at both sessions.

An ANNOUNCEMENT

by IMPERIAL OIL LIMITED TO THE MOTORISTS OF CANADA

ON the 20th of April we will be offering you a new motor oil which we sincerely believe is going to set aside all previous standards and introduce an entirely new era in Automotive Lubrication.

Marvelube is the name we have adopted for this new product—the nearest we could come in one word to signifying its marvelous lubricating qualities.

Marvelube is not the improvement of an old oil but the revolutionary discovery of a new. Its production involves a new system in refining.

Four years ago the scientists of our research department got on the trail of this new principle.

Silently they have followed it ever since, testing, experimenting, perfecting, searching for the key that would unlock the ultimate.

Last October they found it; and production meantime of an adequate stock to serve every motorist in Canada on the opening day, has

been one of the closely guarded secrets of the Imperial Oil family.

Marvelube is a strictly Canadian triumph; the discovery of Imperial Oil scientists in our research laboratory at Sarnia, with no help from the outside world. For its base the ideal was found in a select grade of the world-famous Peruvian Crude, the product of a far foreign field developed by Canadian genius and controlled by Imperial Oil Limited.

Its lubricating qualities will recommend Marvelube at once to every motorist who gives it a trial. You will find Marvelube on sale at every Imperial Service station and at the establishments of all good dealers on the 20th of April.

Fill your crank case once. We leave the verdict to you.

Signature of L. D. Hillman, President of Imperial Oil Limited.
