PROGRESS OF Y.M.C.A. JUBILEE CAMPAIGN

\$3,207 Reported Up to Saturday—Final Meeting Set for March 31st.

Another good meeting of the workers in the Y.M.C.A. Diamond Jubilee Campaign was held Friday night when most encouraging reports were received from all teams and the Diamond Jubilee Fund brought up to \$3,207. Mr. Frank Partridge's team led in the most subscription secured during the day, the honors having been passed around to four different teams during the four days of the campaign. As was anticipated it was impossible to complete the canvass with the limited number of workers within the four days, and it was decided at last night's meeting to give until March 31st, when a final supper meeting will be held and all reports called for. Additional cards were distributed, the city being divided into districts and each team being assigned a district in which to work. In this way it is hoped that the city may be covered more quickly and effectively.

Owing to the limited number of workers available, the committee would be most grateful if the citizens would bring, or send their subscriptions to the Y.M.C.A. office, as a number have already done. A widow brought \$1 and left a note stating that she wished it might be more and expressed her best wishes for the success of the campaign. Citizens generally are giving the Association their hearty co-operation and the board is most grateful for the response which the citizens are giving to the appeal.

As an instance of the great value of the Association to strangers Secretary Harlow mentioned a letter received from a mother in a small town who wrote enquiring about accommodation for her son coming to the city, and is anxious he should get into good company. Another young man, who is leaving Kingston for an American city the same day, was given a letter of introduction to the Y.M.C.A. in the American city to which he is going. It is by such helpful personal relationships that the Association is able to accomplish its purpose and demonstrate its value.

The Y.M.C.A. Board of Directors gratefully acknowledges receipt of the following subscriptions to the Diamond Jubilee Fund:

Time to Adjust Snubbers.
Snubbing devices usually need attention about once a year, and the best time to attend to this is at the beginning of the winter season, since the snow and ice-covered streets will mean rough riding for the car. The usual thing is to remove the snubbing devices, or whatever they happen to be trade-marked, clean, grease and readjust them. Where grease is necessary the car owner had better not try the work himself, since grease in the wrong place will render the devices useless.

Volstead Act Stands.
Washington, March 29.—It is practically assured that no legislation will be passed at this session of Congress, nor probably at the next, amending the Volstead Act, either in the direction of greater freedom or of tightening up the act.

A pact is just an agreement based on mutual distrust.

She Was Troubled With Chronic Constipation

Once your bowels become constipated you are in for a lot of trouble, as constipation is one of the most prolific sources of disease that the human race is addicted to, therefore a free motion of the bowels every day should be the aim of everyone who aspires to perfect health.
Mrs. O. W. Lawrence, Cloverdale East, N.B., writes:—"I was troubled with chronic constipation, and became so bad I was almost afraid to eat anything."
One day I saw your advertisement of

ADDRESSES GIVEN ON AGRICULTURE

At Meetings in Yonge and Lansdowne—A Presentation to Doughty Family.

Mallorytown, March 27.—Mrs. Ann Moore, after a long sickness, passed away early on Monday morning at her home in Mallorytown. The funeral took place on Tuesday afternoon. The service was held in the United Church and was conducted by Rev. R. Calvert, B.D. The remains were placed in the vault at Mallorytown, later to be interred in the cemetery at Yonge Mills. Mrs. Moore's husband passed away some years ago. She leaves a son and daughter, Fred and Della to mourn her demise. Both are at home.

E. F. Neff, Leeds county agricultural representative, is holding a series of meetings throughout the townships of Front of Yonge and Lansdowne. Mr. Neff is accompanied on his itinerary by Messrs. Reeler and Baker, of Brockville. They visited Mallorytown on Thursday. A public meeting in the consolidated school in the afternoon was made up more particularly of high school pupils, who listened to addresses by these three gentlemen of a very practical nature on agricultural subjects. Moving pictures were also exhibited by Mr. Neff. The evening meeting was held in the Oddfellows hall and was well attended. A number of the provincial government films were again exhibited by Mr. Neff more especially on the "Culling of Poultry." The Rev. R. Calvert presided over a meeting at which addresses were given by Mr. Keeler on "Fruit Growing," and by Mr. Buker on "Egg and Poultry Raising for Profit." Mr. Neff spoke with the use of a series of splendid charts on "The Value and Growth of Alfalfa on the Farm." An interval of singing led by Mr. Neff was readily taken part in and appreciated by the audience. This meeting was immediately followed by a meeting of The Young Farmers of Mallorytown.

A social gathering of a pleasant nature was held in the Sunday school room of the United Church on Friday evening. This had been arranged to do honor to the family of Ernest Doughty, who are leaving Mallorytown to reside at Escott. Mr. Doughty and his son Frank being valuable members of the choir and Miss Edith Doughty, a teacher in the Sunday school. They will be very much missed. An impromptu programme consisting of two selections by the male quartette, readings by Messrs. E. Hagerman and William Summers and Mrs. W. I. Mallory; also a solo by the Rev. R. Calvert who acted as chairman. At the conclusion of the programme the chairman called Mr. and Mrs. Doughty to the front. Mr. Eugene Hagerman read a complimentary address and Mr. Clarke Guild presented them with a chair on behalf of their friends in the church. After the presentation refreshments were served.

Frank Doughty is making a good recovery from the measles. Better reports are being handed out of the condition of Mrs. John Haeme and Miss Vivian Tennant.

Wilfred Guild, who is to be our new pastmaster is being carefully initiated into his work by Malcolm Tennant, whom he succeeds.
Cars are now running on the highway but while the snow is going fast, the side roads are too heavy for cars as yet.

A DOUBLE WEDDING EVENT AT PLEVNA

Brother and Sister Married Sister and Brother on March 22nd.
Ompah, March 27.—An interesting event took place here in the English church on Monday, March 22nd, when Annie youngest daughter of the late William and Mrs. Schonauer was united in marriage to Frank, son of Mr. and Mrs. William Massey; and Claribel, daughter of Mr. and Mrs. William Massey, was joined in wedlock to John, eldest son of the late William and Mrs. Schonauer. The brides were given away by their brothers. Rev. Mr. Branch, from Plevna, officiated. After the ceremony the immediate friends of the young couples drove to the home of Mrs. William Schonauer where the bridal supper was served. In the evening a reception was held for the friends and neighbors of the community. We all join in wishing the young people a long and happy married life.

Everyone around Ompah is busy preparing for sugar making which will likely start now if the weather keeps favorable. Some reports say the sap is running. Arthur Stewart is again in our midst after spending the winter months in camp. Mr. and Mrs. Michael Hermer and Constance spent Sunday visiting Ardcoch friends.
Mr. and Mrs. Allen Killingbeck have moved off the farm and are residing in Ompah. Mrs. William Schonauer has been spending a few days with her daughter at Calabogie. Mrs. Charles Denna and little son, Wilbur, spent last week at her parental home here.

Henry Johnston, who has been visiting friends about Portland, has returned home. We again welcome Mr. Emery to Ompah. He has spent the winter visiting friends at Canada and other points. We are glad to note that Mrs. Pennycook who has been ill is getting along as well as can be expected. Little Dorothy Thomas, who underwent an operation for an abscess in Ottawa, is progressing favorably.

For chest colds, pain in the side, stiff neck, earache and toothache, I have found 'Nerville' invaluable. GANANOQUE

Gananoque, March 29.—The funeral of the late Mrs. Alexander Gordon, which took place yesterday afternoon, was very largely attended, and the number of friends who filled St. John's Church was evidence of the deep sympathy of the citizens for Mr. Gordon and his family in their very sad bereavement. Among those from out of town who were here for the funeral were Mr. and Mrs. Parquette, Quebec City; Mr. Gordop's father, Peterboro; George Gordon, Peterboro, brother, Mrs. Martin, Peterboro, and Mrs. Martin, Huntsville, sisters of Mr. Gordon; Mrs. Gordon, Detroit, and Misses Jean and Rolande, of Geneva, N.Y., and Quebec, daughters, Mrs. Gordon, Peterboro, sister of Mr. Gordon.

The remains of Timothy O'Brien, who passed away in Kingston a few days ago were placed in the vault here. Deceased was the son of the late Peter O'Brien at one time a most esteemed citizen of the town.

Mrs. Turcotte, Boatwick, who has been receiving treatment in Kingston General Hospital, returned to Gananoque on Saturday and is convalescing nicely.

Miss Pearl Lattimer will leave in a few days to take up residence in Detroit with her brother, Kenneth. James Colton, who has been quite ill for the past couple of weeks, was a little better yesterday.

There is still ice good enough on the St. Lawrence to carry a team in this vicinity, if one knows where to go, which at the end of March is quite remarkable, and if the river is cleared by the middle of April this year, it will have to show symptoms pretty soon.

Edward Delaney and Donald La France of Queen's, spent the weekend here.
Miss Anna Nuttall, Brockville Business College, spent the weekend here.

STILL DRAW TIMBER FROM NORTH WOODS

Snow Plenty Out at Northbrook—Vogan's Mill Has Started Again.

Northbrook, March 27.—Spring is having a very hard time to take its place and lumber, ties, pulp-wood, telephone poles, etc., continue to land from the swamps with snow plenty. The road has been cleared for cars as far as the Ore Chimney mines and our champion motorist, S. G. Dotly glides along where others fail.

Mrs. H. Saul spent a few days with Kaladar friends. Many attended the dance at William Atkins, Saturday night. Mr. Peter Lloyd is having an auction sale of his farm stock, implements and household goods, as he has purchased the house and lot formerly owned by Mr. J. Bch. and will take over the butcher business, handling Mr. Both's former route.

A number are sick with the flu. Mr. J. L. Lloyd spent Thursday evening in Harlowe on business. A number of second hand cars are for sale locally at reasonable prices. Mr. J. Both is disposing of his household furniture privately and intends going to the Royna district.

Rev. N. Bosko is attending Free Methodist district meeting at Maberly. Miss Elsie Lloyd spent the past week at Clovye with Miss Leitha Wheeler. Mrs. Peter Lloyd is visiting her sister, Mrs. Sagor in Tweed. A number attended the funeral at Harlowe, Tuesday afternoon of Mrs. Samuel Thompson an old, respected and well known citizen of these parts. Prayer meeting was held by Joseph Reid at his home Thursday evening.

Mr. Vogan's mill has started to hum again and he will be busy all summer turning the winter cut of logs into various grades of lumber and filling orders. A number enjoyed the dance at Mr. John Both's, Friday evening. Travellers, Morrison and Chown were among those registered at the Tourist Hotel. Frank Yanch is bidding his many friends good-bye as he and family are leaving next week to live in the west.

Veteran Bandmaster Dead.
Brockville, March 29.—John Stinson, aged seventy-nine, at the time of his retirement in 1919, the oldest militia bandmaster in Canada, died Saturday. He was a native of Birmingham, England, and held the long service and Fenian Raid medals.
