MONTREAL MAROONS ARE N.H.L. CHAMPIONS
"Babe" Seibert's Goal Gave the Montrealers the League Title Saturday Night.

Ottawa, March 29.—Montreal Maroons are champions of the National Hockey League for the 1925-26 season. It was the second game of the series and gave the Maroons the round by a score of 2-1, the first game in Montreal last Thursday having ended in a 1-1 deadlock.

As a result of the successful termination of Montreal's two-year quest for the title, the Maroons will now meet the Victoria Cougars, western titleholders, for the Stanley Cup and the world's pro hockey championship. The first of the series will be played at the Forum in Montreal Tuesday night.

POLICE HELD UP LIQUID REFRESHMENT
Attempt Made to Pass Some Strong Stuff to Prisoner With Lunch.

On Monday morning, what was supposed to be a lunch for a man confined in the cells, was brought to the police station. Everything in the lunch was given the O.K. by the police, with the exception of the liquid refreshments, and this could not stand muster, and was held up. The said liquid refreshments came in a six-ounce bottle. It was not milk, and it was not tea, ditto beer and whiskey. But it had all the appearance of home brew with a very strong smell of extract of lemon.

The prisoner had to eat his lunch without the liquid refreshments, and the contents of the bottle will likely undergo a test.
