**No More Piles**

Thousands Bless Dr. Leonhardt, the Physician Who Discovered This Common Sense Remedy

If you think that the surgeon's knife is the only method of escape from the misery of piles, it's because you haven't heard of the new treatment known as Dr. Leonhardt's HEM-ROID.

The Doctor's treatment is internal. By experimenting for years he discovered the exact cause of piles and then went further and compounded a remedy that would remove the cause.

Dr. Leonhardt wants every sufferer to benefit by his discovery and so that there will be no doubting or delay, Jas. B. McLeod and all druggists are authorized to sell HEM-ROID with guarantee that it will do as stated or money back.

On that honorable basis every sufferer should secure a package of Dr. Leonhardt's HEM-ROID to-day.

**AT WOLFE ISLAND.**

Large Consignments of Hay Shipped to the American Side.  
Wolfe Island, March 29—Hundred tons of pressed hay have been shipped via Cape Vincent during the past few weeks. The great yield of hay on Wolfe Island from year to year has merited for it its title of Garden Spot of Ontario. The road and tee to the city are showing signs of breaking up.

Earl Grimshaw and family are moving to the village to take over the general store of Thomas Friend, who intends retiring and moving to Kingston. Mr. Friend was always considered a good store keeper and as a postmaster he hadn't an equal, hence many regret his removal from our midst.

John Mackey, Watertown, N.Y., has been here for the past month visiting relatives. Richard Dawson, Flint, Mich., arrived on Thursday for his brother's funeral. Dr. H. Dawson, Cape Vincent, is at Mrs. McRae's. George Todd is critically ill at present. The funeral of the late James Dawson and of Mrs. Angus MacDonald, were both held on Friday morning to the Church of the Sacred Heart—an unusual coincidence to have two caskets in the church at one time.

Mrs. MacDonald had reached the advanced age of seventy-eight years, and until she was stricken a few days before her death with pneumonia, had been a wonderfully active woman. Her husband predeceased her several years ago, but eleven children survive. She was an illustrious example of a noble christian mother, and had made many warm friends during her lifetime spent on the island. Her six eldest sons acted as pall bearers.

Phillipsville, March 30.—The warm March sun is much welcomed by everybody. The robins and other birds have made their appearance which make it quite spring-like. Mr. and Mrs. Thomas Maloney, Toledo, called on friends in the village. Mrs. Haskin is sewing at Edward Woods this week. Sugar-making is in pro-gress and farmers report it a fairly good year. Miss Dina Dawson was renewing acquaintance with friends here. Miss Elva Chant was called from Toronto owing to the illness of her mother, Mrs. William Chant. H. Myers.
