LATE GILBERT McClymont.

Funeral Took Place at Ottawa on Tuesday Afternoon.

Referring to the death of Mr. Gilbert M. McClymont, at Ottawa, the Citizen says:

Mr. Gilbert M. McClymont, secretary of the civic Health Department, died on Saturday morning, at his home, 104 Patterson avenue, after a week's illness. For the last two or three days his condition had been critical and the end was not unexpected though previous to his illness he had enjoyed excellent health.

Before entering the service of the city thirteen years ago, he was for many years in newspaper work here. As a newspaperman and later in the health department he evidenced a tireless energy and faithfulness to duty that made him most valuable and his death has caused a real void in the civic service. By all who knew him he was held in the very highest esteem for his sterling honesty, his charitable disposition and his good-natured friendliness at all times. While he took no active part in politics or public affairs, he made a wide circle of friends and his passing has caused deep regret.

Gilbert Murray McClymont was born in Manchester, Eng., the son of the late Alexander McClymont and was in his 52nd year. At the age of seven, he came to Canada with his parents who settled near Kingston. He graduated in the teaching profession and after teaching for five years he entered newspaper work and was on both the Kingston Whig and the Kingston Standard, later going to Syracuse. From there he came to Ottawa and was on the editorial staff of the Free Press and later the Evening Journal. He was covering the city hall as a newspaperman when he was appointed secretary of the Health Department in 1913.

He was married in Kingston to Miss Elizabeth Woods, who, with one daughter, Miss Mina, in the Secretary of State's Department, survives him. Two brothers, Percy J. and Richard Atcherly McClymont, both of Ottawa, also survive.

The funeral took place Tuesday afternoon from the family residence to St. Matthew's church and Beechwood cemetery.

Late J. C. Connelly, Yarker.

Word was received yesterday of the death of J. C. Connelly, a well known resident of Yarker for many years. The death occurred at the home of his son, Mr. Stewart Connelly, Montreal. Last fall Mr. Connelly closed his home in Yarker and left to visit his children in Montreal. After a few weeks there he left for Florida. His health failed while in the south and he returned to Montreal a short time ago. He leaves one son, Stewart Connelly, Montreal, and one daughter, Mrs. W. C. Burpee, also of Montreal; two brothers, Messrs. Alfred and Fenwick Connelly, Yarker, and three sisters, Mrs. John Lowry, Napanee, Mrs. J. Charles and Mrs. (Dr.) Oldham, Yarker. The remains were brought to Yarker on Monday and the funeral service took place on Wednesday morning.

LATE MRS. A. R. McDONALD.

The Passing of a Respected Lady of Wolfe Island.

Wolfe Island, March 30.—The many relatives and friends of Mrs. A. R. McDonald were saddened to learn that on March 24th this highly respected resident of Wolfe Island has passed away, at the advanced age of seventy-eight years, after an illness of one week.

The deceased, who was formerly Elizabeth Mosier, and whose husband predeceased her twelve years ago, was a woman of a quiet and loving nature, who devoted her life to her religion and the welfare of her family, of eleven children, and had the great consolation at the hour of death to have them all at her bed side to bid them farewell.

She leaves to mourn her loss four daughters, Mrs. Fred Staley, Mrs. William Dignem, Mrs. Frank Yott, Mrs. Walter Yott, also seven sons, Louis, Kingston; Duncan, Watertown, N.Y.; Vincent, Binghamton, N.Y.; and James, John, Austin and Leonard, Wolfe Island.

The funeral on Friday morning was attended by kind neighbors. The six eldest sons of the deceased were pall bearers. At the church of the Sacred Heart, of which she was a member, a high mass was sung by Rev. Father McKemin for the happy repose of her soul. The spiritual and floral offerings were many.

After the funeral ceremony the remains were placed in the vault to await interment in the family plot.

McClary's HOT CROSS Burner

—a great new gas cooking development

ALWAYS in the lead, McClary's Gas Range is now doubly desirable because of its wonderful new "Hot Cross" burner. This latest and greatest development reduces gas consumption 14% and makes gas cooking speedier, more efficient and more satisfactory in every way.

McClary's "Hot Cross" burner focuses the intense heat of 24 clear blue flames right under the pot. There is no waste, no "floating" or "loose" flame. This is achieved

by introducing more oxygen, making cooking fast, efficient and substantially reducing gas consumption.

Another important feature of McClary's "Hot Cross" burner is that it does not pop back. McClary's patented non-pop screw eliminates "popping" entirely. These two exclusive qualities, plus its cleanable porcelain-enamelled oven lining, and attractive appearance make McClary's the greatest-value in gas ranges you can obtain.
