Others how this new hygienic pad discards easily as tissue—no laundry

Eight in 10 better-class women now use "KOTEX."

Discards as easily as a piece of tissue. No laundry. No embarrassment.

Five times as absorbent as ordinary cotton pads.

Deodorizes, thus ending ALL danger of offending.

Obtainable at all drug and department stores simply by saying "KOTEX." You ask for it without hesitancy.

Package of 12 costs only a few cents. Proves old ways a needless risk. In fairness to yourself, try it.

Hair Dry, Brittle from Constant Waving, Curling

The constant curling and waving demanded by present styles in bobbed hair, slowly burns the color, lustre and very life from the hair, leaving it dry, faded, brittle and full of dandruff; then the hair roots shrink and the hair falls out fast.

Since girls just must curl and wave the hair to appear their prettiest, try "Danderine" to offset any bad effects. After the first application your hair will take on new life and that healthy, youthful lustre, become incomparably soft, wavy and appear twice as thick and abundant. Falling hair stops and dandruff disappears.

A 35-cent bottle of refreshing "Danderine" from any drug store or toilet counter will do wonders for any girl's hair. It goes right to the roots, invigorates, nourishes and strengthens them, helping the hair to grow thick, healthy and luxuriant.

Chatham, Ontario.—"I want to tell you how much good your medicine has done me. Before my baby came I felt so weak and run-down that I could hardly do my work. My head ached continually and I was so discouraged that I could cry from morning till night. I had another and a half old and it gave me a lot to do. So I thought I would try Lydia E. Pinkham's Vegetable Compound, as I had read so much about it in the little books. I found a difference right away as my head was relieved and my tired feelings gone. My sister had been doing my washing and she continued doing it, as she said it might set me back if I started to do it again. I sure did help me and I had taken just two bottles when my baby came. He is a fine big boy, now nearly five months old. I am taking your medicine again and I am able to do my work all by myself now. I always recommend the Vegetable Compound to women, and especially to expectant mothers, as I believe they need help at those times."—Mrs. OLIVER MENARD, 54 Center St., Chatham, Ontario.

This will give you an idea of the French conception of beauty. The three girls above have been elected beauty queens in Paris. They are, top to bottom, Pauline Delatthe, Mathilde Isenbart, and Suzanne Royal. Mathilde was named queen of queens.

A Name Omitted. In the official programmes used at the "Saint Paul" concert on Wednesday evening the name of Mrs. W. J. Kelly was inadvertently omitted from the list of members of the chorus. Mrs. Kelly has rendered valuable assistance in the soprano part and her work has been much appreciated.

What a difference!

As different as chalk is from cheese. Some sauces are hot and pungent, others thin and watery, almost tasteless.

In H.P. Sauce, oriental fruits and spices are perfectly blended with pure malt vinegar. The ingredients do not separate.

Neither does any one flavor predominate. The result is a unique mellow sauce that is irresistible.

BEAUTIES OF PARIS

Ignorance may be bliss, but love speaks the mother tongue of everybody.

AN EASTER CAROL. Tomb, thou shalt not hold Him longer; Death is strong, but Life is stronger. Stronger than the dark, the light, Stronger than the wrong, the right, Faith and Hope triumphant say Christ will rise on Easter Day.

While the patient earth lies waking Till the morning shall be breaking, Shuddering 'neath the burden dread Of her Master, cold and dead Hark! she hears the Angels say Christ will rise on Easter Day.

Up and down our lives obedient Walk dear Christ, with footsteps radiant, Till those garden lives shall be Fair with duties done for Thee And our thankful spirits say, Christ arose on Easter Day. —Phillips Brooks.
