### HOCKEY PRESENTATION ON FRIDAY NIGHT

**Junior Hockey Team Will Be Honored by the City at Memorial Hall.**

Mayor Thomas Spring seems to be looking for a snow storm of good again. The sleighing is still being done on the ice, although it is said to be getting weak in places.  
F. Mellow, Bath, moved a fishing shanty from the bar at the foot of the island to the former place on Thursday last, with a team of horses. The lake is quite clear of ice as far east as B. U. Wemp's at the foot of the island.  
Another land mark, the store house, at the foot of Bay street, erected by the late Thomas Polley, a one-time merchant and grain dealer, of Amherst island, is being stripped of its lumber and is being lowered to the ground, after withstanding the test of about forty-five years of winters stormy blasts. Part of the material will be used in the construction of the new United church parsonage.

W. H. Preston, who has been seriously ill for the past week, is reported to be improving. Dr. H. S. Northmore, Bath, has been attending him. The public schools and the S.C.S. have all closed for the Easter vacation. Miss M. O'Brien, principal of the S.C.S., and Miss H. Sylvester, of S.S. No. 1, left on Thursday for Stratford. They were accompanied by Messrs. W. Cochran and W. Miller.

John Miller has moved into the house on Bay street, recently purchased from Capt. J. Fleming. It was occupied by two tenants, Rev. R. G. Fry having moved into part of William Montgomery's house and Samuel Fleming has moved his furniture to S. Miller's vacant house in the 3rd concession. Mr. Miller expects to have a house dance as soon as they get settled in their new home. The rural mail carriers did not make the rounds on Friday, it being a public holiday. Good Friday services were held in St. Alban's church and the United Church of Canada on Friday evening.

**Wedded Sixty-Five Years.**  
A memorable delightful reception was recently held at the home of Mr. and Mrs. J. W. Ackland, 15 West Gate, Winnipeg, when their home was taxed to its utmost to accommodate the large number of friends, who availed themselves of the privilege of paying their respects to Mrs. Ackland's parents, Mr. and Mrs. Robert Pollock, on the occasion of the 65th anniversary of their wedding, a unique and unusual event.  
Mrs. Pollock was born June 29th, 1841, in Lanark. Mr. Pollock was born Jan. 11th, 1839, in Glasgow, Scotland. After engaging in mercantile business in Lanark for many years he removed with his family to Almonte, where he was postmaster. In 1903 Mr. and Mrs. Pollock went to Winnipeg. Mrs. Pollock bears her 84 years with a rare grace and can recall the happenings of 65 years ago with keen interest.
