Put on the kettle-Mrs. Housewife, and make yourself a cup of BOVRIL

You will accomplish more—you will renew your strength and energy—if you stop in the midst of the day's work, put on the kettle, and make yourself a cup of hot, energizing Bovril. And it is so easy to do a spoonful of Bovril, a pinch of salt, in a cup of boiling water. That's all-but how it will refresh and "buck you up". Try it!
