NAPANEE

Napanee, April 10.—On Wednesday evening the officers and members of "B" Company, Frontenac Regiment, gave their annual military ball. The decorations excelled anything ever held before in the Armouries. The entire auditorium was hung with red, white and blue bunting and strings of balloons, canopies of the same colors forming cosy sitting-out nooks for the dancers. The Smart Set orchestra provided excellent music for the dance, and the guests enjoyed several hours of the very latest "jazz." At midnight, a delightful surprise, in the form of a tableau, was staged, when a volley of shots was fired from the west balcony by a company of veterans, the lights were extinguished, and the assembly stood at attention while the orchestra played "O Canada." Refreshments were served at midnight by the Boy Scouts.

Miss Catherine Gallagher, nurse-in-training, Kingston General Hospital, was in town for the military ball on Wednesday evening.

Miss Mary Reeve of Ottawa is spending a few days in town with her sisters, Mrs. J. M. Simpson and Mrs. H. Schermerhorn.

On Friday afternoon the Daughters of the Empire held a sale of fancy and useful articles, and also served afternoon tea from four to six, in commemoration of Vimy Ridge. The sale was very successful. A neat sum was realized.

Miss Marquerite Craig, who has been spending the winter in Pasadena, California, spent Easter week in New York City and sailed on Wednesday for France and Italy.

Charles Card and family left last Thursday for Santa Monica, Cal., where they will make their home.

Plans were talked over for planting trees on the course as offered by the Ontario Department of Agriculture, and the matter of better grass for the greens was also discussed.

So Says New Brunswick Lady of Dodd's Kidney Pills.

Mrs. M. Capson tells why she recommends Dodd's Kidney Pills.

Edgett's Landing, N. B., April 8. (Special)—"I have used about twenty-five boxes of Dodd's Kidney Pills and I would not be without them in the house now. I have suffered something terrible with backache and have got great relief by taking Dodd's Kidney Pills. I would recommend them to anyone very highly."

Mrs. M. Capson, who sends this statement, feels she owes it to other sufferers to tell them how she found relief.

Dodd's Kidney Pills are known all over Canada as the old Canadian kidney remedy. They are known by the good work they have done. The work of the kidneys is to keep the blood pure. This is absolutely necessary if the body is to be healthy. It is trying work, for the kidneys are constantly in contact with the seeds of disease.

Women who have kidney trouble should not delay but take Dodd's Kidney Pills.
