## KINGSTON JUNIOR HOCKEYISTS HIGHLY HONORED FRIDAY NIGHT

Presented With O.H.A. Cup, Emblematic of O.H.A. Championship, O.H.A. Medals, Gold Watches From the City and Photographs From the Executive—P. J. Mulqueen, W. A. Fry, President Easton of the O.H.A. and Secretary Hewitt Present.

In Memorial Hall on Friday night, the members of the Kingston junior hockey team were the centre of attraction when they were presented with the O.H.A. cup, which they won during the past winter, the O.H.A. medals, the O.H.A. shields, photographs of the team, and gold watches by the city.

The ceremonies in connection with the presentation were well carried out and the members of the Kingston hockey team eulogized sky high by local and outside speakers. A musical programme in which Mrs. Troner, A. Howarth, Sgt.-Major Secker, Dr. Jack Broom and Mrs. J. Leonard Jerome took part, was rendered and much appreciated while the members of the orchestra from the Musicians' Union supplied their services gratis.

The members of the team and hockey officials, who were at the Frontenac Club where Col. T. A. Kidd was host at dinner, marched from the Club to Memorial Hall where a very large crowd waited for them. As the players filed into the hall they were warmly applauded but when they took the platform they received greater applause which lasted for some minutes.

Mayor Angrove occupied the chair and in his remarks spoke of the reception home to the Kingston team at which time he had promised that the players would be shown in a more tangible way than at that time how much they were appreciated.

His Worship referred to the fact that Council had voted \$500 for the purpose of presenting the players with trophies and other individuals had contributed as well. He felt that no one begrudged any money expended for this purpose and spoke of what the team had done and felt that they were worthy successors of famous players before them.

Dr. W. E. McNeill, Registrar of Queen's University, was the first speaker and spoke for Principal Taylor, who was out of the city. Dr. McNeill told of the splendid co-operation between Queen's and Kingston and noted that this co-operation was never stronger than it was to-day.

In view of the Endowment campaign, the speaker stated that for that reason too, he was glad that such co-operation existed. He hoped that the co-operation shown in hockey would reach out generally and that it would grow stronger as time went on.

Kingston Did Well.

President Easton of the O.H.A. in his remarks spoke of coming here in 1907 with the Stratford team when Stratford won out. They came here again in 1908 but were beaten out by Kingston. Mr. Easton stated that he made friendships then that have continued right on and he was proud of them. He was proud to be here again on this occasion to honor the team that had made such a record during the season as the Kingston team had made.

Mr. Easton pointed out that it was no mean feat that the Kingston team had accomplished during the past season. Their victory had been clean-cut and they had won on their merits. The speaker said that in the trying moments when victory might have gone either way, they conducted themselves in a gentlemanly manner and brought credit to themselves and to their city.

He stated that the O.H.A. had passed into its thirty-sixth year. In the first year there were nine teams and ten years later there were fifty-two teams. Now there were one hundred and sixty-five teams with an enrollment of 5,700 players. The O.H.A. had set high standards but if the clubs lived up to them, the future of the O.H.A. was assured but if not, then the future of the O.H.A. was but a matter of a short time.

One of the First.

Mr. Easton stated that Kingston was one of the first teams in the O.H.A. and in all the time Kingston has been in the O.H.A. its teams have done their part and the citizens too have done their share. He pointed out the great services to hockey of James T. Sutherland and spoke of his high standing in hockey throughout Canada. Mr. Easton declared that in all its years in the O.H.A. there was not one blemish on any Kingston club.

Mr. Easton advised the boys of another battle ahead apart from hockey and he expressed the hope that in the battle of life that they would fight as strenuously for the top as they had done on the ice during the past season. He then presented the O.H.A. Cup to the Kingston Hockey Club, Col. T. A. Kidd receiving it on behalf of the Club.

No Mean Feat.

In replying, Col. Kidd stated that Kingston had done well during the

## "HAIR-GROOM"

Keeps Hair Combed, Glossy, Well-Groomed all Day

"Hair-Groom" is a dignified combing cream which costs only a few cents a jar at any drugstore. Millions use it because it gives that natural gloss and well-groomed effect to the hair—that final touch to good dress both in business and on social occasions.

Even stubborn, unruly or shampooed hair stays combed all day in any style you like. "Hair-Groom" is greaseless; also helps grow thick, heavy, lustrous hair.

There were 100 teams in the junior section with a membership of over 2,000 players so that when the Kingston team put them away in the O.H.A. series, they performed a real task, which reflected great credit upon them. He thanked the members of the team for the sacrifices they had made, the members of the executive, the outside hockey men who came here for this occasion and he made glowing reference to James T. Sutherland and Mr. T. F. Geley, coach of the team, to Secretary E. J. Hartrick, "Senator" Jack Powell and others who had done so much.

W. A. Hewitt was called upon by Mayor Angrove and in his address, he extended the congratulations of the O.H.A. executive and the other clubs of the O.H.A. to the Kingston team on their winning the O.H.A. championship and making such a splendid showing for the Memorial Cup. Their efforts had been appreciated.

Mr. Hewitt enlightened the audience on how the affairs of the Allan Cup were conducted and traced the history of it from 1914 when it was a challenge cup, up to the present time, pointing out that in 1918 it became a cup for championship series. He showed how the finances of the Allan Cup were handled by the trustees of the Allan Cup, showing where the money received from Allan Cup games went to.

Medals Were Presented.

Mr. Hewitt, at the close of his remarks, presented the players with O.H.A. medals, the following receiving them: Reid, Voss, Tauger, Molson, Smith, Orford, Macpherson, Patterson, Hartley, Nichol, McDowell, Joyce, Gourlay and McKelvey. Dr. R. P. Millan, T. F. Geley and Jack Powell also received medals.

Howard Reid, captain of the team spoke a few words, thanking all for the support given during the season by the members of the executive, the O.H.A. officials and the public generally.

Mr. T. F. Geley, coach of the team made a short speech also, speaking in highest terms of the players, their conduct and co-operation during the winter.

Mayor Angrove then presented the players with the watches, the gift of the city and Dr. R. P. Millan, assistant manager, was presented with a clock and Mr. James T. Sutherland, and E. J. Hartrick received watches. Coach Geley was also presented with a mantle clock.

Plea for Sport.

F. J. Mulqueen was called on and in a brief address stated that he was glad to see the expenditure of money by Kingston for the promotion of the youth of the city. He stated that governments, Dominion, Provincial and municipal, for the most part were loathe to grant money for this purpose although they granted large sums for the development of live stock, which was all right enough but at the same time he declared that the youth should not be neglected. Mr. Mulqueen stated that nothing could be better for the development of the youth than sport.

He urged Kingston to try to get a senior team to win the Allan Cup next year and aspire to earn the right to represent Canada at the Olympic games in 1928. He stated that Kingston had the makings in its junior team.

W. A. Fry, Past President of the O.H.A., was called on to present the O.H.A. shields to the players and in a few words he too extended his congratulations and made reference to James T. Sutherland as being held in the highest regard by hockey men throughout the country.

## SPORTING NOTES AND COMMENT

"Senator" Jack Powell is as strong with the hockey people in Kingston as he ever was. This was clearly demonstrated on two or three occasions during the presentations last night when he stepped forward to receive his awards.

Those in charge of the arrangements for the affair last night are to be congratulated upon the success of their efforts. Everything passed off quite smoothly.

A hockey stick used by A. B. Cunningham in the first Queen's team was displayed last night. The stick is a very much shorter and sturdier one than the one now in common use. It is over thirty-two years old.

The dinner given by President T. A. Kidd of the Kingston Club was a splendid success and great appreciation is felt by those who were present for the hospitality of their host. The intermediate team members were present as well as the Juniors.

Dr. W. E. McNeill, in his address last night during the presentation, struck a point which should receive some thought. Dr. McNeill declared that the co-operation between Queen's and Kingston shown in sport was a splendid thing and he expressed the hope that co-operation in a general way would continue as well. It is a good thought expressed by Dr. McNeill and it is to be hoped it will be realized, but it might be well to exterminate a few agitators on both sides so that complete harmony could reign.

It was fitting that those boys who had played only a part of the season with the Kingston juniors should not be forgotten and it was pleasing to note that they received recognition for their services as well as the regulars. It is always best to remember those who have done what they could for the club. In addition to being the right thing, it is an assurance that the services of those people can be secured again if required.

A rather surprising but pleasing touch to the scene was given last night when the band of the Sea Cadets waited outside the Frontenac Club for the hockey players and "played" them to Memorial Hall, where the crowd was waiting to honor the members of the Kingston junior team. The act was not lost on those connected with the club and was appreciated.

One would almost be led to think that the Kingston team had won the Dominion honors, so overwhelming were the praises showered on them last night by the different speakers.

Now that all this hockey presentation business is over, hockey can be forgotten now till next season. Every sport has its place and the summer games will be attracting the attention from now on. The season has been a successful one in the junior O.H.A. section and all the honors have been passed out. Now we can turn to baseball, tennis, golf, yachting and other sports for the next few months.

## PRESENTATIONS HELD AT QUEEN'S

Basketball and Rugby Teams Received Prizes—Gold Q's for Girls' Hockey Team.

On Friday afternoon in Convocation Hall, the presentation of "Q's" crests and prizes to Queen's athletes took place. Dr. W. E. McNeill, Registrar of the University, acting as chairman. The majority present were those to receive the honors. The ceremony was short and simple and passed off very well.

The members of the basketball team were presented with watches for their part in winning the senior Intercollegiate basketball title and the members of the senior Intercollegiate team were presented with silver cigarette boxes for winning the Intercollegiate rugby championship. These were given to Players Batstone, Leadley, Thomas, G. McKelvey, Muirhead, Britton, Skelton, Mundell, McCrimmon, Norrie, Brown, Lewis, Adams, Walker, Wright, Airth, Howard, Chantler and Voss and to Dr. W. A. Campbell, club physician, Assistant Coach Oran Carson, Manager James Campbell, J. S. McDonell, Secretary of the A. B. of C., James Bews, an official of the club and Trainer Jack Powell.

The cup, presented by Dr. L. J. Austin for track events and won by S. Trenouth, was presented to the winner by Dr. Austin and a miniature cup to be held by the winner was also presented to him.

The gold "Q's" for the girls of the hockey team were presented for the first time, this being the result of an election promise made during the elections at Queen's. Those receiving the "Q's" were M. Sullivan, M. Mills, M. Rowlands, F. Newman, H. Carroll, E. Beach and D. Gibson. The other awards were as follows: Rugby—Adams and Britton, "Q's"; McCrimmon and Norrie, crests. Other players had received their "Q's" before.

Track—H. S. Murphy, Q and crest; S. Trenouth, crest. Basketball—R. W. Clark, D. G. Durham, K. F. Clary, F. J. Johnson, F. J. Lamonte, I. Sutton, Q and crest.

Wrestling—R. Cornell, Q and crest. Those of the basketball team presented with watches were Players Lamonte, Clarke, Sutton, Durham, Thomas, Lewis, Jones and Cleary and Manager A. Edmlson.

At the close of the ceremonies W. F. Hughes spoke a few words, congratulating those who had won honors and urging them to always remember that their Q's meant something and should always be preserved and respected.

In an effort to aid the coal industry because miners are employed only half-time, Chile has placed a tariff on all foreign coal received. London will have a new railway station capable of handling 35,000,000 passengers a year.

## DINNER TENDERED TO KINGSTON CLUB

Splendid Affair at Frontenac Club Given by President Kidd of Kingston Club.

A very pleasant event, marking the close of the season for the Kingston Hockey Club took place at the Frontenac Club on Friday evening when the members of the Kingston junior team, the intermediate team, members of the executive and other hockey men were the guests of Col. T. A. Kidd, president of the Kingston Hockey Club at dinner. The affair was perfectly informal and passed off very pleasantly, every one present enjoying every minute of it. The action of Col. Kidd was much appreciated and the thanks of those present was expressed by Dr. W. E. McNeill, Registrar of Queen's University, representing Principal Taylor, in a short speech which he made at the conclusion of the dinner.

F. J. Mulqueen, Chairman of the Canadian Olympic Committee, W. A. Fry Past President of the Ontario Hockey Association and Dr. McNeill were the only speakers, they confining their remarks briefly.

In his address, P. J. Mulqueen praised the Kingston junior hockey team and advised them to stick together and aspire to the Olympic games in 1928. He invited them to extend their efforts in that direction and try to represent all Canada in hockey.

W. A. Fry extended his congratulations to the Kingston Club and referred to the splendid record of the Kingston team and also expressing his pleasure at being able to be present.

Dr. McNeill expressed the appreciation felt by those present to Col. T. A. Kidd being his guests at the dinner and called for three cheers for the host, to which there was a hearty response.

In his remarks, President Kidd spoke of the pleasure it gave him to give this dinner party to the mem-

bers of the team and the executive and hoped that all had enjoyed themselves.

In their addresses P. J. Mulqueen and W. A. Fry made glowing tributes to the worth of James T. Sutherland in hockey and told of the high place he held among the officials of hockey throughout Canada.

French bathers prefer the bright colors of bathing caps made in America to those of French manufacture and will buy \$30,000 worth in the coming season, according to estimates.

There have been no fatal accidents on the Polish Air Line in 227,800 miles flown in three years.
