A Pimple Face Is Unsightly

Miss C. C. M. Smart, South Battle-
ford, Sask., writes:—"A while ago I
was troubled with facial blemishes,
especially pimples, and was really
ashamed to go out with such a bad
looking face.
I tried 2 or 3 different remedies,
but they didn't help me any, so one
day a friend, who had been troubled
the same as I was, advised me to use

Burdock BLOOD BITTERS

After I had taken two bottles there
wasn't a pimple of any kind left on
my face, and I now have a clear,
smooth and velvety complexion."

Eczema on Head Itched
Badly. Cuticura Healed.

"Eczema broke out in pimples
on my little girl's head. It itched
badly and she scratched causing
sore eruptions. Her hair fell out
and she was very fretful. We had
to tie her hands to keep her from
scratching, and she could not sleep.
We had her treated but the trouble
kept getting worse.
We began using Cuticura Soap
and Ointment and in a short time
could see an improvement. We
continued the treatment and in less
than six weeks she was healed."

Heart Trouble or Indigestion?

Heartburn, Pressure Around Heart,
Painful Stomach, A Feeling of Fullness,
Shortness of Breath.
THIS SIMPLE 2-MINUTE TEST
TELLS WHAT'S WRONG

Dust Is Blowing

While there are many people who
really have Heart Trouble, there are
many thousands more who are literally
"stared to death" because they think
they have it.
To live in constant fear of Heart
trouble is a terrible handicap, especial-
ly when probably 99 per cent. of the
self-diagnosed Bad Heart symptoms—
Palpitation, shortness of breath, diffi-
cult breathing, a feeling of fullness or
pressure around the heart—are mainly
caused by a sour, gassy, upset stomach.
To prove that this is true and that
your past worries have been a sad
mistake—simply make this three-
minute test and watch results!
From any good druggist obtain a
couple ounces of pure Dispersed Magnesia
(either powder or tablets) and be-
ginning with to-morrow take a tea-
spoonful of the powder or four tablets
immediately after each meal—and if
the usual distressing symptoms fall to
appear, you may safely rest assured
that you have found your trouble.
This is a pleasant, inexpensive test
that seldom fails to relieve stomach
distress, Gas, Sourness and Heart-
burn almost instantly, and a single trial
proves its value. Be sure and ask
Dispersed Magnesia, not a laxative.

Answer to Wednesday's Crossword Puzzle.

interpretation of this story of the
beginning of sin? Manifestly it is
an allegory. If we had not been ob-
sessed with undue literalism and
with false theories of verbal inspira-
tion in our reading of the Bible, we
should never have regarded it in any
other light.

Anywhere else in literature we
would immediately regard as an al-
legory a story in which a serpent
spoke and acted as the serpent is
represented as acting in this record.
So also the very terminology, "the
tree of the knowledge of good and
evil," etc., brings us into the world
of allegory.

The mistake, of course, is in im-
agining that a mythical or allegori-
cal story may not be a very real
statement of truth. One would not
think of calling John Bunyan's "Pil-
grim Progress" untrue because it is
an allegory. On the contrary, it is
a figurative and literary conception
of the greatest of all truths. So here
though we should do an injustice to
the narrative if we interpreted it
with crude and narrow literalness,
we should also do a great injustice
to it if we should fail to grasp its
truth.

The writer was accounting for the
fact of sin in human life, and the
teaching of this narrative is that the
consciousness of sin arose with the
consciousness of disobedience. That
is exactly where sin arises to-day.
It is in the discovery of the true
laws of God and in obedience to
them that man finds life, just as it
is in the failure to discover these
laws, and in the failure to obey them
when discovered, that man enters
upon the path of sin that leads to
death.

All are invited to the public services

burial be clothed with simplicity.
