STARTLING ANNOUNCEMENT BY THE REO CAR COMPANY

This Company Takes Large Advertising Space to Tell the Public What They Are Doing.

On pages 8 and 9 of this issue will be found a large double spread announcement from the Reo Motor Car Company. Speaking to Mr. George W. Boyd, President and Manager of Boyd's Garage, the local distributor for the Reo Motor cars and trucks, The Whig learned that this news has somewhat surprised Mr. Boyd, yet he says when he stops to think that he has sold the Reo car for 11 years in this district and only one has gone to the scrap pile in all that time and that the rest of them are all under registration and in regular use, he is really not surprised.

ALD. GEORGE BOYD, President and Manager of Boyd's Garage.

Before Mr. Boyd entered the automobile business he was a practical machinist, and before taking over the agency of the Reo Motor Car Company he thoroughly inspected the mechanism of this automobile and decided in his mind that it had merits which could not be beaten. The statement of the Reo Motor Car Company published on pages 8 and 9 to-day prove that he must have been right, for a company that is capitalized at \$25,000,000 and has a reserve estimated at half this amount, must surely be in a strong position when they can publish such advertisements as the two referred to and be prepared to back them up. The price listed in this advertisement will likely be reduced somewhat on account of the tariff adjustments, yet that was their price when this startling announcement was made. As well as Boyd's Garage being distributors for this automobile they have the largest fire proof garage in the vicinity of Kingston, carrying the largest stock of repair parts for the automobile which they sell and they keep in their repair shop high class workmen. If anything should go wrong, which is due to the assembling of an automobile, it can be adjusted without sending to factories for service men, as Boyd's

Garage mechanics are kept informed of all the latest details in automobile manufacture and are able to remedy any trouble that may occur to the entire satisfaction of the automobile owner. Boyd's Garage Limited guarantees these automobiles for a mileage of 10,000 miles and the reason for this is that the perfection of assembling and the fact that they are familiar with the product which they sell. There are very few, if any, Reo owners which Mr. Boyd has sold in his 11 years as distributor, driving any other make of car. In fact several of the users of Reo automobiles to-day were users of higher priced automobiles and numbers of them which are using them in the vicinity run back to 11 years. Plenty of them have driven Reo cars over five years and the advertisement will tell you that Reo puts money back into the owner's pocket when their cars are out on the road.

EXPECT FIVE HUNDRED AT BIG CONFERENCE

Session of Bay of Quinte Conference at Sydenham Street Church.

Rev. Dr. Trevor Davies, pastor of Timothy Eaton Memorial Church of the United Church of Canada, Toronto, will be in the city for the meeting of the Bay of Quinte Conference of the United Church, which will be held in Sydenham street church on May 28th to 31st.

The committees in charge of the arrangements, expect that there will be about five hundred delegates in the city for the conference.

Dr. Davies, Toronto, will have charge of spiritual part of the services.

Rev. Mr. Barrett, Stirling, is the president of the conference. At this gathering the delegates to the General Council of the church, which will meet in Montreal on June 10th, will be chosen.

Grant Hall was suggested as a meeting place for the conference, but on account of it being so hard to hear in this building, especially when the gallery were not occupied, Sydenham street church was chosen.

It is understood that the billeting committee in connection with the conference is going to try and make arrangements for the use of Ban Righ Hall, Queen's University, to house one hundred of the delegates. The other hundred will be entertained in the homes of the members of the six United churches of the city. The Harvard plan will be used which means that the delegates will be furnished with bed and breakfast.

On Monday, at Brockville, Rev. Frank M. Wootton united in marriage Miss Clara Hall, daughter of William Hall, and Russell Fraser, son of Russell Fraser, both of Brockville.

Plan Now for that Pacific Coast and Alaska Trip You Intend to Take Next Summer.

Next summer forget the cares of business or profession and take a trip to Western Canada, the Pacific Coast or Alaska. There's satisfaction in this kind of a vacation—a swift journey through never-before-seen country, restful stops at splendid resort-hotels, and when you reach the Canadian Rockies, gorgeous vistas of lake, forest, and towering mountain peaks.

There is never an idle moment if you travel the Canadian National Route on radio equipped trains. Crossing the vast prairie country, the Granary of the Empire is always interesting. Then there is Jasper Park and Jasper Park Lodge of Continent-wide fame. There are mountains on all sides, sky piercing giants, snow-capped massive, many of which have never been scaled.

From Jasper National Park is a never-ending succession of mountains—and more mountains—lovely valleys, turbulent rivers and dashing waterfalls until you reach the coast at Vancouver or Prince Rupert.

To make the most of your trip the voyage through the Sheltered Seaside of the North Pacific should be taken from Vancouver to Prince Rupert or Alaska. On the voyage you will see from splendid sea-going steamers, alluring inlets, towering headlands and tumbling icy streams and glaciers. On the return journey see Kitwanga and its totem poles, Mount Robson, the highest peak in the Canadian Rockies, and again to Jasper National Park.

These trips, as mapped out by Canadian National Railways are not surpassed anywhere and furnish a liberal education on Canada to our Canadian people.

Summer Tourist fares are effective between May 15th and Sept. 30th, with return limit of Oct. 31st, at a minimum of cost.

Make sure of your Western trip this summer by planning ahead. J. P. Hanley, City Passenger and Ticket Agent, Canadian National, Kingston, Ont., will give you full information and illustrated booklets.

POOR SUGAR SEASON.

The Cold Weather Militated Against Flow of Sap.

Newboro, April 12.—Mrs. Catherine Foley, Toronto, is the guest of her parents, Mr. and Mrs. C. F. Landon. The Women's Institute met at the home of Mrs. E. J. Lett, on Wednesday, April 7th. Miss Eleanor Lett was "at home" to a large number of her friends on Thursday evening, April 8th.

All the young people have returned to the different schools, after enjoying their Easter holidays. A number from here attended the funeral of Mrs. Thomas McCann, Westport, on Sunday afternoon. This is a poor sugar making season owing to the cold weather. Our snow is fast melting, appearing under the warm sun and cutting wind.

A large number of people are suffering from severe colds. Mr. and Mrs. Ernest Bell, Portland, were guests of the latter's mother, Mrs. S. Thompson, on Sunday. Mrs. (Rev.) S. E. Harrington is in Smith's Falls attending the funeral of Mrs. Best.

On account of the lake being slow in opening up, it is reported that the trapping season will not be very good. Mrs. (Dr.) Acland was "at home" to a number of her friends on Friday evening, April 9th.

SPLENDID REPORTS ON WORK OF THE YEAR

Given at Meeting of Quarterly and Trustee Boards of Sydenham Street Church.

At the final meeting for the church year the quarterly and trustee boards of Sydenham Street United Church, held on Friday evening, Dr. A. P. Chown was again elected recording steward of the church. Dr. Chown has held this position for many years, and the choice was unanimous.

The report of the Sunday School, which was presented by Charles S. Anglin, the superintendent, showed that the year which was brought to a close on March 31st, was one of the best on record. The entire revenue of the school was over \$1,500. The sum of \$550 was contributed by the children for missions. The appreciation of the boards was extended to the officers of the Sunday School for their splendid effort.

The treasurer of the church, James Shaw, reported that the finances of the church were in good condition, although there was a deficit, due to the fact that there had been considerable money spent on making alterations to the janitor's quarters as well as the parsonage.

Mr. Shaw reported that the sum of \$13,000 had been contributed by the membership of the church toward the Extension Fund of the United Church. The church was asked for \$10,000 and it over-subscribed its allotment. This will be a good thing, as it is understood that some of the churches in the presbytery did not come up to the amount asked for.

The stewards were re-elected and the four representatives from the church board to the Sunday school board were chosen.

A vote of appreciation was extended to Rev. Dr. W. T. G. Brown, for the splendid service which he had given during the year. During the year Dr. Brown, in addition to his church work in Kingston, has been absent from the city a great deal, attending meetings of the governing bodies of the United Church. As was stated at the meeting, his faithful attendance at the meetings in Toronto had been very much appreciated by the other members of the committee.

Edwin Williams and James Shaw, secretary and treasurer of the church, received the appreciation of the board in a motion which was passed. Arrangements were made for the congregational gathering which will be held on Friday evening, April 23rd, in the Sunday School hall. At this meeting the society representatives to the official board will be elected.

The official board of the Coe Hill Mission has extended a unanimous call to the Rev. M. S. Lehigh to continue his pastorate of that charge. John Kearney, aged seventy-eight, a well known resident of Morton, died Thursday morning. He was unmarried.
