FEATURING  
**SUITS**  
\$25, 27.50, \$30

**TOP COATS**  
\$20, \$22.50, \$25

Yes, the price is low but we consider the garments more important than the price, because after all value consists in what you get not what you pay. In these Suits and Top Coats you get the kind of satisfaction you usually expect from Suits and Top Coats that cost very much more. They are style-right, correct in fabric and coloring. The size range is large. They constitute a real bargain.

**Kanamori.**  
Hear the world famous Japanese evangelist, St. James' Hall, Tuesday, April 20th, 8 p.m.

**Formerly Lived Here.**  
Mrs. Thompson Whitney, who died this week in Edmonton, was formerly Lorraine Veale, daughter of Mr. and Mrs. W. J. Veale, formerly of Kingston.

**Presented Fine Report.**  
At the annual meeting of the Kingston subdivision of the Catholic Women's League, held recently, the Home and School Club of St. John's School presented a report which was an outstanding feature of the meeting. The report was given by Mrs. Robertson, president of the club, on behalf of the executive.

**Miss Wallace Given Gifts.**  
Miss C. M. Wallace, R.N., leaving Belleville General Hospital to return to her home in Orillia was the recipient of a leather hat box, presented on behalf of the Belleville General Hospital Alumnae. Miss Wallace was also presented with a club bag on behalf of the doctors of the staff.

**Much Open Water.**  
The ice in the harbor still remains intact, although there are many evidences of it weakening. In nearly all the bays along the harbor there is open water, and at the foot of Brock street, where the steamer Wolfe Islander is quartered, the open water stretches out for a long distance. The islanders were not able to get to the market on Saturday morning. The ice punt with the mail still crosses and lands at Macdonald Park.

**Vessels Enroute Here.**  
Capt. Willard has left Toronto with the steamers Canadian and Kenora, one of which will enter the Collingwood Shipbuilding Company's dry dock here for repairs and the other taken to Ogdensburg. The tugs Russell and Glyde are towing the steamers, and one of them is expected to arrive here over the weekend. The tug will likely have considerable trouble in breaking through the ice, which shows few signs of breaking up yet.

**Canton Social Event.**  
The Kingston Canton held another successful euchre party and dance at the Garden Dance Hall Friday evening, twenty-three tables being in play at cards and thirteen games played. Mrs. Nesbitt won the ladies' first prize and Miss E. Smith the consolation. Mr. Thompson the gentlemen's first and Mr. McLean the consolation. Refreshments were served and dancing enjoyed, the music being supplied by Shea's orchestra.

**Embezzlement Case Enlarged.**  
J. H. Valteau of Gananoque appeared before Magistrate Page at Brockville Friday afternoon to face a charge of embezzlement of funds of the Thousand Island and Oshawa Railway Company, and through his counsel, H. F. J. Stuart, pleaded "not guilty." At the request of the accused's counsel, the case was enlarged till April 24. It is understood that the amount of the shortage reaches about \$15,000.

**At the Public Library.**  
March was the busiest month of the year for the Public Library, 21,571 books having been taken out in that month. The adult library accounted for 16,245 books and the children took out 5,326. February was about 1,100 books lower than this record but January was within 100 of it. March is always the largest month of the year, but October runs it a close second as to the number of books taken out and this year owing, partly to the disagreeable weather, April is holding up much better than is usually the case.

**Patent Infringement Case.**  
Justice Mowat has set the date for trial of an action brought by the Durable Electric Appliance Company, Limited, Toronto, against the Renfrew Electric Products, Limited, charging infringement of mechanical and design patents, not later than June 1st, in the non-jury sessions, Toronto. In the interim the defendant was instructed to keep special account of all electric heaters in question and that the plaintiff shall have access to this account. Costs of the day were awarded to the plaintiff.

**Resolution of Appreciation.**  
Mr. P. D. Lyman, secretary, writes: "I have much pleasure in forwarding to you the following resolution, which was unanimously passed at the semi-annual meeting of the Club held on Thursday evening. 'That the thanks of the Kingston Curling Club are hereby tendered to the Kingston Press for their continued interest in the 'Roarin' Game and their very full reports of all the club's activities. And that a copy of this resolution be sent to the editors of both the British Whig and Standard.'"

**Once Teacher in Kingston.**  
The Chicago Canadian-American has an article and picture about Dr. R. K. Row, president of the Queen's University Alumni, in the Windy City. It says that Dr. Row has for years been a publishing executive. He is president and chief editor of the publishing house of Row, Peterson & Co., 423, S. Wabash avenue. His series of school readers and "studies in English" are widely used. His firm's "History Stories of Other Lands," in six volumes, is one of the best works of its kind. Dr. Row, who is a voluminous writer and

author of many books, was one of the founders of the National Association of Educational Publishers.

**When Publicity is Not Needed.**  
The St. Catharines Standard says: The practice has developed among certain Ontario newspapers of watching Portsmouth penitentiary for the release of prisoners who have been connected with notorious cases. These men coming out have no doubt resolutions to make a new start in life, and the broadcasting of their release on parole or otherwise might very well be considered a handicap to their welfare. Once the ends of justice have been met, it is nobody's business as to the plans of a released prisoner, providing he is out to make a good, clean start.

**Married at Brockville.**  
At Brockville, on April 14th, Lillian Mae, third daughter of Mr. and Mrs. Wells Darling, Lyn, was united in marriage to Gordon Hartley Avery, son of Mrs. Robert Avery. The bride wore a rust crepe-de-chine dress with coat and hat to match, and fur choker the gift of the groom. The bride was attended by her sister, Miss Violet Darling, and the bridegroom was supported by his brother, Robert Avery. The groom's gift to the bridesmaid was a rope of pearls. The happy couple left for Montreal. On their return they will reside in Mallorytown.

**Funeral of William H. Sullivan.**  
The funeral of the late William H. Sullivan took place on Saturday morning from the residence of his nephew, M. J. O'Reilly, 110 Earl street, to St. Mary's Cathedral, where a solemn requiem mass was sung by Rev. Father R. J. Coyle. The funeral mass was quite largely attended by old friends of the late Mr. Sullivan and representatives of the Bar Association. There were many floral tributes and spiritual offerings placed around the casket. The pall-bearers were Messrs. J. M. Farrell, J. F. Hanley, Charles S. Kirkpatrick, J. W. Rigney, William Mundell and Dr. William Gibson.

**Kingston Sea Cadets.**  
The April issue of The Sailor, the official organ of the Navy League of Canada, contains a number of pictures of members of the Kingston Sea Cadets. One picture shows the Sailor's Hornpipe Dancing Class and the boys in the class are G. Swain, G. Sharp, J. Bland, W. Pearn, S. Tweedley, T. Tugwood, A. Campbell, W. Newman and Miss Jean Duncan, the instructor. Another picture is of Russell Charlton, the winner of the Junior Laura Secord Rifle prize for Military District No. 3. The third picture is the Junior Rifle team composed of J. Sewain, A. Tugwood, A. Campbell, W. Thomas and D. Richards.

**Kiwanis Activities.**  
Monday's meeting of the Kiwanis Club will take the form of an attendance meeting and a 100 per cent. attendance has been urged by the officers of the club. At this meeting the speaker will be Prof. W. T. MacClement of Queen's University, who will speak on "Canada's Forest Situation." Next week is "Save the Forest Week" and the Kiwanis Club is observing it by having the speaker of the meeting talk about the forests. The booster at Monday's luncheon will be Kiwanian John Donnelly of the Donnelly Salvage and Wrecking Company. Lieutenant-Governor Bill Cockburn will pay his official visit to the Kiwanis Club here on April 26th.

### HAVE TOURIST CAMP AT ONTARIO PARK

Local Association Confers With Leon Fraser of Provincial Tourists' Association.

Kingston will have a tourist camp at Lake Ontario Park again this summer. This was definitely decided on, at a meeting of the local Tourists' Association held on Friday afternoon, when the members of this association had the pleasure of meeting Mr. Leon Fraser, secretary of the Provincial Tourists' Association, who is spending a few days in Kingston on organization work. Matters pertaining to the camp were discussed and the members are most enthusiastic over the prospects. The chairman, Ald. Martin, presided at the meeting and also present were Stewart Crawford, P. B. Chow, Ald. George Boyd, Dr. W. W. Sands, J. A. Minnes, Leon Fraser, H. C. Nickle, Howard Kelly, H. D. Wightman, (secretary.)

### The Family Market Basket

The price of potatoes soared still higher, and the few that were on the market Saturday morning were easily disposed of at \$4.50 a bag, the highest they have sold at in Kingston for several years. Eggs were somewhat scarce also, and sold at 35c. a dozen. Considerable maple syrup was in evidence on the market and sold at \$2 and \$2.50 a gallon. Veal was priced at 12c. and 15c. and other meat prices were the same as last week. The market was only fair-sized, but there were plenty of buyers.

Miss Jennie Kavaner, confined to her home at Bay View with diphtheria, is able to be back at her work in Kingston.
