PRINCES OF CHURCH TO ATTEND CONFERENCE

Papal Secretary and Ten Cardinals Will Participate in Great Gathering.

For the first time in history, the International Eucharistic Congress will be held in the United States. In 1910 the Congress was held in Montreal, but with this one exception all former congresses have been held in the capitals of Europe. Chicago will be the scene of this vast cosmopolitan assemblage, June 20th to 24th, and through Toronto practically the whole of Ontario, to this city will enable many thousands of Canadians to participate in the inspiring ceremonies and witness what will be the greatest religious demonstration in the history of the continent.

Special trains originating in Toronto will leave on the night of June 19th, arriving in Chicago in time for the opening. Through the same agency arrangements have also been made for suitable accommodation for the Ontario visitors of ample train and hotel accommodation, the Ontario party will number many hundreds.
