SONS OF ENGLAND ENJOYED A BANQUET

In Honor of St. George's Day
—Major James A. Edwards, Montreal, Present.

In celebration of St. George's Day, the local Sons of England held a very enjoyable banquet and concert in their rooms, Friday evening. Mayor Angrove presiding over a large gathering. The members and their friends sat down to a very fine repast at seven o'clock, and it was followed by singing and short speeches. Toasts were proposed to "The King and Empire" by Major James A. Edwards; "Our Guests," by President Osborn and responded to by Mayor Angrove; "St. George," by Major Edwards and responded to by Bro. Hawley, and "Leicester Lodge," by H. Baldwin and responded to by Bro. Twigg.

Major James A. Edwards, vice-

president of the Montreal branch of the Army and Navy Veterans, in proposing the toast to "The King and Empire," spoke of His Majesty and the Empire, "the greatest Empire the world has ever seen." "We have every cause to be proud to our Empire," Major Edwards said in closing.

President Osborn, on behalf of the Sons of England, extended a hearty welcome to those present and expressed his pleasure at seeing such a large gathering of ladies. The president stated that the lodge intended holding more gatherings of this nature.

Mayor Angrove, in responding to the toast to "Our Guests," stated that he was pleased to respond to the toast and to be able to except the invitation. The mayor, when speaking of the Empire, stated that England has accomplished more for the whole world than people realize and that he was proud to be a British subject. In closing he paid tribute to the patron saint of England, St. George.

Bro. Hawley spoke of the legend connected with the saint, and stated that England follows that example. As St. George killed the monster dragon to free England from a curse, so did England step in in the great war to help a nation that was being oppressed by one much stronger in military tactics.

Mr. H. Baldwin spoke a few words about Leicester Lodge in proposing the toast, which was responded to by Bro. Twigg.

Community singing was enjoyed, led by Mr. I. C. Edwards. Vocal solos were rendered by Mrs. Edwards, Mrs. I. C. Edwards, Mr. G. Ackton and Mr. H. Flowers, and a recitation was given by Major Edwards. A comedy sketch by E. Parker and L. House added greatly to the evening's entertainment.

FORT GARRY CAFE.

Re-opens for Business After Being Remodelled.

The Fort Garry Cafe, 157 Princess street, which has recently been remodelled at a large cost, was open again for business on Saturday morning at eleven o'clock. This cafe was closed about a month ago for the purpose of being renovated, and made one of the most up-to-date restaurants in Eastern Ontario. No money has been spared in making this cafe a fine place in which to eat.

The Fort Garry is equipped with stalls similar to those used in the modern cafes in the large commercial centres. The management has had the floor covered with beautiful carpet, which certainly goes a long way toward making the place feel homelike. The lighting effects are very fine.

Lords Banbury and Lambourne urged reimposition of embargo against Canadian cattle, in speeches to House of Lords.

A MEDICINE THAT ALL MOTHERS PRAISE

Baby's Own Tablets Banish Babyhood and Childhood Ailments.

Mrs. H. Oakes, Sarnia, Ont., says: "I have used Baby's Own Tablets in my home for the past fifteen years and I believe the good health my children enjoy is due entirely to this medicine. The Tablets are helpful at teething time; relieve colds and are always beneficial in the minor ailments of little ones. I have recommended Baby's Own Tablets to other mothers whose experience with them has been as satisfactory as my own."

Baby's Own Tablets do one thing only, but they do it well. They act as a gentle laxative which thoroughly regulates the bowels and sweetens the stomach, thus banishing constipation and indigestion; colds and simple fevers and turn the cross, sickly baby into a well, happy, laughing child.

Baby's Own Tablets are sold by medicine dealers or direct by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

GIRL GUIDE CONCERT.

Haydn's Toy Symphony and "The Clancy Kids" Given.

The 9th and 11th Companies of Girl Guides and 1st Brownie Pack put on a most successful entertainment on Thursday and Friday evenings of this week in the company headquarters, St. James' parish hall.

The two main items of the programme were Haydn's Toy Symphony and a play entitled "The Clancy Kids." For the former the girls were trained by Mrs. A. R. B. Williamson, Mus.B., and the result was what would be expected from such leadership. Those present were surprised and more than pleased with the harmonies produced from different toys used—children's horns, drums, rattles, whistles, etc. The violin work was taken by Miss Isabel Sargent, and the cello by Master Wilfred Gummer. The toys were played by twenty of the girls.

"The Clancy Kids" was a very amusing play, produced under the leadership of Mrs. Savary. The parts were taken by Misses Muriel and Ethel Crawford, Cora Horne, Maude Holtham, Alice Bateman, Alice Scott, Hilda Pearson, Marion Scrutton, Ethel Twigg, Augusta Holtham, Gertrude Lawson, Gertrude Ballard.

In addition, the programme was supplemented by a piano solo by Phyllis Gummer, vocal solo by Elsie Holland, nursery rhymes dance by Annette Schalberg and Phyllis Gummer, drum and traps by Sybil Hembrooke. The accompanist for the Toy Symphony on Thursday was Mrs. Williamson; last evening, Mrs. Entwistle. Mrs. A. J. Echlin accompanied for the other items.

GAVE FINE ADDRESS.

Dr. G. B. Reed of Queen's Addressed Horticulturalists.

The Kingston Horticultural Society held another of its illustrated lectures in the Dairy School on Friday evening. The assembly hall was well filled with horticulturalists and their friends.

Dr. G. B. Reed of Queen's University was the speaker of the evening, and his subject was "Color." He not only explained in simple language some of the secrets of nature's great chemical factory, but also gave practical demonstrations showing that flowers are red, pink, or blue, and yellow, or various tints according to the chemical properties of the juice in the leaves and stems. The speaker also explained the changes that took place in the trees and shrubs whereby nature clothed herself in the gaudy colors of autumn. The beautiful slides used by the lecturer revealed nature as the great master artist in the blending of colors.

A vote of thanks, moved by Prof. J. Macgillivray and, seconded by Prof. W. T. MacClement, was tendered Dr. Reed for his interesting and instructive address.

The Horticultural Society expects to hold three more public lectures before the hot weather sets in.

ROCKFIELD REPORTS.

Death in Detroit, Mich., of Mrs. Martha Griffin.

Rockfield, April 23.—The warmer weather is being greatly appreciated as the regular work of the sporting time is considerably behind now. Mr. William Kennedy, Brockville, paper-hanger and decorator, has been assisting them for the past two weeks. The sap season, which has been rather unsatisfactory, seems to be about over with for another year.

Elwood Earle, Detroit, Mich., spent a few days last week with relatives and friends here. He left by motor Sunday morning on his return trip, accompanied by Mr. Lloyd Herbison, who contemplates spending some time in Detroit. Mrs. Moorehead, Warburton, is spending a few days with her daughters, Mrs. R. Webster and Mrs. C. Earley. Mr. Alfred Ferguson motored to Toronto last week to attend the convention of motor policemen held in that city. Mr. and Mrs. Harold Dempster, Gananoque, visited at J. H. Earle's, on Sunday.

Friends of Mrs. Martha Griffin were sorry to learn to-day of her death in Detroit, Mich. Her funeral will be held in Mallorytown tomorrow afternoon.

Attacking Rutland Boughton, British composer who joined Reds, Israel Zangwill says Communism and Art cannot go together.

Schoolgirl, aged 9, kidnapped at New York, was returned home unharmed, after her father refused to pay ransom demanded.

PROBS—Rain this afternoon and to-night. Sunday westerly gales, clearing and quite cold.

Years ago, when performance was the one standard by which all cars were judged, the Ford established its superiority beyond argument.

But the buyer of today is not satisfied with quality of performance alone. He insists that the same quality be evident in every feature of equipment which contributes to the appearance or comfort of his car.

Upholstery, for instance, has to be doubly satisfactory. It must appeal to the feminine eye for beauty and it must conform to the masculine conception of long wearing ability.

In Ford upholstery, beauty of fabric is self-evident and hard wearing qualities are assured by means of the rubbing test which is applied to every batch of fabric that comes to the factory.

In this test, two cushions are placed face to face and subjected to vigorous rubbing under pressure until they wear through. The time required to do this establishes the wearing qualities of the fabric.

Scrupulous attention to quality in every detail is the basis of Ford owner-satisfaction.
