Open every afternoon except Sundays and holidays, from 3 to 5 p.m. All are cordially invited to the services and to make use of the public reading room.

GANANOQUE AMATEURS PRODUCE FINE PLAY

Death of Miss Agnes Deir in Kingston—Canadian Club Dinner.

Gananoque, April 24.—The play, "When Doris Comes to Town," was presented in the parish house on Thursday and Friday evenings, both performances being very largely patronized. It is saying a good deal to report this as one of the best amateur plays ever put on in the parish house as the Dramatic Club of Christ Church has the reputation of presenting always something unusually good. Every member of the cast is to be congratulated for the splendid manner in which they produced this little play, and which made one forget at times that it was really just an amateur performance. The following made up the cast: Misses Chrissy Worth, Freda Chevis, Ada Mills, Daisy Worth, Messrs. A. Laver, Ray Ward, Howard Currie and Earl Heatings. Thursday evening the St. Lawrence orchestra furnished music and last evening a symphony orchestra, comprising artists from the congregation, supplied excellent music.

She found them a great help

Ontario Lady Now Free From Kidney Trouble After Using Dodd's Kidney Pills.

Miss M. Dykeman Suffered With Pains in Her Back and Inflammation of the Bladder. Thameville, Ont., Apr. 23 (Special).—Once more Dodd's Kidney Pills have proved their inestimable value to suffering women. Miss M. Dykeman, of this place, suffered from kidney trouble. She writes: "I had a terrible pain in my back and had inflammation of the bladder. I saw your advertisement of Dodd's Kidney Pills and thought I would try them. I found them a great help. I took several boxes and have not had any trouble with my kidneys since."

The reason why Dodd's Kidney Pills are so popular is because of the good work they do. Ninety per cent. of the ills from which women suffer come from weak or diseased kidneys. They are the organs which must be kept strong and healthy, otherwise they will fail to do their work of straining the impurities out of the blood. Safeguard yourself against the complications which follow kidney disorder, by taking Dodd's Kidney Pills.

The net proceeds will amount to a very gratifying little sum. Mrs. W. E. Meggs, Detroit, brought the remains of her aunt here from Detroit. Interment was made yesterday at Caintown, and among the Gananoque friends who attended from here were Mr. and Mrs. A. E. Meggs, Miss Sadie Meggs and Mrs. B. O. Britton.

Following a serious operation, Miss Agnes Deir passed away at the Hotel Dieu, Kingston, on Thursday. Miss Deir, whose home was in Lansdowne, spent the winter here with her sister, Miss Lottie Deir. Surviving are five sisters and two brothers: Miss Lottie Deir, Gananoque; Mrs. John Fodey, Lansdowne; Mrs. P. Shea, Sheatons; Mrs. Patrick Innes, Detroit; Mrs. Patrick Milne, Brewster; Mrs. Thomas, Gananoque North, and W. A., on the homestead, Lansdowne. The funeral took place this morning to St. John's Church, where a requiem mass was sung for the repose of her soul by Father Hanley, after which the remains were placed in the vault at the Gananoque cemetery, and interment will take place later in the family plot at Lansdowne.

Clifford Lucey's friends are sorry to learn that he is quite seriously ill at his home here.

With a goodly portion of the town in the Capital yesterday, there was a holiday atmosphere in the air.

One week from Sunday Gananoque starts on the daylight saving schedule, the clocks being turned forward an hour at midnight, May 2nd. Judging from cottages already spoken for in this vicinity, it begins to look like a busy season on the St. Lawrence.

Mrs. H. Miller, St. Catharines, is with Mrs. H. Vallau.

Mr. and Mrs. Ambrose Shea, Kingston, motored down on Thursday with Dr. and Mrs. F. J. O'Connor. Mr. Shea was among the Kingstonians who attended the Canadian Club banquet and Mrs. Shea was the guest of Mrs. W. J. Wilson while in town.

With all the other real signs of spring that are cropping up the last few days, a very significant reminder of its approach is the number of tramps passing through the town. One resident reports seven requests for meals from "Weary Willies" in the course of a few days.

H. Lloyd Halpenny, Arts, Queen's University, has arrived home for the summer. Mr. Halpenny who was engaged with the Standard Paving Company last summer, expects to find employment with them again this season. It will soon be time to decide whether the Wednesday afternoon holiday will be observed this summer, or whether closing at 5 o'clock every day during the summer months will take the place of the half day each week. The Canadian Club meeting held

at the Provincial on Thursday evening, when Judge McGlade was their guest of honor, goes down in its history as one of the very best. The Judge's address was a most eloquent and masterly one, his subject, Canada, from the standpoint of Economics, Political, Racial and Religious gave this eloquent man big scope. The Judge was introduced by J. Arthur Jackson. Rev. Father Hanley moved the vote of thanks which was seconded by Dr. Sinclair. Father (Capt.) Nicholson, Dr. Fergus O'Connor and Dr. Gibson, Kingston, also gave short addresses. Mayor Wilson was in the chair. The dinner was provided by Miss Host McCarney was a most excellent one. There was a large number present from Kingston. In view of the presence of so many strangers and out of deference to them the annual meeting which was to have been held Thursday evening was postponed to a later date. Mr. Fox, our new shoeman was received into the fold on this occasion. Wilfrid Morgan, Rochester, N.Y., is the guest of his mother, Mrs. Frank Amo, but will leave in a few days for Hartford and other points in Connecticut.

G. RUSSELL DONALDSON, Magazine Manager in New York. He was on the editorial staff of The Whig for several years.

Across Canada and Back. Marvelous beyond conception inly describes the glories of Canada's Rockies. To be fully appreciated they must be seen. To start out on a trip by one's self into this unfamiliar but far-famed paradise-on-earth, to many appears quite a task. Realizing this, Dean Sinclair Laird, of Macdonald College, an experienced Rocky Mountains traveller, has undertaken to conduct a party through this glorious wonderland. A special train of dining, standard sleeping, and observation compartments cars has been chartered, to leave Toronto on July 19th via the Canadian Pacific Railway. Stops will be made at Port Arthur and Fort William, which together form Canada's greatest grain port; Winnipeg Beach, the popular summer resort for Winnipeggers; Indian Head, the chief feed distributing centre of the Federal Forestry Branch; Regina, the capital of Saskatchewan; Calgary, Alberta's largest city; Banff, the world-famous mountain resort; by automobile for 194 miles over the Banff-Wilderness Highway, the most spectacular drive in Canada; through Kootenay Lake to Nelson, the commercial centre of Southern British Columbia; then through the Doukhobor country to Penticton; along lovely Okanagan Lake, and to Vancouver, thence by steamer to Victoria.

Returning, the trip will be by the main line of the Canadian Pacific, through the great canyons of the Fraser and Thompson Rivers, and through the Selkirk, and Rockies, affording scenery such as can be found nowhere else on earth: Lake Louise, the Pearl of the Rockies, the most perfect gem of scenery on the world; another day at Banff, Edmonton, the Capital of Alberta; Saskatchewan, the city of optimism; Devils Gap Camp, on the Lake of the Woods, near Kenora, thence to Fort William, where one of the fine Canadian Pacific steamers will be used across Lakes Superior and Huron to Fort McNicoll, then rail to Toronto, where the trip will terminate.

Everything is included in the price of \$330, from Toronto; transportation, sleeping cars, accommodation in hotels, and bungalow camps, meals in diners, hotels and on steamers, and sight-seeing tours at points visited.

The trip is open to all, and applications for accommodation, are being received.

Fares from other points than Toronto will be named, and descriptive illustrated booklet sent on application to Dean Sinclair Laird, Macdonald College Post Office, Que.

The United States Bureau of Chemistry has designed new dust-handling equipment for grain elevators which will lessen the danger of dust explosions.

Tweedell's for best values in Top Coats, \$18 to \$25.

Three million people died from smallpox in the East Indies in 1770 and 1771.

Home Not Complete Without Nerviline

When your stomach is badly upset, when you are belching gas and suffering from nausea, the quickest relief will come from 20 drops of Nerviline. Take it in sweetened water and you get an immediate result. Nerviline has been used for nearly half a century and is considered a necessity in most homes, because of its usefulness in preventing many small ills that constantly arise. Sold everywhere in 25 cent bottles.

She Could Hardly Do Her Housework Nerves Were So Bad

Mrs. I. M. Parks, Coneseon, Ont., writes: "I had heart and nerve trouble, and became so short of breath I could hardly do my daily housework, and was so nervous I could not think of staying alone, as every little sound I heard felt like a shock to me."

I Saw recommended, so I tried a box, and after taking the second one I am now feeling like a different woman. This preparation has been on the market for the past 32 years and has achieved a wonderful reputation for the relief of all heart and nerve troubles. Put up only by The T. Milburn Co., Limited, Toronto, Ont.
