P. J. Dwyre, prospector and promoter, opening up feldspar properties in the vicinity of Hybla Station, reports the sale of the mineral rights on several properties to the Consolidated Feldspar Mines Company of Toronto. Mining operations by this company are expected to commence shortly.

Named After Dr. Philip Nash.
The names of a number of streets on Coney Island are being changed and among the changes will be that of West Thirtieth street, to "Nash Place" after Dr. Philip Nash, president of the Coney Island Chamber of Commerce. Dr. Nash is a former resident of Kingston and a brother of ex-Alderman Joseph Nash.

Many Chimney Fires.
Chimney fire are keeping the firemen right on the hop these days. On Wednesday they answered four calls. The first one was at 9.12 Wednesday morning to 296 Nelson street, one at 12.11 p.m. to 27 James street, another at 2.29 to 122 Nelson street and the last one was at 10.15 last night to 63 Patrick street. There was no damage done in any case.

Sir Henry Thornton To Act.

The Wall Fell Down.
Sunday night part of the north end wall of the old Spalding and Stewart distillery Perth, crumbled and fell into the Tay canal. For a number of years this wall showed signs of buckling in the center and it was conceded that it was just a matter of time until it gave way. The building is now owned by the Henry K. Wampole and Company, and used as a storehouse. The wall will be rebuilt.

Told the Story.
A kid in Kingston in 1813, when this city swarmed with sailors and soldiers and ships and guns, for it was wartime, says he hid in a commissary wagon and was transported to Toronto. His story in "The Story of the Nancy" is reproduced in the Toronto Telegram. He gave his view of the capture of that city on April 23, 1813. The British forces when they found they were being overwhelmed retreated to Kingston.

To Inspect County Roads.
A committee composed of Warden C. J. Graham, Reeves J. S. Sibbit, Samuel Jamieson, J. Edward Freeman, Silas, Deputy Reeve W. R. Aylesworth and County Road Superintendent Fair will make an inspection of the roads in the Good Road System for the county of Frontenac next week. Under the new system, the money raised for good roads purposes is all pooled, and this committee will say where the money is to be expended this year.

Police Court Cases.
A further adjournment until Monday was made in the case of a woman charged with selling liquor without a license, in the Police Court on Thursday morning. Home brew beer

found in her home by the police, has been tested, and the result of his test will be made known when his case comes up again on Monday. The accused pleaded not guilty. A citizen was charged with attempting a serious offence against a girl under fourteen years of age. He pleaded "not guilty," and the case was enlarged till Monday.

Tulips Are Late.
If the gardens get another week of warm weather it is fully expected that the tulips will commence to show signs of bloom. George Stockbridge, the Canadian Pacific gardener, informed The Whig to-day that the flowers have shown growth in the past few days. The tulips, which this time last year were in full bloom are about three inches above the ground. With another week or ten days he expects that a large number will be out in flower. The tulips, eight thousand in number on the C.P.R. lawn, will not likely be in full bloom until the middle of May.

County School Fairs.
A. W. Sirett, local representative for the Ontario Agricultural Department announced to-day that from the present indications there would be a larger number of children enter the school fair competitions this year than usual. For the past few weeks Mr. Sirett and his assistants have been busy getting the supplies ready. On Tuesday he visited the schools in Portland township. On Wednesday Kingston township schools were covered, and if the weather is suitable the supplies will be taken to Storrington schools on Thursday. Mr. Sirett stated that the dates for the fairs had not yet been chosen. It is a difficult task to arrange the fairs this year in view of the fact that the Kingston Industrial Exhibition is earlier than usual.

Cahill-Leggett Wedding.
A wedding of interest to many in Smith's Falls took place at Kingston, on Monday, April 26th, when Father Coyle, St. Mary's Cathedral, united in marriage, Irene Myrtle Leggett, younger daughter of Mr. and Mrs. George Leggett, Perth, and James Leonard Cahill, son of Mr. and Mrs. John Cahill, Smith's Falls.
