DROVE AN AUTOMOBILE WITHOUT 1926 MARKER

Owner Said His Son Had Taken It Out Without His Permission.

If you are the owner of an auto and have not yet secured your marker for 1926, don't take a chance and drive the car around the city. If you do take this chance you are liable to get into trouble.

A certain owner of a car took such a chance the other night, or rather his son did, but being the owner of the car, the father was the responsible party, and he was summoned by a constable, who caught the car going around the streets without the necessary marker.

When arraigned before the magistrate, on Thursday morning, the owner of the car stated that he had overhauled his car and had it in readiness for his new marker, but that his son had used it without his permission. He said he now had a new marker.

In view of the circumstances, the magistrate allowed the offender to go with a warning.

A FOUR-ACT COMEDY AT ST. LUKE'S HALL

"Plain People" Presented by a Capable Company and Was Greatly Appreciated.

"Plain People," a rollicking four-act comedy, was presented to a very appreciative audience by the St. Luke's Bi-Nails Club, in the hall, Wednesday evening. All the parts were capably taken, and the play was presented in a manner creditable to performers of long experience. The audience was kept in fits of laughter by the comical situations and amusing speeches.

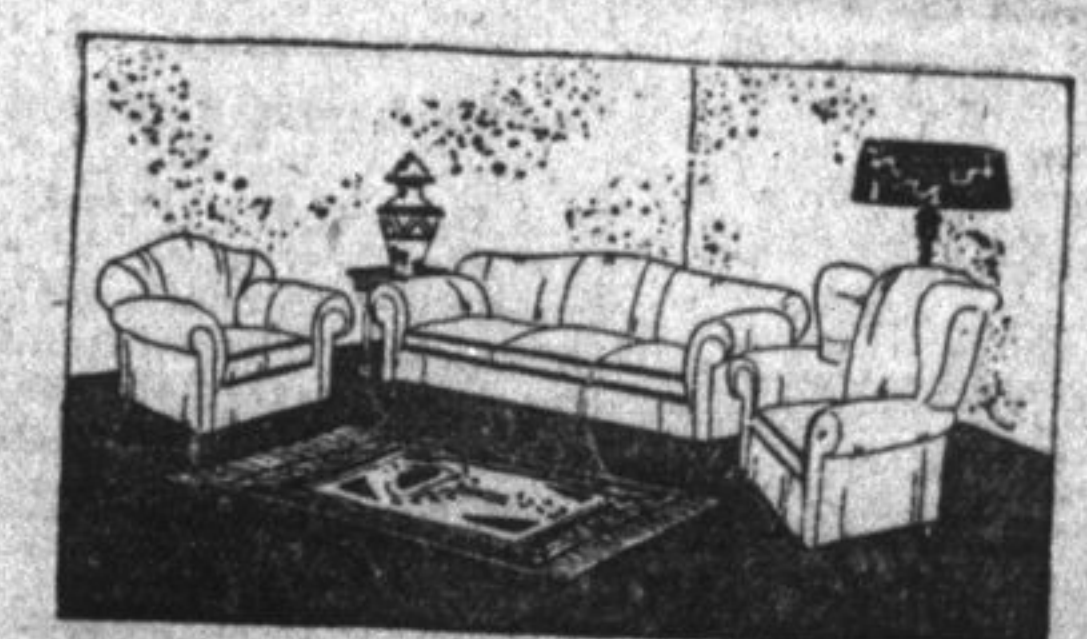

The scene was in a country grocery store, with Mr. Woodland Murray capably enacting the role of the proprietor; Miss Ruby Colquhoun his wife, and Mr. George Shea, their son. The role of "the brat," in the hands of Miss B. Saunders, was very well presented and Miss M. Allen as the town gossip, filled her part to perfection. Mr. G. Saunders as the farmer, Miss G. Allan as his sister, and Mr. A. W. Wakin also contributed greatly towards the success of the play. It will be presented again this evening.
