

Mother's Day Sunday May 9

Make Her Happy with a Gift

Mother—ah yes, I hold her dear!
Her day comes round just once each year,
(Though miles of space may intervene),
My love for her she sure will see
In flowers by wire through F. T. D.

Flowers by wire delivered any place in
the world in a few hours.

Give us the name and address—we do
the rest.

MOTHER

For all the love you've given me,
For all the prayers you've prayed,
For all the tears, and all the care,
The sacrifice you've made.
For all I am, or can become,
For all in me, that's true.

I want to thank you, mother mine,
For all to you is due;
And to the God who loves you,
Upon my knees I pray,
To send a wealth of happiness,
To YOU this Mother's Day.
