AMUSEMENTS
What the Press Agents Say About Coming Attractions
AT THE CAPITOL.
Beauties Surround Dashing Hero in "Bluebeard's Seven Wives."
It is probable that no other leading man of the screen has such a galaxy of feminine beauty in his support as Ben Lyon in Robert T. Kane's First National production, "Bluebeard's Seven Wives," now showing at the Capitol Theatre.

Playing opposite the young star is Lois Wilson. As his leading lady in "Romeo and Juliet," a picture within the picture, is Blanche Sweet. In addition, there are the seven "wives," Dorothy Sebastian, Diana Kane, Katherine Ray, Lucy Fox, Muriel Spring and Kathleen Martin. Surrounded by all this delightful femininity, Ben Lyon romps his way through situations that alternate between the ridiculous and the romantic. At first he appears as a bashful, stammering bank clerk. Second he stars in a picture in a role of the Valentino type. Next, he is passed off as a celebrated Spanish film star by his press agent. Fourth, he assumes the part of Romeo in "Romeo and Juliet," and fifth, and last, he returns to his original self.

PUTNAM'S CORN EXTRACTOR IS PAINLESS

BIG SALE UNDER WAY AT BARNET LIPMAN'S
Large Number of People Are Taking Advantage of the Wonderful Bargains.

If you want to get real value for your money, pay a visit to Barnett Lipman's men's furnishing store, Princess street. The big sale is now in full swing, and already a very large number of people have taken advantage of the real bargains. This without doubt, one of the best sales of its kind ever put on in Kingston, and affords the city and country folk alike, a wonderful opportunity to make purchases at a reasonable price.
Mr. Lipman has everything he has advertised, and as a result there is no disappointment for his customers. A representative of the British Whig called at his store on Thursday forenoon, and had the pleasure of looking over the goods Mr. Lipman is offering for sale, and was greatly surprised at the reduced prices for goods of value.
The sale will continue all this week, and the people of Kingston and this district, who have not yet had an opportunity to visit the store, should do so at once.
The store is filled with a splendid stock in the various lines, and there is something to please the taste of everyone.
It is a sure "money-saver," and at this time of the year, when there is such a demand for goods that this store is carrying, everyone should take advantage of the sale.

Would Like Holiday On May 24th
Will Kingston celebrate on May 24th or on June 3rd?
Quite a number of people have informed the British Whig that they would like very much to see Kingston observe May 24th instead of June 3rd.
It is stated that in view of the fact that the majority of the larger centres observe May 24th, Kingston should also fall in line. It is also pointed out that as May 24th falls on a Monday this year, it would be a most desirable day for the holiday.

QUEEN'S TRUSTEES HOLD MAY SESSION
Hon. W. F. Nickle Re-Elected Chairman—Autumn Convocation on November 12.

A meeting of the Board of Trustees of Queen's University was held on Wednesday evening. The following out-of-town members of the Board were present: Hon. W. F. Nickle, (chairman), Dr. J. Mackintosh Bell, Mr. D. I. McLeod, Dr. W. L. Grant from Toronto; Sir Robert Borden, chancellor, Very Rev. Dr. W. T. Herridge, Senator Andrew Haydon, Dr. O. D. Skelton, Mr. G. F. Henderson from Ottawa; Mr. R. O. Sweeney from Montreal; and Rev. Dr. D. R. Drummond, from Hamilton.
As was previously announced, Dr. Short and Dr. Skelton were elected to the Board by the graduates. Dr. W. L. Grant and Mr. J. M. Campbell by the benefactors; and Hon. W. F. Nickle and Dr. Farrell by the Council. Queen's Theological College has appointed the Rev. George A. Brown, and at the meeting held yesterday, the trustees re-elected Col. R. E. Kent, Captain J. Donnelly, Senator A. Haydon, and Mr. E. R. Peacock. The place of Dr. Hamilton Cassels was filled by the appointment of Mr. A. B. Turner of Hamilton.
Associate Professor Robertson was given the status of full professor in the Department of Physics, and Associate Professor McRae, the status of full professor in the Department of Chemistry.
No other promotions were made at this time, but the Principal was requested to submit a report at the autumn meeting dealing with changes in salary and status.
The Principal submitted his report in printed form and the secretary submitted the report of the executive committee, the financial statement for 1925-26, and the estimates for 1926-27.
In his financial report the secretary stated that for the last five years it had been the policy of the trustees to balance the budget and that in carrying out this policy it had not been found possible to take care of the growing needs of the university. The Endowment Campaign had been launched in order that money might be available for the imperative needs of the University.
It was decided to have the autumn convocation, not in the middle of October as usual, but on Friday, November 12th, during the week of reunion following the close of the Endowment Campaign.
The executive committee was re-appointed and the chairman of the Board, Hon. W. F. Nickle, was re-elected.
At the close of the meeting, Mr. Stalford was invited in to discuss with the trustees various aspects of the Endowment Campaign. All reports received from the campaign were most encouraging.

Simple Remedy For Bad Stomach Gives Quick Relief
No Need of Strong Medicines or Diet—Famous but Simple Old English Recipe Keeps Stomach in Prime Condition, Eliminates After-Eating Distress.
If you are a victim of Stomach Troubles—Gas, Sourness, Pain or Bloating—you may have quick and certain relief by following this simple advice.
Don't take strong medicines, artificial digestants or pull down your system by following unnecessary starvation diets. Never hurry your meals or overeat of anything, but within reason most folks may eat what they like—if they will keep their stomachs sweet, clean and active and free from the souring acids that hinder or paralyze the work of digestion.
And the best and easiest way to do this is to follow every meal with a small amount of pure Bismarcked Magnesia—a pleasant, harmless and inexpensive form of Magnesia that promptly neutralizes acidity and keeps your stomach sweet and clean.
A week's trial of Bismarcked Magnesia, which may be obtained from any druggist for only a few cents, will surely convince you of the great value of this old English recipe. Bismarcked Magnesia—no, a laxative.
