An Announcement and an Explanation

Springtime is house-cleaning time—and store-cleaning time—and in connection with our May Progressive campaign we are doing just that—in every sense of the word.

FIRST—
Our store has been in the hands of the Painters and Decorators. We feel an apology due to our friends and customers for any inconvenience this may have caused during the past week.

SECONDLY—
Store-cleaning time means too the complete cleaning of all Spring merchandise, so that the bright, new, crisp, summery things soon to arrive may have the wardrobe space now devoted to present Spring apparel.

AND THAT IS WHY SUCH VALUES ARE OFFERED YOU TO-MORROW.
