Tongue Was Coated **Bad Taste In Mouth Every Morning**

Mrs. J. R. Adams, Assiniboia, Bask., writes:- "For months I was troubled with a coated tongue, and had a bad taste in my mouth every morning.

One day I saw where your Milburn's

were advertised for just such a condition as mine, so I went at once and bought three vials of them, but after using one-and-a-half, all my troubles disappeared."

McClary's HOT & CROSS Burner -a great new gas cooking development

A LWAYS in the lead, McClary's A Gas Range is now doubly desirable because of its wonderful new "Hot Cross" burner. This latest and greatest development reduces gas consumption 14% and makes gas cooking spaedier, more efficient and more satisfactory in every

McClary's "Hot Cross" burner focuses the intense heat of 24 clear blue flames right under the pot. There is no waste, no "floating" or "loose" flame. This is achieved

by introducing more oxygen, making cooking fast, efficient and substantially reducing gas con-

Another important feature of McClary's "Hot Cross" burner is that it does not pop back. McClary's patented non-pop screw eliminates "popping" entirely. These two exclusive qualities, plus its cleanable porcelain-enameled oven lining, and attractive appearance make McClary's the greatest value in gas ranges you can obtain.
