

104 PATIENTS AT MOWAT SANATORIUM

The Grounds Improved—Summer Games Are to Be Arranged.

There were 104 patients at the Mowat Sanatorium on May 1st, 76 D.S.C.R., patients and 28 civilians, one less than on April 1st. It is expected that in the next few weeks there will be a number leaving the place. No. 4 Pavilion has been closed.

The visitors suggested that lawn bowling, croquet and other non-strenuous games be arranged for in the fine open space in front of the sanatorium. The grounds have been much improved by under brushing. The Health Association approved the proposal to make the grounds available for games and will arrange the details.

The receipts for April were \$9,357.21 and the expenditure \$8,751.46. There are outstanding accounts to the amount of \$15,119.07, chiefly due by the Ontario Government, the D.S.C.R. municipalities and civilians. The Association recommended an effort to reduce the indebtedness. Several accounts with municipalities will be placed in the courts for collection.

Accounts for supplies to the amount of \$2,322.92 were ordered paid.

The insurance of \$100,000 was placed with eight Canadian and British Companies. The rate is \$1.50 per thousand dollars for three years.

Various other matters in connection with the institution were considered and referred for investigation.

The directors in attendance were, Messrs. J. M. Campbell, president; P. DuMoulin, J. G. Elliott, E. Ryan, A. H. Fair, H. C. Nickle, W. Anderson, H. McBratney, P. B. Shown, J. Halliday and Dr. Hopkins.

J. Halliday and J. M. Campbell are this month's visitors.

REPORTS GIVEN ON GANANOQUE CONVENTION

Chalmers W. M. S. Held a Meeting on Wednesday Afternoon.

The regular meeting of Chalmers W.M.S. was held on Wednesday afternoon when reports were presented by the delegates to the annual meeting of the Presbyterian W.M.S. held recently in Gananoque. The financial part was outlined by the treasurer, Mrs. M. G. Johnston, who made clear many intricate questions arising out of the new arrangements necessarily resulting from the uniting of the three societies.

Miss M. H. Ross gave a most excellent report on the programme of the convention, outlining clearly and concisely the proceedings for each session. An interesting synopsis of the addresses of the two missionaries, Miss Melville, of Central West Africa, and Miss Bawks of Central India, was listened to with much pleasure.

Miss Ross succeeded in impressing vividly on her hearers, the spirit of enthusiasm and hope so clearly present at this, the first convention of the United Missionary Societies. Mrs. Elliott reported on the bazaar which is being prepared and which will be ready next month. It will contain a complete outfit for a boy in one of the Indian Schools. Money will also be furnished towards a girl's outfit.

Plans were arranged for the members of Chalmers Auxiliary, to assist at the reception to be tendered Miss Esther Ryan, in Sydenham Street Sunday School Hall, on Monday, May 17th. Miss Ryan, missionary on furlough from Japan, will be the guest of Kingston friends next week. The devotional exercises were taken by Miss Isabel Jack and a charming solo, "The Simple Prayer," was rendered by Miss Kathleen Elliott. Mrs. A. Laird presided at the meeting.

R.M.C. CADETS GOING TO TORONTO NEXT WEEK

Will Arrive There on Tuesday—Will Be Guests of Friends.

The Toronto Star says: Word was received to-day by Capt. T. A. James, secretary of the Toronto Garrison military tournament, from Kingston that the Royal Canadian Horse Artillery and the Gentlemen Cadets of the Royal Military College are coming up in a special train next Tuesday due to arrive at 6.45 p.m. In order to be here in ample time to have rehearsals before the opening of the big tournament in the Coliseum on Wednesday evening.

There will be 84 of the cadets, all seniors of the college, and chosen for their excellence in physical work and riding, and they will fetch with them some twenty well trained horses. Lt. Col. C. F. Constantine, D.S.O., commandant of the college, is expected to accompany them.

The artillery men, who have been selected to present the musical drive, which is one of the thrilling numbers of each of the five performances because of the remarkable speed and accuracy with which they direct their horses drawing 12-pounder guns through gates with only an inch of clearance on each side, will number some 30 or more with about 24 horses.

On arrival in Toronto the artillery men will be quartered at Stanley Barracks. The cadets are to become the guests of various officers and friends while in the city. Several social affairs are to be given in honor of the visiting officers and cadets.

HERE'S A FUNNY ONE IN THE POLITICAL GAME

Warden C. J. Graham Was Asked to Stand as a Liberal Candidate.

Some funny things happen, even in politics. It was learned on Thursday morning that Mr. J. C. Graham, warden of Frontenac County, had received a letter from a Liberal in Napanee, asking him if he would be a Liberal candidate in the next provincial election. Being on the Conservative side, Mr. Graham was naturally very much amused over the letter, and he has been showing it to some of his friends and has had a good laugh over it.

Mr. Graham was, some years ago, a member of the Liberal ranks, but had a change of heart and went over to the other side. The writer of the letter, no doubt, was still of the opinion that Mr. Graham was a Liberal.

FLAPPER FANNY SAYS

An alarm clock runs on its own time.

TOO LITTLE BLOOD

The Cause of Nearly All the Everyday Ailments of Life.

Too little blood—that is what makes men and women look pale and sallow and feel languid. That is what makes them drag along, always tired, never real hungry, unable to digest their food, breathless after even slight exertion, and often feeling that life is scarcely worth living. The doctors tell them they are anaemic—the plain English being too little blood.

More weak, anaemic people have been made strong, energetic and cheerful by taking Dr. Williams' Pink Pills than by any other means. The case of Mrs. A. P. Foster, Bowden, Alta., is excellent proof of this statement. Mrs. Foster says: "Some years ago I was very badly run-down. My doctor attended me for several months and then told me I had better go South to spend the winter as my blood was so poor that he feared I would not stand the cold of our winter. I took his advice and went to my mother's, and as soon as she saw me she said: "Dr. Williams' Pink Pills are what you need." She got the pills for me and I began taking them. I had intended staying three months, but at the end of the second month I came home a well woman. When the doctor saw me he said: "You are all right now, but don't let yourself get run-down again or nothing will save you." Then last winter I had the influenza, which left me as weak and pale and miserable as before. Again I took Dr. Williams' Pink Pills and again they made me well and strong. I can gratefully recommend the pills for I feel that they have saved my life."

Weak, ailing men and women should begin taking Dr. Williams' Pink Pills to-day and note the speedy improvement that follows. You can get these pills from medicine dealers or by mail at 50 cents a box by writing The Dr. Williams' Medicine Co., Brockville, Ont.
