A BLOCK ADDED TO PAVING PROGRAMME

Board of Works to Undertake Work on Earl Street, From Frontenac to Albert Streets.

At a meeting of the Board of Works held on Wednesday afternoon, Ald. Sargent moved to have Earl street, from Frontenac to Albert street, included in the programme for paving this summer, and his motion was carried.

Some time ago the city received a claim for damages from Mary Stone, for injuries received in a fall on a sidewalk. The matter was referred to the city solicitor, and it was reported that the solicitor was ready to fight the case if it is taken to court. The claim is for \$2,991.

Centre street was included in the original programme for paving this year, but at a recent meeting this street was struck off the list. The Board received letters from Messrs. William Birmingham and W. H. Herrington, asking that this street receive attention, but no action was taken. Mr. Birmingham asked that the roadway be graded and oiled if not paved. Mr. Herrington declared that the roadway was filled with holes, and that it should receive attention.

The Board will grant the request of John Peters for sewer work at the corner of Centre and Union streets, while permission was also given to Steacy's Ltd. to erect a small sign in front of the store.

At a recent meeting of the Board, Mr. George Bowden, of the Central Garages, corner of Brock and Montreal street, made application for permission to encroach on city property about eight-and-a-half feet, in order to make an addition to the building. The matter was referred to the city solicitor, who reported that there was no provision in the Municipal Act, allowing the city to make such an grant, and in view of the opinion given by the solicitor, the Board took no action.

The Board accepted the tender of the Imperial Oil Company for a supply of cold patch, required for the streets. The price is 20 cents per gallon.

William Fowler was awarded the contract for carting required by the engineer's department at 34 cents per ton.

A grant of \$13 will be made to the Kingston Horticultural Society to pay for the framing required by the Society, for the rose bushes to be planted at the corner of Albert and Couper street.

Complaint was made to the Board about dead dogs, cats and refuse of all kinds being dumped on a vacant lot on Beverly street. The owner will be instructed to have the property properly fenced in.

On motion of Ald. John Fife Johnston, a cinder path will be constructed on the south side of Bay street, between Rideau and Wellington street.

The Board decided to ask the Locomotive company, to clean up Ontario street, in front of the works. It is the desire to have a wider sidewalk on Bagot street, in front of the New Randolph hotel, when it is constructed, and the matter was referred to the engineer, for a report.

The Board decided to take down the boulevard on Montreal street, from Brock street to Queen.

The chairman, Ald. Price, presided at the meeting, and also present were Mayor Angrove and Ald. Sargent, Laturney and John Fife Johnston.

GANANOQUE TALENT IN A MUSICAL PLAY

Production of "Fleurette" a Great Success—Those Who Took Part.

Gananoque, May 12.—"Fleurette" the musical extravaganza was presented under the auspices of Hill 70 Chapter Imperial Order Daughters of the Empire in the initial performance in Linklater School auditorium Tuesday evening. It was an unqualified success and made one of the biggest hits of any amateur performance put on here for many years. Although only in the making for two weeks it moved along with a smoothness and precision that would have done credit to professionals, and reflected the biggest kind of credit on the cast and their very able instructress, Miss Arline Marguerite Wishing, representing the John B. Rogers Producing Company. The Auditorium was not only packed to the doors, but many were turned away. The biggest credit of course is due the principals who had difficult parts to learn in such a short time. They appeared in the order given: Mrs. Robina Armstrong, Raymond Ward, Mrs. Stedman (Fleurette), Dr. Murphy, Howard Curry, Mrs. Sanford Delaney, Arthur Knight, Wallace Jones, Miss Violet Britton, Miss Ira Jackson, Reginald Waldis, Byron Jackson. Each of the three acts introduced musical numbers which included some very pretty dancing. Those who made up these several choruses were as follows: "It's The Hat, Not the Girl"—Eva Glover, Rachel Gordon, Mrs. Sharrel, Lenna Kirke, Rose Funnell, Blythe Battams, Mary Mitchell, Forbes Allen; Fleurette Boys, Hubert Shortall, Cedric Redmond, Harold White, Lorne Presser, George Cotton, Clifford Flood, Jack Baker, Orval Bishop; "I'll Build a Cottage"—Agnes Robinson, Janet Robinson, Loretta Kirke, Veronica Deir, Doris Hawke, Harriet Cowan, Jean Reid, Kathleen Stevenson; Opening Chorus, Irene Orser, Mary Neal, Hazel Galway, Phyllis Bates, Beatrice Smith, Bernice Smith, Eleanor Bracken, Kathleen Laughton, Ina Allen; "Dance Away the Blues," Mary LaQue, Edith Rees, Iva Jackson, Viola Gardner, Ann Lee Bulloch, Lillian Jones, Edith Gardner, Genevieve Ledger; "China-town," Mildred Delaney, Alma Sinclair, Margaret McInch, Freda Sinclair, Jean Wright, Helen Case, Irma Nuttall, Mildred Gilbert; "Little Snowflakes," Pat O'Connor, Agnes McDonald, Hazel Parkin, Ila Keyes, Evelyn O'Brien, Grace Bishop, Loretta Lathimer, Margare Keyworth, Eva Littlejohn, Marion Quinsey, Jemma Gordon, Jean Wheeler, Olive Burr, Joyce Rae, Madeline Marguehna, Thelma Maxwell, Margaret Pickett, Mary Stunden, Phyllis Lloyd, Vera Kelly, Vera Gibson. "Snow Nymphs" Kattie Brennan, Eleanor Gilbert, Gwen Mirand, Pearl Seal, Florence Abbott, Chrissy Worth, Vera Conner, Jean Wright, Miss Audrey Rees, who has been with her sister Mrs. Ira Kipp, East Orange, N.J., for some weeks, returned home on Tuesday.

Mrs. Thomas Bovey, Sr., was taken to the General Hospital, Kingston, on Tuesday for treatment. A daughter was born to Mr. and Mrs. George O'Brien a few days ago.

HAD NO PERMIT FOR ERECTION OF CANOPY

Utilities Commission Rapped on Knuckles by Board of Works.

Members of the Public Utilities Commission were given a rap on the knuckles by the members of the Board of Works, at their meeting on Wednesday afternoon, for erecting a canopy in front of their office on Queen street, without securing the necessary permit from the city. The chairman, Ald. Price, said he did not know anything about the matter, and on questioning Engineer Dick, the latter stated that he did not give a permit for work. At any rate, the canopy has been erected, permit or no permit, and although the Commission did not secure the necessary permit from the city engineer, there is no chance of any action being taken to tear it down. It looks like a case of doing the work first and securing the permission afterwards.

HYDRANT TROUBLE IS OVER FOR PETER LEE

The Board of Works Will Install a Two-Way Wall Hydrant.

The members of the Board of Works have solved the water hydrant trouble for Peter Lee, proprietor of the Grand Cafe. As a result of the hydrant being in front of his cafe, owners of cars have been unable to park there, while they are in the Cafe, and Peter Lee claimed that his business has been hard hit. Members of the Board of Works had the matter under discussion on Wednesday afternoon, and were agreed that it was a hardship on the proprietor of the cafe, and decided to install a two-way wall hydrant, so this will do away with the present hydrant on the street. These two-way hydrants are in use in all large cities.

A city by-law forbids parking of cars within twenty-five feet of a water hydrant.

Easy to Gain With Yeast and Iron

New Combination of Yeast with Vegetable Iron Quick Way to Build Up Weight

This new combination of yeast vitamins with vegetable iron renews the action of sluggish blood cells, drives out dangerous body poisons, increases energy and endurance and supplies the system with the vitamins that build up weight.

For years yeast has been known as a rich vitamin food but not until we perfected "Ironized yeast" which comes in concentrated tablet form, was it possible to take yeast and iron in the right proportions to build up weight.

Vegetable "Iron" when combined with yeast is quite easy to digest, therefore better for the system. And "yeast" when ironized, becomes just twice as beneficial as ordinary fresh or cake yeast.

Ironized Yeast tablets are composed of concentrated food elements, therefore, they are pleasant to take and free from drug-like effects. If you are under weight, do not enjoy good health, lacking in energy and force "Ironized yeast" tablets will pick you right up, and if they fail, you get your money back.

Sold by James B. McLeod, and all good druggists at \$1.00 for a large 60-tablet package. Harold F. Ritchie & Co., Ltd., Toronto, Canada.

Kingston Case at Osgoode Hall.

Fairfield vs. Midner—A. B. Cunningham, K.C., for plaintiffs, moved for an order confirming report of Local Master and for judgment pursuant thereto. J. B. Aylesworth, for defendants, moved for order dismissing action with costs. Judgment: The report is confirmed and judgment directed as asked in writ of summons, but the matter should again be referred to the Master to take subsequent account, ascertain the costs and fix time for redemption. Plaintiffs costs of present motion fixed at \$30, will be added to their claim. Defendant's motion dismissed without costs, but without prejudice to the action, which is said they have brought and which is now pending against plaintiff.

Thomas Hunter, Brockville, for years a member of the bridge and building department of the Canadian Pacific Railway, passed away suddenly Sunday morning. Deceased was born in Augusta, son of the late Mr. and Mrs. James Hunter, and at the time of his demise was seventy-one years.
