ALMOST DAILY

Mrs.Brant Suffered Seven Years

Finally Restored to Health by Lydia E. Pinkham's Vegetable Compound

Hamilton, Ont .- "For two years

fainted almost daily and was so weak I could not do my work. I would be sick for twelve to fifteen days at a time. This made me so weak and faint that I could not be trusted alone at such times. I was troubled this way for about seven years. I found a booklet in my mailbox telling of the Lydia E. Pinkham medicines, and my husband read it and insisted that I take the Vegetable Compound. I have been taking it for six months and I intend to take it a year, as sickness such as mine cannot be cured in a day. I have not fainted since I took the first box and I have noticed a lengthening of time between each period. This last month I didn't have to go to bed. I do my own work now, excepting the washing, and the noise from the street and the children doesn't bother me like it did."-Mrs. JOHN K. BRANT, 293 Jackson Street West, Hamilton, Ontario.

Do you know that in your neighborhood there are women who feel just like Mrs. Brant does about Lydia E. Pinkham's Vegetable Compound? These women have tried out this well known and reliable medicine and have found it suited to their needs.
