

APPEAL IS MADE ON VETERANS' BEHALF

Campaign Under the Auspices of the Tuberculous Veterans' Association.

The campaign under the auspices of the Tuberculous Veterans' Association, to raise the sum of \$5,000 to carry on the work of this organization, is now in full swing, and it is hoped that citizens will make a liberal response to the appeal that is being made.

The following extract taken from the Final Report of the Royal Commission on Pensions and Re-Establishment, July 24th, describes the important work that is being carried on, and points out how vital it is that the work should not be suspended. "No group presented its claim more effectively or thoroughly than the tuberculous veterans. The evidence as to the difficulties under which they labored, and the redress claimed, was substantially the same at every session where their representatives appeared. Close associations of the tuberculous over a long period of time while undergoing treatment, provincial organizations between which a constant interchange of views takes place, and a Dominion Convention held in August, 1922, have permitted a survey of individual opinion which is practically complete. They have apparently a large and efficient organization, and had selected for the purpose of presenting their arguments members fully informed upon the subjects which they discuss and capable of presenting their facts in a most convincing manner." Mr. Philip Du Moulin, manager of the Bank of Montreal, is the honorary treasurer of the fund, and all remittances should be made to him at the bank.

MARINE

The steamer Frontenac of the Thousand Island Navigation Company cleared for Gananoque today to resume her season route between there and Clayton.

The tug Conqueror arrived in port from Montreal with the barge Augustus on Saturday.

The tug Mascouillon arrived from Hamilton Saturday and cleared with three barges for Port Colborne to load grain.

The steamer Champion, lately purchased by the Thousand Island Navigation Company, is receiving repairs in preparation for the season and the smoke stack is being painted the regular color of the fleet.

Repairs on the steamer Canadian are being rushed at the Collingwood Shipyard so the Ontario car ferry No 1 may enter as soon as possible.

Work has been started on the steamer Wolfe Islander at the Davis dry dock but it is not certain when the steamer will be able to resume her trips to Wolfe Island. In the meantime, the islanders are crossing to the city in gasoline launches.

Pilot records show the following steamers passing Sunday: Nisbet, up at 12.20 a.m.; Douglas, up at 7.00 a.m.; Pillsbury, down at 5.00 p.m.; Warton, down at 5.20 p.m.; Ramachar, down at 5.20 p.m.; Huntley, up at 5.45 p.m.; Jolly Inez, down at 8.30 p.m. Monday: Turret Cape, up at 2.20 a.m.; Langell, down at 2.45 a.m.; City of Toronto, up at 4.05 a.m.; City of Ottawa, down at 5.15 a.m.; Rahane, up at 4.20 a.m.

Steamer Missisquoi Sold. The steamer Missisquoi, owned by the Thousand Island Navigation Company, has been sold to the Doty Engineering Company of Toronto, and will sail in Hamilton Bay this season. The Missisquoi is well known locally, having carried local excursions many years and been on local routes. Last season the Missisquoi was on the route between Gananoque and Clayton with the steamer Frontenac, but this year a larger steamer the Champion, will take its place. It is expected that the Missisquoi will leave for Hamilton Bay within a few days, to start her new route between Hamilton and Dunderon Park.

LIEUT.-COL. J. MILLS DIES AT PETERBORO

Was Formerly of Kingston—One of the C. E. F. "Originals." Word of the sudden death of Col. Joseph Mills, Peterboro, reached relatives here last Saturday. He was stricken at ten o'clock. He is the last of six sons of the late George Mills who settled in Kingston over 100 years ago, having been predeceased many years ago by his brothers, Richard, William and Samuel, and in recent years by George Mills, Jr., founder of the Mills fur business in this city, and by Thomas Mills, who was engaged in business in Kingston for many years.

The late Col. Mills was well known in Kingston in military circles, having commanded the 57th Peterboro Rangers and going overseas as quartermaster with the 2nd Battalion. He is survived by his widow (formerly Emma Louise Claringbold), one daughter and two sons, all of Peterboro. The funeral is to be held in Peterboro on Tuesday at two o'clock and interment will be made there.

KINGSTON PRESBYTERY RAISED \$53,253

Of Its \$54,000 Allotment for United Church Maintenance Fund.

At the annual meeting of the Bay of Quinte Conference of United Church of Canada, Rev. Dr. W. T. G. Brown, chairman of the Maintenance and Extension Fund Committee of the Kingston Presbytery, will report that the sum of \$53,253 was raised in the presbytery for that fund. The conference allotted the Kingston Presbytery \$54,000, which means that the objective was almost reached. It is understood that the conference allotment for the Kingston Presbytery next year will be \$46,000.

A HERESY TRIAL OF 1790.

W. S. Herrington, Napanee, Says It Was Justified. At a meeting of the Ontario Bar Association in Toronto, last week, in the absence of the archivist, W. S. Herrington, Napanee, a paper by him on "A Heresy Trial of 1790," was read by Col. W. N. Ponton, K.C. It dealt with the case of the King versus Charles Justin McCarty, tried before Judge Cartwright in the Meeklenburg district. McCarty, who was a preacher, was found to be "a vagabond and disturber of the peace." He was ordered to leave the district and refused and was accordingly jailed until there was a conveyance to take him to Oswego, N.Y.

The facts of that trial, Mr. Herrington showed, had been much distorted, and McCarty had been represented as a persecuted martyr. In 1822 in a history of the Methodist Church, he was referred to as the victim of a "wicked and infamous" scheme. This lead had been followed by other Methodist chroniclers in later years and "the further removed in point of time from the incident, the bolder and more reckless did church historians become," according to the paper. There was nothing to show that the judge had erred, according to the laws of the period. Later on the laws were modified and the liberties of the non-conformists enlarged.

ABOUT ONLY CASE IN THE DOMINION

The Bay of Quinte Conference Is Largely of Former Methodist Charges.

One of the unique features in connection with the Bay of Quinte Conference of the United Church of Canada, which meets in Sydenham street church next week, is the large percentage of former Methodist congregations incorporated in this conference. It is stated that this is about the only case in the dominion where there are so many former Methodist charges in a conference.

The records show 260 pastoral charges in the conference; of that number there are fifty former Presbyterian and three Congregational churches who entered union. The following is a list of the charges in the different presbyteries: Renfrew, 41; Kingston, 43; Cobourg, 60; Belleville, 58 and Lindsay, 58; making a total of 260.

The conference takes in a great amount of territory. The western boundary is just west of Whitby and close to Scarborough and extends up as far as Peterboro; the eastern boundary is Leeds County, Lanark county, like Frontenac and Leeds, which were formerly in the Methodist Montreal Conference have been added to the old Bay of Quinte Conference of the Methodist church.

From the present indications it looks as though there will be about five hundred and fifty delegates in attendance here next week.

POINCARE IS BITTER AT FORMER ALLIES

Not Vanquished Germany But France That Bears Greater Cost of War.

Sivry Sur Meuse, France, May 17.—In a bitter attack on the attitude of France's former allies toward the question of debt settlement, Raymond Poincare, former Premier of France, on Sunday denounced "the spirit of low national selfishness" prevailing since the war. Speaking at the inauguration of a soldiers' memorial in this village the former premier recalled how he had reviewed United States troops there shortly after the armistice. "Those officers and soldiers who marched past me would have been greatly surprised," he said, "if they had been told that a few months later a treaty negotiated and signed at Versailles would not have been ratified by the United States, and that seven years later, it would be not vanquished Germany but France who would have to bear the greater part of the cost of the war."

CORNWALL GROCERY DESTROYED BY FIRE

A. J. Andrews Suffers Heavy Loss—Coat Factory Damaged.

Cornwall, May 17.—The grocery store of A. J. Andrews here was destroyed, along with his stock and household goods, when fire broke out at the rear of the building yesterday. The coat factory of the Cornwall Manufacturing Co., adjoining, was badly damaged with smoke and water. A horse and dog were burned in the fire, which will cause a loss to Mr. Andrews amounting to \$10,000, with small insurance.

FIREWORKS CAUSED FIRE.

Home on Division Street Suffered From "Practical Jokers."

What might have been a serious fire, was narrowly averted on Sunday evening at a home on Division Street where a firecracker had evidently been thrown on the window sill by some boys. The occupants of the house had just returned from a motor trip, and noticed fire starting on the window of the second storey. The prompt arrival of the firemen prevented a serious blaze. As it was, the sill had to be torn away and the window frames removed.

At 1.14 Monday morning, a fire at the rear of a home on Princess street in a pile of rubbish occupied the attention of the firemen for a few minutes. There was no damage done.

Remark Caused Arrest.

Cobalt, May 17.—A chance remark made to Inspector Moore by a passenger on a northern train led to the arrest at Gogama, west of Sudbury, of Arthur Ronsdale, for whom the police have been searching for 18 months on a charge of forgery. Ronsdale, in November, 1924, while employed as a scaler with Grant and Dunn, Latchford lumbermen, is alleged to have forged the name of P. J. Grant to four cheques and to have cashed these in Cobalt. The amount is \$310. He disappeared and eluded the police until this week, when he was brought back to Cobalt to stand trial.

Engagements Announced.

Mr. and Mrs. C. H. Clouston, Brighton, announce the engagement of their only daughter, Marjorie, to Mr. Arthur Allen, Jr., son of Mr. and Mrs. Arthur Allen, Trenton. Marriage to take place early in June. Mr. and Mrs. William Lowe, Bracebridge, announce the engagement of their daughter, Jean Marjorie, to Mr. Howard Douglas Graham, son of the late W. G. Graham, and Mrs. Graham, Trenton. The marriage to take place the first day of June.

It is always nice to get home and presents.

WOMEN'S INSTITUTE

INVENTORY.

The annual business meeting of the Women's Institute of Inventory was held on May 13th at the home of Mrs. Ira Darling, at which a good number of ladies were present. Business was opened by singing the Ode after which Mrs. C. H. Arthur, secretary, called the roll and read the minutes of the last meeting. Mrs. A. Aykroyd gave a report of the directors concerning the cement block to be built in front of the Agricultural Hall and it was decided to hold another directors meeting on May 22nd to complete their plans.

The president, Mrs. F. S. Ferguson, in a few well chosen words thanked Mrs. C. H. Arthur, the secretary-treasurer, for her efficient work and help during the past year. The ladies seconded this by a hearty clapping of hand, which was feelingly responded to by Mrs. Arthur. The books were closed for the year and were audited by Mrs. E. Lake and Mrs. F. Loney. They were found to be in excellent condition.

The following ladies were elected to office for the coming year: President, Mrs. F. S. Ferguson; 1st vice-president, Mrs. I. Darling; 2nd vice-president, Mrs. J. Duff; secretary-treasurer, Mrs. C. H. Arthur; assistant secretary-treasurer, Mrs. F. Loney; annual representatives, Mrs. C. Barr and Mrs. A. Aykroyd; district director, Mrs. R. Arthur; business directors, Mrs. J. Dixon, Mrs. M. W. Lake and Mrs. T. Bushell; sick committee, Mrs. Tina Christley, Miss P. Gibson and Miss Effie Hunter; programme committee, Mrs. J. Sloeth, Mrs. E. Lake, Mrs. J. Gordon, Mrs. Thomas Christley, Miss Olga Arthur and Miss Mildred Lake; press reporter, Mrs. F. Loney; auditors, Mrs. T. Arthur and Mrs. E. Lake.

The disposal of the rosebush sent by the Horticultural Society and the distribution of gladioli bulbs followed. Tickets were bought for the rose bush, Mrs. Tina Christley getting the lucky number. One special feature of the afternoon was a demonstration by Mrs. P. Arthur, showing how to test eggs for hatching to get the best results. As it was growing late, other business was laid over for the next meeting which will be on June 8th.

GETTING READY TO CHRISTEN PRINCESS

London, May 17.—Waiting an occasional lusty protest at the buzz of activities in her nursery at 15 Bruton street her Royal Highness Princess Elizabeth—officially notified of her name on Thursday—is registering disapproval of the elaborate preparations for her christening within the next two weeks.

She is no longer "her Royal Highness" the baby, as newspapers referred to her before official announcement of the name was given Thursday. Her full name is Elizabeth Alexandra Mary, and she is to be known officially as the Princess Elizabeth, first child of the Duke and Duchess of York.

Her christening will be the first really royal one since the birth, 21 years ago, of Prince John—the last child of King George and Queen Mary—who died in 1919. In addition, she is at present third in succession to the throne, coming after the Prince of Wales and her father. The christening will be held in the little royal chapel of St. James' Palace, the home of the Prince of Wales. Princess Elizabeth will be baptized from a font of silver gilt made like a water lily enclosing a sea-shell.

She will wear the Slite christening robe—a lovely thing of old lace, in which King George and the Prince of Wales were baptized. Queen Mary keeps the robe in a special drawer at Buckingham Palace.

The Archbishop of Canterbury, head of the Church of England, will perform the rite of baptism. Soon after the ceremony, the Duke and Duchess of York are expected to go to Sandwich Bay on the east coast of England for a holiday. They may stay at Harrow Rest, Lady Astor's residence, there, which has been offered to them.

Even a busy man has time to feel sorry—for himself.
