DRIVE IS NOW ON FOR A WORTHY CAUSE

Citizens Asked to Support the Work of Tuberculosis Veterans' Association.

There are a number of interesting facts in connection with the campaign now going on for the Tuberculosis Veterans' Association, for the purpose of raising \$5,000 to carry on the good work of this organization.

The Tuberculosis Veterans' Association has been running without asking assistance from the public for the last six years. It is asking now because its adjustment service in Ottawa with 500 cases on hand still unsettled may otherwise be forced to go out of existence.

The Association helps cases of ex-service men suffering from tuberculosis who are not members of the association; in fact, the majority of cases handed at the Mowat Sanatorium branch were started in the interests of ones who, at the time, were unacquainted with the aims and purposes of the association.

The association tries to get particulars of cases of men as soon as they enter sanatorium. If the man is not receiving pay and allowances from the department of S.C.R., it is necessary to gain the necessary evidence as soon as possible in these cases. Many of the cases have taken more than two years to solve before a favorable decision could be reached or the cases abandoned through the impossibility of securing sufficient evidence to make such a decision attainable.

When a patient knows some person is working in his interests, and those of his family he is more contented. It is well-known that freedom from worry is essential in the treatment of tuberculosis. Worry simply means death in a few years. Citizens who would like to help on the good work are asked to send their remittances to Mr. Philip Du Moulin, manager of the Bank of Montreal, who is acting as honorary treasurer.

GANOQUE RECEIVES FIRST TOURIST PARTY

The Sudden Death of Herbert McDonald—A Choir Presentation.

Gananoque, May 18.—The first tourists to arrive came yesterday morning when Dr. Lundy of California arrived here with a party of twenty. Word had been sent Mayor Wilson a couple of weeks ago, but had never reached him, and the first intimation he got was yesterday through a second message. In the short space of time, however, and with the mayor's ability to arrange things quickly and well, plans were made for their entertainment during their stay. Bovey's pleasure boat took the party on the river among the islands for a couple of hours, after which luncheon was served at Elskanonnie.

Mayor Wilson and H. F. Ward, of the T.I. Railway, looked after the entertainment of the party, and they were most favorably impressed with Gananoque and its location and the welcome they got. Dr. Lundy has been here a couple of times before with parties from the south en route as on this occasion, to Europe, and the fact that he continues to include Gananoque and the Thousand Islands in his itinerary tells its own story.

Death came with extreme suddenness early yesterday afternoon to Herbert, son of Mrs. William McDonald, Charles street north. Shortly after dinner deceased complained of feeling weak, and in less than five minutes had passed away, due to heart trouble. Surviving are his wife and one daughter, Eleanor, his mother, one sister, Mrs. Jack Leeder, and five brothers, W. J., Gananoque; Thomas, Syracuse; Lewis, Sanford and Alfred, to whom much sympathy is extended in their sad bereavement.

The choir of Grace Church and other friends to the number of about forty arranged a pleasant little surprise for Mr. and Mrs. George Scott last Saturday evening, the occasion being the twenty-fourth anniversary of their wedding. A few social hours were spent, during the course of which Mr. and Mrs. Scott were presented with a handsome pyrex and silver pie plate. Rev. Mr. Perry gave a short address of congratulation on behalf of the assemblage, in which he said many nice desiring things about Mr. and Mrs. Scott, both of whom are most faithful and active

members of Grace Church. George is one of the foremost choir members, but, besides lending his voice, is also always ready to lend his hands to do his good share of any work to help along the good work in the church and Sunday school. It is needless to say that many friends of Mr. and Mrs. Scott outside Grace Church fold are anxious to blend their good wishes that they may be spared to celebrate many more happy anniversaries.

The wedding took place on Saturday last of two popular young people when Rev. Father Hanley united in marriage Cecil Garrah, son of Thomas Garrah, Howe Island, and Maxie, daughter of Mrs. Maxim Bishop, Gananoque.

Rev. G. T. Martin is attending the meeting of St. Augustine's Alumnae in Toronto, and will remain in that city for the balance of the week.

Mrs. Benoit, Montreal, is spending a few days with her daughter, Miss Nellie, and her sons, John and Patrick Shine.

A daughter was born Sunday morning to Flight Commander and Mrs. Godfrey at the home of the latter's parents, Mr. and Mrs. W. V. Bulloch.

Miss Eva Moffatt, Boston, is the guest of her aunt, Mrs. O. D. Cowan.

Bargain Fares for Famous Alaska and Pacific Coast Tour This Summer.

In order to bring that gorgeous tour through the grandeur of the Canadian Rockies and the gigantic scenery of the Pacific Coast within reach of every one this summer, the Canadian National Railways are offering an exceptionally low round trip fare. The tour will be personally conducted. It will leave July 9th and return August 2nd—twenty-five days of unalloyed pleasure.

The tour embraces all the unique sights and magnificent scenery of Vancouver Park in Alberta—of Jasper National Park and the Coast. Then Vancouver and Victoria, and the wonderful thousand-mile boat trip through the scenic seas of the North Pacific to Alaska, Wrangell and Skagway. The return journey is made by way of Prince Rupert and Kitwana, famous for its totem poles, and from Port Arthur to Sarnia the trip is made on one of the luxurious steamers of the Northern Navigation Company.

Write for full information and descriptive booklet to Mr. A. R. Bryson, 44 Silverthorn Ave., Toronto, 9, Ont., or Mr. Martin Kerr, 4 Besham Ave., Hamilton, Ont., conductors of the tour, or any Agent of the Canadian National Railways.

GEORGE SMITH CHOSEN TIMER

Lake Yacht Racing Association Makes Changes at its Spring Meeting.

New Rule in Force on Measuring of Yachts of All Classes.

Watertown, N.Y., May 18.—The Spring meeting of the Lake Yacht Racing Association, held here Saturday, indicates the opening of what is assured to be a record yacht racing season.

From every part of Lake Ontario as well as from Buffalo the intention of taking active part in the regatta of August 4th, 5th, 6th next was promised by the delegates present and the details of plans and arrangements for the entertaining of yachts and yachtsmen were completed to the last item and, except for one or two added details, Secretary Vanwinckle can go ahead with getting out his printed programme.

Henderson Bay, fourteen miles from here, was visited by the Council and found to be fully up to the requirements of a large fleet of yachts. There is also lots of accommodation here and proper facility for entertainment and for getting supplies of every kind.

A letter was read from the New York Yacht Club asking the council to advise its members of the race for "R" boats it proposes to hold off Newport, R.I. in September next and requesting an entry or entries from Lake Ontario.

T. C. C. Reagin.

A letter was also received from the Toronto Canoe Club resigning from the L.Y.R.A. on the grounds that yachting was outside its scope, as they intend confining themselves to canoes and dinghies.

It was formally decided to join the North American Yacht Racing Union and to further its promotion in every possible way.

Mr. T. B. A. Benson, of Toronto, submitted his new formula for the measuring of veteran yachts of all classes. His rule is as simple as is possible so as to arrive at a fair racing basis without too much detail and is decided upon from a standpoint of fairness and to give old timers every benefit.

Re-measurement Compulsory.

The council heartily appreciated Mr. Benson's effort and were so taken with the new rule that they at once went over the list of veteran yachts of all types and classes whose owners will at once be notified of the formula and instructed as to re-measurement so as to enable them to reap the advantage of more liberal or fair time allowance during the coming races. Re-measurement is compulsory, no yacht will be allowed to race in any L.Y.R.A. event without a new certificate. A penalty of \$10 will be imposed and cost of measurement on any owner failing to obey the foregoing orders. This is final and must be lived up to. In fact every rule of the game to the last clause is going to be enforced this year.

The Regatta Committee and judges for the races, combined this year, and composed of three outstanding yachtsmen, are Mr. F. H. Windeyer, of R.C.Y.C., Toronto; R. M. Dillon, of the C.Y.C., Toronto; and Charles E. Faxton, of the Rochester Yacht Club.

Records, appointed officially for the first time, Mr. Volney E. Lacey, of Rochester. Timekeepers, Wilson Cross, R.Y.C.; George Smith, K.Y.C. Starters, T. Jenkins, of C.Y.C., Toronto, and F. Bisgood, of the Buffalo Canoe Club.

Owing to the number of "R" boats, old and new, racing this year, 17 in all, the question of deciding the class was discussed and was discarded, for the season at least.

It was decided that all races not finished by 7 p.m. in the case of classes that cover the triangle twice, should be decided upon the time of the finish of the first round.

BIBLE CIRCULATION.

A Large Increase in Sales in Canada Is Reported.

The British and Foreign Bible Society has issued a statement for its 122nd annual meeting which shows that the total issues of the Society in complete Bibles, New Testaments and smaller portions (at least one complete book of Scripture) reached last year the wonderful output of 10,452,733—more than double those announced 25 years ago and an increase of 412,158 for the year. In no previous period in the Society's history were so many English Bibles sold as last year.

The summary of the report stated that "our steadfast friends in the Dominions have not only sent considerable sums in aid of the Society's work abroad; they have organized the distribution of the Scriptures within their own borders. In Canada, over 404,600 volumes were circulated, an increase of 4,000. In Western Canada the colporteurs sold versions in no fewer than thirty-three languages."

After paying for work in Canada and Newfoundland these Dominion auxiliaries sent the handsome amount of \$12,722 to the Society's headquarters in London.

At Lake Opinicon.

Lake Opinicon, May 17.—The farmers have started their spring work. There are rumors of the spring mite at Rock Lake starting work again. Mr. and Mrs. Staple spent a few days at their cottage here. They expect to return in two weeks. D. J. Hughson is building an addition to their cottage. W. Kerr and family spent Sunday at H. Austin's. Miss L. Varrett is staying at D. J. Hughson's. Mrs. F. Best and sons, Jack and Arden, spent Friday at K. Darling's. Erle Darling, Perth Road, at K. Darling's.

Secured The Medal.

At the Ontario College of Pharmacy W. H. Hodgins, Carp, won the College Silver Medal and the prescription medal was carried off by George H. Weeks, Smith's Falls.

Stables Horse in Kitchen.

Peterboro, May 18.—Activity among the health officials of the city has uncovered several homes in terrible condition. One house, just a block from the heart of the city, contains a family of five people and has a horse stabled in the kitchen. The building has been placarded "Unfit for Habitation."

Middlesex beekeepers at a meeting in London passed a resolution urging the immediate destruction of foul broods.

The new filtration plant supplying St. Catharines district is in operation and has proved entirely successful.

FOR **Acid Stomach** PHILLIPS' Milk of Magnesia

Instead of soda hereafter take a little "Phillips' Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

Better Than Soda

For fifty years genuine "Phillips' Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. Besides, it neutralizes acid fermentations in the bowels and gently urges this euring waste from the system without purging. It is far more pleasant to take than soda.

Fast Upon "Phillips"

Each bottle contains full directions. Any drug store.

Children Cry for

Fletcher's CASTORIA

MOTHER:—Fletcher's Castoria is especially prepared to relieve infants in arms and children all ages of Constipation, Flatulency, Wind Colic and Diarrhea; allaying Fevers arising therefrom, and, by regulating the Stomach and Bowels, aids the assimilation of Food; giving natural sleep.

To avoid imitations, always look for the signature of *Dr. J. C. Fletcher*
Absolutely Harmless—No Opium. Physicians everywhere recommend it.
