**SCHOOL CADET CORPS UNDER INSPECTION**

Gave Splendid Performance—Presentations Made—Strength of Units.

The annual inspection of the cadet corps of the public schools, Regiopolis and the Kingston Collegiate Institute was held at the Armouries on Wednesday afternoon, Brigadier-General S. W. Hill, C.B., C.M.G., D.S.O., A.A. and Q.M.G. being the inspecting officer, and Capt. J. W. Kelly the officer in command of the brigade. The inspection was scheduled to have taken place at the Cricket Field but on account of the rain, later arrangements were made for the Armouries. The building was packed to capacity with the children of the different schools and many citizens, who were impressed with the appearance and military abilities of all the corps. The Princess of Wales Own Regiment band and the K.C.I. bugle band played.

Following the parade inspection, the corps marched past the inspecting officer in fours, each corps being greeted with heavy applause. The cadets of the schools and colleges were decorated with their respective colors on the collars of their coats and rosettes on their hats. Marching by with remarkable neatness and precision, they presented a very smart appearance and drew well-merited compliments.

Major-General Hill, in addressing the cadets complimented them on their appearance and drill work, and stated that there was a decided improvement over the inspection of the past two years. He mentioned the splendid work of each company separately and the co-operation of the Board of Education in sponsoring the training of cadets in the schools. Three healthy cheers were given for Gen. Hill at the close of his short address.

Mr. L. T. Best, chairman of the Board of Education, also commented on the wonderful performance and on behalf of the Board of Education extended his congratulations to the cadets.

Mayor Angrove made special mention of the work of the officers in the inspection, and approved the faithful work of the instructors. He expressed his extreme pleasure at being present on the inspiring occasion and complimented every one connected with the cadets.

Mr. A. C. Hanley, president of the Kingston Kiwanis Club, spoke a few words to the cadets and made mention of their performance in general, adding his compliments and congratulations to those already extended.

The public school cadets under the instruction of Sergeant-Major Gilbert gave a series of very neat physical drills. Trunk bending, body swinging and other exercises promoted in the schools were performed with machine-like co-operation which impressed the crowd wonderfully.

The coveted Kiwanis Cup was won by Robert Meek school, the General Ross Cup by Victoria school, the Leslie Shield by Louise and Central schools and the Kane Shield by Macdonald and Frontenac schools.

A certificate from the Canadian National Rifle League was presented to the cadets of Regiopolis College, they having obtained an average score of 75.5 on the ranges. The score made by the Regiopolis cadets is considered to be exceptionally good and the members of the team were congratulated on their efficiency with rifles. Spoons were presented to cadets Sergt. K. Monk, Lt. G. Burnside, Sergt. J. Dennison, G. Brown, A. Amey, A. Clarke, Lt. J. Wright and Bugler A. Gloyne, won in school shooting.

The strength of the units was as follows: K.C.I., 3 officers, 225 cadets; Regiopolis College, 5 officers, 100 cadets; Victoria school, 8 officers, 104 cadets; Macdonald school, 3 officers, 40 cadets; Louise school, 3 officers, 41 cadets; Robert Meek school, 4 officers, 36 cadets; Central school, 4 officers, 65 cadets; Sydenham school, 1 officer, 16 cadets.

The officers in command were Norman Asselstine, K.C.I.; Earl Gallivan, Regiopolis College; A. D. Moores, Victoria school; R. Harris, Macdonald school; G. Ashley, Robert Meek school; C. Smith, Louise school; J. White, Central school.

**Jubilee Minstrels.**  
The Catholic Assembly Hall was crowded Wednesday evening for the Jubilee Minstrels, played by the Great War Veterans' Club Players, under the auspices of the Catholic Women's League. The performance was thoroughly enjoyed, and warm applause rewarded the efforts of the players after all numbers. A large sum was realized from the show. The Catholic Women's League are thankful to the Great War Veterans' Club Players for their services.

**SPLENDID WORK DONE BY TUBERCULOSIS VETS.**

Many Apparently Hopeless Cases Taken in Hand.

A pathetic example of the kind of assistance rendered by the adjustment services bureau of the Tuberculous Veterans' Association of Canada on behalf of disabled comrades, and for whom appeal is being made for funds to enable the bureau to carry on until the Canadian Legion is in a position to take it over, is afforded by the following case.

An ex-service man had been a charity patient in sanatoria for years. He had tried every way to obtain recognition of his service disability, but had failed. He became a far advanced case of T.B. The association helped him in every way possible, and finally, when his case had been appealed, and lost, the association found money to bring him to Ottawa, in order that the adjustment services bureau could make a last desperate effort on his behalf. The man arrived in the city without money, and almost without hope, and in a very serious condition.

Shelter was found for him by the bureau, which also supplied him with food. He was again refused hospitalization, and so the association arranged for him to go to Toronto to be examined by an independent chest specialist who reported that he needed hospital treatment in the worst way, and that the man's condition was, in his judgment, due to war service.

Much further effort was put in on behalf of the man and ultimately a check for thousands of dollars for back payment of pension was received by him. The man was awarded a pension for life.

But the tragedy of his case is that after being denied necessary comforts for years, when his pension was secured he only lived a few months to benefit by it.

**UTTERLY DISCOURAGED**

This Was the Condition of a P. E. I. Woman Before Taking Dr. Williams' Pink Pills.

"My illness began," says Mrs. M. J. Ahern, R. R. No. 2, Alberton, P.E.I., when my husband went overseas and I was left with the care of a farm and stock, with no help but that of a young boy. My health broke down and for the first time in my life I became utterly discouraged. I lost my appetite, had no strength, and was ready to have a crying spell any moment of the day, as the work loomed up ahead of me. A friend happened to speak one day of the good Dr. Williams' Pink Pills had done her and urged me to try them. I had not energy enough, or perhaps confidence enough, to try them, but she would not be denied and sent me three boxes, and by the time I had taken them I knew they were helping me and was anxious for more. I continued taking the pills for nearly six months and by that time I had safely passed a critical period in my life, and regained my usual good health. To all overworked, nerve-racked women—and there are a great many of them—I still say, and at all times, take Dr. Williams' Pink Pills and I know you will regain your energy."

There are many troubles due to weak, watery blood easily overcome by a fair use of Dr. Williams' Pink Pills. The whole mission of this medicine is to purify and enrich the blood, and when that is done all the varied symptoms of anemia disappear and good health returns. You can get Dr. Williams' Pink Pills from any druggist or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**MR. ERIC CHOWN.**  
Appointed General Secretary of the Life Underwriters.  
Mr. Eric V. Chown has been appointed general secretary of the Life Underwriters' Association of Canada, to succeed Mr. J. A. McCamus, who has recently resigned. Mr. Chown is a barrister by profession and has been practising in Shoal Lake, Manitoba, until just recently. He is a veteran of the Great War, enlisting and serving in the ranks in Salonica and Egypt. He received his commission on the field and served in France during the latter part of the war. He is a son of the Rev. Dr. S. D. Chown, a native of Kingston, formerly General Superintendent of the Methodist Church of Canada.

**MARINE**  
The steamer Jeska arrived from Oswego with coal on Wednesday night and is unloading at the Grove Inn.

The steamer India had some trouble in trying to clear, but was expected to leave port during the day. The tug May P. Hall is placing a drill scow to-day at the foot of Barnhart Island, near the Sault Rapids, to find the bottom of the river and find the nature of the rock along the proposed line of the international power line.

The steamer United Lumbermen arrived here from Port Colborne yesterday.

Pilot records show the following steamers passing Wednesday evening and Thursday: Sarnolite, up at 7.10 p.m.; Imperial, up at 8.05 p.m.; Maplebrook, down at 7.50 a.m.; Nisbet, down at 10.30 a.m.

**ACCEPT RESIGNATION OF COOKE'S PASTOR**

Rev. Mr. Ferguson's Departure Regretted—Fill Vacancy as Soon as Possible.

At a meeting of the congregation of Cooke's Church held on Wednesday evening, the resignation of the Rev. T. J. S. Ferguson, was accepted with regret. It was decided to fill the pulpit without undue delay, and Rev. Mr. Cliff of Arnprior was asked to conduct services on Sunday.

Among those who voiced the regret of the congregation that Rev. Mr. Ferguson's health made it imperative that he get to a drier climate, were Mr. M. H. Claxton, Mr. D. A. Shaw and Mr. R. M. Douglas. These gentlemen paid tribute to Mr. Ferguson's splendid character and spoke of the excellent progress which the church had made under his pastorate.

The matter of the transfer of Mr. Ferguson to a British Columbia congregation and the filling of Cooke's pulpit will come before the Bay of Quinte Conference, which is meeting in this city next week.

No date has yet been set when Mr. Ferguson will preach his farewell sermon, but it is expected that he will not leave for his new charge for at least another month.

**DESERONTO**

Deseronto, May 20.—Elwood Metcalfe was host at six tables of bridge at his home on Dundas street on Tuesday evening. R. J. Dewar, formerly of Deseronto, now the registrar in Belleville, was the only out-of-town guest. The prizes were won by H. Siddall, H. M. Rathbun and W. H. Harvey.

G. N. Campbell, Indian agent, made a business trip to Ottawa on Tuesday.

R. H. Abraham of Chatham, inspector of Indian agricultural affairs, visited the Reservation on Wednesday.

Mrs. M. Dole and her two daughters, Madge and Gabrielle, left for their new home in Toronto a few days ago.

Mr. and Mrs. Allan, Killaloe Station, have arrived to take over Mr. Allan's new duties as manager of the Standard Bank.

The large bed of tulips planted in the centre of the grass plot north of Front street by the Women's Citizens' League, is a thing of beauty just now.

Thomas Currie and J. V. Walsh, Marysville, were business callers in town on Wednesday.

**WHEN YOUR POOR OLD STOMACH GROANS WITH GAS**

When Sourness, Pain and Bloating Follow Every Meal

MAKE THIS SIMPLE TEST

No matter about diets, special food programs or the dozen or more medicines you have tried without success. If you really want stomach comfort—quick, certain and lasting relief from the usual after-eating distress—just make this simple NEVER FAILING test to-day!

For only a few cents get from any good druggist a little pure Bisulphated Magnesia—then, immediately after your next heavy meal, take two teaspoonfuls of the powder or four of the tablets and drink a glass of warm or not too cold water.

This is a simple, pleasant and inexpensive test that may be absolutely depended upon to prove its value in less than five minutes and, in most instances, relief comes almost instantly.

Bisulphated Magnesia is a pleasant, harmless, non-laxative form of old-fashioned Magnesia that, when taken after meals, cleanses, sweetens and neutralizes the dangerous stomach acids that cause 95% of stomach ailments. Be sure and get BISULPHATED Magnesia at your druggist's to-day!

**DOMINION BOTANIST DELIVERS LECTURE**

Before Horticultural Society Wednesday Evening—His Subject Was "My Garden."

Common plant diseases and remedial measures were dealt with quite thoroughly by Dr. Gusson, Dominion botanist, in the third lecture of the series which is being conducted by the Kingston Horticultural Society, held on Wednesday night in the Dairly School.

Dr. Gusson's lecture was entitled "My Garden" and was built on experiences which the lecturer had had in his own garden. He was a very witty speaker and entertained the very large audience with many anecdotes out of his own gardening experience.

The lecturer advised everyone planting potatoes to demand certified seed potatoes and he predicted that the time would come when no one would buy seeds of vegetables or flowers unless they were certified.

The eradication of the currant bush except in the Niagara peninsula where black currants are grown very extensively, was recommended by Dr. Gusson. The reason of course being that it is only through black currant bushes that the pine 51ster, which is destroying the white pine, can be germinated. In the Niagara district the white pine is very scarce so that if all the currant bushes were grown there they would do very little harm.

Prof. W. T. MacClement of Queen's University also spoke briefly on the eradication of the currant bushes.

The president of the society, Prof. J. Macgillivray presided and introduced the speaker. At the conclusion of the lecture many questions were dealt with by Dr. Gusson.

Just go up to Elder's and see the Fireworks.  
The man who holds his head too high overlooks a lot of life's good things.
